Farmhouse TV Stand User Manual

Model: NSFDSG463 | Brand: jiteentarou

PRODUCT OVERVIEW

This Farmhouse TV Stand is a versatile entertainment center designed to accommodate TVs up to 85 inches. Standing 31.5 inches tall, it features a classic modern farmhouse style with barn doors and integrated RGB LED lighting. It offers ample and flexible storage solutions, including an open-top compartment for soundbars or DVDs, and two barn door cabinets with adjustable shelves. The unit is constructed from engineered wood, ensuring stability and durability.

SAFETY INFORMATION

For your safety and to prevent damage to the product or injury, please adhere to the following guidelines:

- Always use the provided wall mount anchors to secure the cabinet to the wall. This prevents potential tip-over incidents.
- Never attempt to move or adjust the cabinet when it is fully assembled to avoid potential tip-over or pinch point injuries.
- Exercise caution when handling the cabinet components to prevent scratches or other damage during assembly and use.
- Always follow the assembly instructions carefully to ensure the safety and stability of the cabinet.

SETUP AND ASSEMBLY

Assembly of the Farmhouse TV Stand is required. The package includes all necessary hardware and a detailed manual to guide you through the process. For a smooth assembly experience, we recommend:

- Reviewing all parts and hardware against the packing list before beginning.
- Assembling the unit on a soft, clean surface to prevent scratches.
- Having a second person assist with assembly, especially for larger components.
- Following the step-by-step instructions provided in the included assembly manual.

The TV stand is designed with a stable base (2.8 inches high) and a 0.6-inch thick tabletop for excellent stability and durability.

OPERATING INSTRUCTIONS

LED Lighting System

The integrated RGB LED lighting system enhances the ambiance of your living space. It offers hundreds of colors, fluctuates with music, includes a timing function, and features 25 dynamic modes. The lighting can be controlled via a remote control, providing convenient operation without worrying about a missing controller.

Adjustable Shelves

The two barn door cabinets feature adjustable shelves, allowing you to customize the storage space according to your needs. To adjust a shelf, carefully lift it and reposition it into the desired peg holes. Ensure the shelf is level and securely seated before placing items on it.

MAINTENANCE

To maintain the appearance and longevity of your Farmhouse TV Stand, follow these simple maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Dusting:** Regularly dust the unit with a dry, soft cloth to prevent dust buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Weight Distribution:** Distribute weight evenly across shelves and the top surface to prevent warping or structural stress.

TROUBLESHOOTING

If you encounter any issues with your Farmhouse TV Stand, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
LED lights not working	Power connection loose, remote battery dead, LED strip damaged.	Check power cable connection. Replace remote battery. Contact customer support if LED strip is damaged.
Unit feels wobbly	Uneven floor, loose assembly hardware, not secured to wall.	Ensure unit is on a level surface. Tighten all assembly screws. Secure unit to the wall using provided anchors.
Barn doors not sliding smoothly	Debris in track, misaligned doors.	Clean the sliding track. Re-align doors according to assembly manual.

If the problem persists, please contact customer support for further assistance.
