WOPET CA10-White

WOPET Automatic Pet Feeder (CA10-White) Instruction Manual

Model: CA10-White

Introduction

The WOPET Automatic Pet Feeder is designed to provide convenient and reliable feeding for your cats and dogs. With smart APP control, you can remotely manage meal times and portions, ensuring your pet is well-fed even when you're away. This manual will guide you through the setup, operation, and maintenance of your new feeder.

Product Components

Before assembly, ensure all components are present:

Image: All components included with the WOPET CA10 feeder, laid out on a white surface.

- Hopper
- Feeder Base
- Lid
- Bowl Rack
- Food Bowl (Stainless Steel)
- Power Plug
- Desiccant
- Power Cable (Type-C)
- Instructions (this manual)

Setup

Follow these steps to set up your WOPET Automatic Pet Feeder.

Video Guide: How to Install the WOPET CA10

Your browser does not support the video tag.

Video: A step-by-step guide demonstrating the installation process of the WOPET CA10 Automatic Pet Feeder.

1. **Install the Hopper:** Carefully place the transparent food hopper onto the feeder base. Ensure it is securely seated.

Image: A person installing the clear food hopper onto the black feeder base.

2. **Prepare the Lid:** Open the security lock on the lid. Insert the desiccant bag into its designated compartment

inside the lid to keep food fresh. Close the security lock.

Image: Diagram showing the twist-lock design of the lid and the placement of the desiccant bag to seal food freshness.

3. **Attach the Lid:** Place the lid onto the hopper and press down firmly until it clicks into place, ensuring a secure seal.
4. **Assemble the Bowl:** Snap the bowl rack onto the bottom of the feeder. Then, place the stainless steel food bowl onto the bowl rack.
5. **Install Batteries (Optional but Recommended):** Open the battery cover at the bottom of the feeder. Insert three D-size batteries. This provides backup power in case of an outage, ensuring continuous feeding. Close the battery cover.

6. **Connect Power:** Connect the Type-C power cable to the feeder and plug the adapter into a wall outlet.

Operating Instructions

Smart APP Control

The WOPET Automatic Pet Feeder is controlled via the WOPET Life App, available for iOS and Android devices.

Maintenance

Proper maintenance ensures the longevity and hygiene of your WOPET Automatic Pet Feeder.

- **Cleaning:** The food hopper and stainless steel bowl are detachable and dishwasher-safe for easy cleaning. Regularly clean these components to maintain a hygienic feeding environment.

Image: Diagram illustrating the internal mechanism of the WOPET feeder designed to prevent food blocking, showing recommended kibble types and sizes.

- **Pest Proofing:** When not dispensing food, the dispenser seals to keep pests out and ensure the food remains dry and fresh.

Image: Diagram showing the pest-proof sealing mechanism of the WOPET feeder's dispenser when not in use.

- **Material Quality:** The feeder is made from safe ABS material, and the food bowl is 304 stainless steel, ensuring pet health and food hygiene.

TROUBLESHOOTING

If you encounter issues with your WOPET Automatic Pet Feeder, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Feeder not dispensing food	Food hopper empty, food blockage, or power issue.	Check food level. Clear any blockages in the dispenser. Ensure power cable is securely connected and batteries (if used) are charged.
App connectivity issues	Incorrect Wi-Fi password, 5G Wi-Fi network, or weak signal.	Ensure you are connecting to a 2.4G Wi-Fi network. Verify Wi-Fi password. Move the feeder closer to the router during initial setup.
Scheduled meals not dispensing	Incorrect schedule settings in the app, or power interruption.	Double-check your meal schedule in the WOPET Life App. Ensure continuous power supply (use batteries as backup).
Pet accessing food outside of scheduled times	Lid not securely closed.	Ensure the twist-lock lid is properly secured and clicked into place.

Specifications

Feature	Detail
Model	CA10-White
Capacity	4L (17 cups)
Material	BPA Free ABS, 304 Stainless Steel Bowl
Connectivity	2.4G WiFi
Meals Per Day	1-10
Portions Per Meal	Up to 8
Voice Recording	10 seconds
Power Supply	Power Adapter (Type-C) and 3 x D-size Batteries (backup)
Recommended Kibble Size	0.07-0.47 inches (2-12mm)
Dimensions (LxWxH)	8 x 6 x 6 inches
Item Weight	3.05 pounds

Note: 1 portion ≈ 10g ≈ 0.35 oz (ounces) ≈ 0.67 fl oz (fluid ounces) ≈ 20 ml ≈ 1/12 cup ≈ 4 Tsp ≈ 4/3 Tbsp. This table is for reference only and actual measurements may vary slightly due to the unique characteristics of each pet food.
