Setup

No specific setup is required for these building bricks. They are ready for immediate use upon opening the package. Ensure all pieces are accounted for according to the package count (e.g., 70 pieces for the Bright Gold variant).

- **Unpacking:** Carefully open the product packaging and remove all brick pieces.
- **Inspection:** Verify that all pieces are present and undamaged.
- **Storage:** Store bricks in a clean, dry container to prevent loss or damage.

Operating Instructions

These bricks are designed for creative construction. They can be integrated into existing brick-building systems to enhance models or create new designs.

1. **Connection:** Align the studs of other bricks with the anti-studs on the underside of the GDS-1499-037 tile. Press firmly to secure the connection.
2. **Placement:** Use the sloped walls of the tile to create decorative elements, simulate gold bars, or add unique architectural details to your builds.
3. **Disconnection:** Gently pull apart connected bricks. Avoid excessive force to prevent damage to the pieces.

Recommended Age: This product is recommended for ages 18 and up, as indicated by the manufacturer. Small parts may pose a choking hazard for younger children.

Maintenance

Proper maintenance ensures the longevity and cleanliness of your TYCOLE bricks.

- **Cleaning:** To clean the bricks, wipe them with a damp cloth. For deeper cleaning, use mild soap and lukewarm water. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store bricks away from direct sunlight and extreme temperatures to prevent material degradation or color fading.
- **Handling:** Avoid bending or twisting the bricks forcefully, as this can cause stress fractures or breakage.

Troubleshooting

Problem	Possible Cause	Solution
Bricks do not connect securely.	Misalignment or debris in studs/anti-studs.	Ensure proper alignment. Clean any debris from the connection points.
Bricks are difficult to separate.	Tight fit (normal for new bricks) or improper angle.	Apply gentle, even pressure. Avoid prying with tools that could damage the plastic.
Color fading or material degradation.	Exposure to direct sunlight or harsh chemicals.	Store bricks away from direct sunlight. Use only mild soap and water for cleaning.
