Aheaplus 57-Inch L-Shaped Desk

Aheaplus 57-Inch L-Shaped Desk with Power Outlet and LED Strip User Manual

Model: 57-Inch L-Shaped Desk

1. INTRODUCTION

Thank you for choosing the Aheaplus 57-Inch L-Shaped Desk. This versatile desk is designed to enhance your home or office workspace with ample storage, integrated power solutions, and customizable LED lighting. This manual provides essential information for safe assembly, operation, and maintenance of your new desk.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully.
- Keep electrical components away from water and moisture.
- Do not overload the power outlet. Refer to the specifications for maximum load.
- Ensure the desk is properly anchored and stable to prevent tipping, especially when loaded with equipment.
- Keep small parts and packaging materials away from children.

3. PRODUCT FEATURES

The Aheaplus L-Shaped Desk offers a range of features designed for functionality and convenience:

- **Ample Storage Space:** Includes two fabric file drawers, two-tier under-desk storage shelves, and a dedicated printer cabinet.
- **Integrated Power Outlet:** Features 3 AC outlets (120V/12A) and 2 USB ports (5V/2A) for convenient device charging.
- **RGB LED Strip:** Built-in LED lighting with over 60,000 colors and multiple dynamic modes, controllable via a smart app. Includes music sync and timing functions.

- **Reversible Design:** The L-shaped configuration can be assembled for either a left or right-corner setup to suit your space.
- **Spacious Desktop:** Main workstation accommodates multiple monitors and a laptop.
- **Monitor Shelf:** Full-size monitor stand designed to promote correct posture and reduce neck strain.

4. SETUP AND ASSEMBLY

Assembly of the Aheaplus L-Shaped Desk is designed to be straightforward. All necessary hardware, tools, and clearly labeled parts are included in the package. Please follow the step-by-step instructions provided in the separate assembly guide that accompanies your product.

4.1. Pre-Assembly Checklist

- Verify all parts are present against the parts list in the assembly guide.
- Ensure you have adequate space for assembly.
- Keep children and pets away from the assembly area.

4.2. Reversible Configuration

The desk features a reversible design, allowing you to configure the L-shape to either the left or right side during assembly. Refer to the assembly guide for specific steps on how to achieve your desired orientation.

5. OPERATING INSTRUCTIONS

5.1. Power Outlet Usage

The desk is equipped with a built-in power strip for convenient access to power.

- Connect the desk's power cord (6.5 FT) to a standard wall outlet.
- Utilize the 3 AC outlets (120V/12A) for devices such as monitors, laptops, or other office equipment.
- Use the 2 USB ports (5V/2A) to charge smartphones, tablets, or other USB-powered devices.
- The charging station can be installed on either the left or right side during assembly.

5.2. LED Strip Operation

The integrated RGB LED strip provides customizable lighting for your workspace.

- **App Control:** Download the designated smart app (refer to the assembly guide for app name and QR code) to control the LED strip.
- **Color Selection:** Choose from over 60,000 colors to match your preference or room aesthetic.
- **Dynamic Modes:** Select from various pre-set dynamic lighting modes.
- **Music Sync:** Synchronize the LED lights with your music's beat for an immersive experience.
- **Timing Function:** Set timers for the LED lights to turn on or off automatically.

5.3. Storage and Organization

Utilize the various storage options to keep your workspace tidy and organized.

- **Fabric File Drawers:** Use the two fabric drawers for storing documents, office supplies, or personal items. These are suitable for letter-size files.
- **Under-Desk Shelves:** The two-tier shelves provide space for books, decor, or computer peripherals.
- **Printer Cabinet:** A dedicated open shelf is available for placing a printer or scanner within easy reach.

5.4. Monitor Shelf Benefits

The full-size monitor stand is designed to elevate your screen to an ergonomic viewing height.

- Place your monitor(s) on the elevated shelf to align your eye level with the top of the screen.
- This helps maintain correct posture and reduces strain on your neck and spine during prolonged use.
- The space beneath the monitor shelf can be used for additional storage of small items.

6. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your Aheaplus desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood grain finish.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.
- **Electrical Components:** Ensure the power strip and LED connections are secure and free from dust. Do not attempt to repair electrical components yourself.

7. TROUBLESHOOTING

If you encounter issues with your desk, refer to the following common troubleshooting tips:

- **Desk Wobbles:** Ensure all screws are securely tightened. Check that the desk is on a level surface. Adjust any leveling feet if present.
- **Power Outlet Not Working:** Verify the desk's main power cord is securely plugged into a functional wall outlet. Check for tripped circuit breakers. Do not attempt to disassemble the power strip.
- **LED Strip Not Lighting Up:** Ensure the LED strip's power connection is secure. Check the app settings to confirm it is turned on and not in a timed-off state.
- **Missing Parts During Assembly:** Double-check all packaging. If parts are genuinely missing, contact customer support immediately.

8. SPECIFICATIONS

Feature	Specification
Brand	Aheaplus
