Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Vigosit Gaming Chair PRO. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Image Description: A full view of the Vigosit Gaming Chair PRO, featuring a black and blue design, an ergonomic high back, a headrest pillow, a lumbar support pillow with massage function, integrated armrests, a retractable footrest, and a five-star base with casters. A separate U-shaped neck pillow is also shown.

Safety Information

For your safety and to prevent damage to the product, please observe the following guidelines:

- Always follow the assembly instructions provided.
- Do not exceed the maximum weight capacity of 350 lbs (158 kg).
- Keep the chair on stable, level surfaces to prevent tipping.
- Exercise caution when adjusting the recline position to avoid injury.
- Ensure all screws and bolts are securely tightened before use and periodically check for looseness.
- Keep small parts away from children during assembly.

Product Features

The Vigosit Gaming Chair PRO is designed with several features to enhance your experience:

- **Ergonomic Design:** Features a wide, muscle-shaped back and ergonomic curves for optimal support.
- **Breathable Materials:** Constructed with PU leather and mesh fabric splicing to prevent heat and moisture buildup.
- **Massage Lumbar Pillow:** An adjustable lumbar pillow with a built-in massager provides targeted relief for the lower back.
- **Enhanced Cushioning:** Features a 25% thicker sponge padding and an oversized spring structure for improved support and durability. The widened wingless cushion design offers ample seating space.
- **Multi-functional Adjustments:** Includes a 90-155° adjustable backrest, integrated linkage armrests, height adjustment, 360° swivel, and ultra-smooth casters.
- **Retractable Footrest:** Provides additional support for relaxation.
- **Durable Construction:** Built with a one-piece steel frame and an upgraded LANT gas cylinder, supporting up to 350 lbs. The sturdy base is BIFMA-TEST certified.

Height Adjustment

To adjust the chair's height, locate the lever beneath the seat on the right side. While seated, pull the lever up to lower the chair. To raise the chair, stand up and pull the lever up. Release the lever at your desired height.

Backrest Recline

The backrest can be reclined between 90 and 155 degrees. Locate the recline lever on the right side of the seat, below the armrest. Pull the lever up and lean back to your desired angle. Release the lever to lock the backrest in place. To return to an upright position, pull the lever and lean forward.

Retractable Footrest

To extend the footrest, pull it out from beneath the seat. To retract it, push it back in until it is fully stored.

Massage Function

The lumbar support pillow includes a built-in massage function. Connect the USB cable from the lumbar pillow to a compatible USB power source (e.g., computer, power bank, USB wall adapter). The massage function can be activated and adjusted via controls on the pillow itself.

360° Swivel and Casters

The chair features a 360° swivel for easy rotation and ultra-smooth casters for mobility on hard floors. Ensure the casters are clean and free of debris for optimal movement.

Maintenance

Regular maintenance helps prolong the life and appearance of your Vigosit Gaming Chair PRO.

- **Cleaning:** Wipe PU leather and mesh surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.

For spills, blot immediately with a clean, dry cloth.

- **Hardware Check:** Periodically inspect all screws and bolts to ensure they are tight. Re-tighten if necessary using the provided Allen wrench.
- **Caster Care:** Keep casters free of hair, dust, and debris to ensure smooth rolling.
- **Gas Lift:** Do not attempt to disassemble the gas lift cylinder.

Troubleshooting

This section addresses common issues you might encounter with your gaming chair.

- **Chair Squeaks:** Check and tighten all assembly bolts. Applying a small amount of silicone lubricant to moving parts (e.g., mechanism plate, gas lift connection) may help.
- **Chair Wobbles:** Ensure the base is fully assembled and all casters are securely inserted. Verify that all bolts connecting the seat and backrest are tight.
- **Gas Lift Not Adjusting:** Ensure the height adjustment lever is fully engaged or disengaged. If the issue persists, contact customer support.
- **Footrest Not Extending/Retracting Smoothly:** Check for any obstructions in the footrest mechanism. Clean any debris from the tracks.

If you experience issues not covered here, please contact Vigosit customer service.
