4. SETUP & ASSEMBLY

Assembly of the YOMILUVE L Shaped Desk requires approximately 2.5 hours for one person, but it is recommended that **two people** assemble the desk for ease and safety. All necessary tools are included in the package. Follow the detailed installation instructions provided with your product carefully.

4.1 Important Assembly Tips:

- Part Orientation:** Pay close attention to the orientation of each part as depicted in the assembly diagrams. Incorrect orientation can prevent proper assembly or compromise stability.
- Top Shelf Placement:** It is often easier to attach the top shelf to the desktop panels before securing the desktop to the main frame. This can simplify alignment and screw insertion.
- Adjustable Feet:** The desk includes adjustable feet to ensure stability on uneven surfaces. Adjust these after the desk is fully assembled and in its desired location.

5. OPERATING INSTRUCTIONS

5.1 LED Lighting System

The desk is equipped with a smart LED lighting system offering extensive customization. The LED strips can be controlled via a dedicated switch or a mobile application.

- **Color Options:** Choose from 12 static colors.
- **Flashing Frequencies:** Select from 29 different flashing patterns.

- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Control Methods:**
 - **Switch Control:** Use the integrated switch to turn the lights on/off.
 - **APP Control:** Download the designated mobile application for remote control, advanced settings, and features.
- **Smart Features:** The system supports music synchronization, allowing the lights to react to audio, and a timer switcher for scheduled operation.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your YOMILUVE L Shaped Desk.

- **Cleaning:** Wipe the desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** The desktop is scratch-resistant and waterproof. In case of spills, wipe them immediately with a dry cloth to prevent water damage, especially around electrical components.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or warping of the wood finish.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your desk.

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Uneven floor; loose fasteners; incorrect assembly.	Adjust the leveling feet at the bottom of the desk legs. Ensure all screws and bolts are tightened. Review assembly instructions for correct part orientation.
LED lights are not working.	Power connection issue; faulty LED strip/controller.	Check if the power adapter is securely plugged into the wall outlet and the desk's LED connector. Ensure the LED switch is in the "on" position. If using the app, verify Bluetooth connection.
Power outlets/USB ports are not providing power.	Desk not plugged in; faulty outlet unit.	Ensure the desk's main power cord is securely plugged into a functional wall outlet. Test the wall outlet with another device. If the issue persists, the integrated power unit may be faulty.
Drawers do not slide smoothly.	Incorrectly installed drawer slides; obstruction; misaligned drawer.	Verify that the drawer slides are installed correctly and are free of debris. Ensure the drawer is properly aligned within its opening.
Short connecting top shelf sags.	Insufficient support for weight.	Avoid placing heavy items on this section. Consider adding additional support if needed (e.g., a small bracket, not included).

If you encounter a problem not listed here or if the suggested solutions do not resolve the issue, please contact YOMILUVE customer support for further assistance.
