DOOGEE T30E

DOOGEE T30E Android Tablet User Manual

Model: T30E

1. Introduction

This manual provides essential information for setting up, operating, and maintaining your DOOGEE T30E Android Tablet. Please read this guide thoroughly before using your device to ensure proper function and longevity.
The DOOGEE T30E is an 11-inch Android 14 tablet designed for productivity, creativity, entertainment, and general use. It features an octa-core processor, 9GB RAM (4GB physical + 5GB virtual), 128GB internal storage expandable up to 1TB via TF card, and an 8000mAh battery.

2. What's in the Box

Carefully unpack your DOOGEE T30E tablet and verify that all items listed below are included:

- DOOGEE T30E Tablet
- Protective Cover
- Type-C Cable
- AC Adapter
- Stylus Pen
- SIM-Pin
- User Manual (this document)
- Bluetooth Keyboard
- Bluetooth Mouse

4. Setup

Initial Power On

1. Press and hold the Power Button located on the side of the tablet until the DOOGEE logo appears.
2. Follow the on-screen prompts to complete the initial setup, including language selection, Wi-Fi connection, and Google account login.

Inserting SIM/TF Card

The tablet supports dual SIM cards (nano SIM) or one nano SIM and one TF card for expandable storage up to 1TB.

1. Locate the SIM/TF card tray on the side of the tablet.
2. Use the provided SIM-Pin to gently eject the tray.
3. Place your nano SIM card(s) and/or TF card into the designated slots on the tray. Ensure correct orientation.
4. Carefully reinsert the tray into the tablet.

Charging the Tablet

Connect the provided Type-C cable to the tablet's Type-C port and the AC adapter. Plug the adapter into a power outlet. The tablet supports 5V/2A 10W fast charging.

5. Operating Your Tablet

Android 14 Operating System

The DOOGEE T30E runs on Android 14, offering enhanced features for smarter AI, stronger security, and richer multitasking capabilities. Key features include Parallel View, Taskbar, and improved Privacy & Security settings.

6. Accessories

Bluetooth Keyboard and Mouse

The included Bluetooth keyboard and mouse can be paired with your tablet to enhance productivity, transforming your tablet into a portable workstation.

1. Ensure Bluetooth is enabled on your tablet (Settings > Connected devices > Bluetooth).
2. Turn on the keyboard/mouse and put them into pairing mode (refer to their individual manuals if needed).
3. Select the device name from the list of available Bluetooth devices on your tablet to pair.

8. Maintenance and Care

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials.
- **Battery Care:** To prolong battery life, avoid extreme temperatures. Charge the tablet regularly and avoid letting the battery completely drain frequently. The 8000mAh battery provides extended usage times.
- **Storage:** Store the tablet in a cool, dry place away from direct sunlight and moisture.
- **Software Updates:** Regularly check for and install system updates to ensure optimal performance and security.

9. Troubleshooting

If you encounter issues with your DOOGEE T30E tablet, refer to the following common solutions:

- **Tablet not turning on:** Ensure the battery is charged. Connect the tablet to the charger and wait a few minutes before attempting to power it on again.
- **Screen unresponsive:** Try restarting the tablet by holding down the power button for about 10-15 seconds. If the issue persists, a factory reset might be necessary (back up your data first).

- **Wi-Fi/Cellular connectivity issues:** Check if Wi-Fi or cellular data is enabled in settings. Restart your router or check your SIM card insertion.
- **Accessories not connecting:** Ensure Bluetooth is enabled on the tablet and the accessory is in pairing mode. Check battery levels of the accessories.
- **Slow performance:** Close unnecessary background applications. Clear cache and temporary files. Consider uninstalling unused apps.
