SETUP AND ASSEMBLY

The WLIVE 2-Tier Nightstand is designed for straightforward assembly. All necessary accessories and detailed instructions are included to facilitate the process, which typically takes about 15 minutes for one person. For optimal safety and ease, two people are recommended for assembly.

Before You Begin:

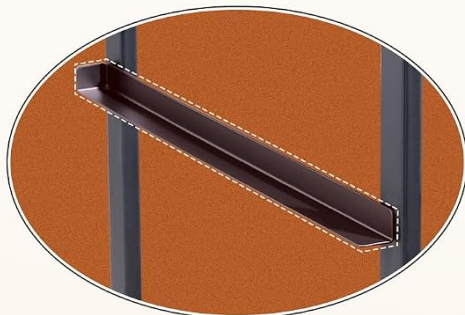

- Unpack all components and lay them out on a soft, clean, flat surface to prevent scratches.
- Verify that all parts and accessories are present and undamaged by comparing them with the included parts list. If any items are missing or damaged, please contact customer support before proceeding.
- Ensure you have a Philips head screwdriver, as it is recommended for assembly (not included).

Assembly Steps:

1. Attach the adjustable feet to the bottom of the steel frame legs.
2. Assemble the main steel frame structure according to the detailed diagrams in the included instruction sheet. Lightly tighten screws initially.
3. Secure the wooden top panel to the assembled frame.
4. Install the lower wooden shelf onto the frame.
5. Insert the fabric storage drawer into its designated slot.
6. Once all components are in place, fully tighten all screws to ensure stability.

OPERATING INSTRUCTIONS

The WLIVE 2-Tier Nightstand offers convenient storage and display options for various items in your home.

- **Top Surface:** Utilize the spacious wooden top for placing lamps, alarm clocks, books, decorative items, or beverages.
- **Fabric Drawer:** The integrated fabric drawer provides concealed storage for personal items, remote controls, chargers, or other small necessities. The easy-pull handle ensures smooth opening and closing.
- **Lower Shelf:** The open lower shelf is ideal for storing books, magazines, baskets, or other items you wish to keep within easy reach.
- **Placement:** This lightweight nightstand can be easily moved and is suitable for use beside a bed, sofa, or armchair, adapting to your specific needs.

MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your WLIVE 2-Tier Nightstand.

- **Cleaning:** Wipe the wooden top and steel frame with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish. For the fabric drawer, spot clean with a mild detergent and allow to air dry.
- **Spills:** Immediately wipe up any spills on the wooden top to prevent water damage.
- **Stability Check:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary to maintain stability and safety.
- **Avoid Damage:** Do not place excessively hot or cold items directly on the wooden surface without protective coasters. Avoid dragging the unit to prevent scratches to your floor and damage to the frame.

TROUBLESHOOTING

If you encounter any issues with your WLIVE 2-Tier Nightstand, refer to the following common solutions:

- **Wobbling/Instability:**
 - Ensure all screws are fully tightened.
 - Adjust the leveling feet at the bottom of the legs to compensate for uneven floors.
- **Drawer Not Sliding Smoothly:**
 - Check that the fabric drawer is inserted correctly and not obstructed by any items.
 - Ensure the drawer's support rails within the frame are free of debris.
- **Missing Parts/Damaged Components:**
 - Do not attempt to assemble or use the product.
 - Immediately [contact customer support](#) for assistance and replacement parts.
