

DOOGEE T30E

DOOGEE T30E 11-inch Tablet User Manual

Model: T30E | Brand: DOOGEE

1. INTRODUCTION

Welcome to the user manual for your new DOOGEE T30E 11-inch Tablet. This device is designed to provide a versatile and powerful experience, featuring an 11-inch HD display, Android 14 operating system, 4G LTE cellular connectivity, and an 8000mAh long-lasting battery. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your tablet to ensure optimal performance and user satisfaction.

2. SETUP

2.1 Unboxing and Initial Inspection

Upon receiving your DOOGEE T30E tablet, carefully open the packaging and ensure all components are present and undamaged. The standard package typically includes the tablet, a charging adapter, a USB cable, and this user manual.

2.2 Charging the Device

Before first use, it is recommended to fully charge your tablet. Connect the USB cable to the tablet's charging port and the other end to the charging adapter. Plug the adapter into a power outlet. The battery indicator on the screen will show the charging status. The tablet supports 5V/2A 10W fast charging.

2.3 Inserting SIM and TF Card

The DOOGEE T30E supports 4G LTE connectivity and expandable storage. To insert a SIM card for cellular data or a TF (microSD) card for additional storage:

1. Locate the SIM/TF card tray on the side of the tablet.
2. Use the provided SIM ejector tool to open the tray.
3. Carefully place your Nano-SIM card(s) and/or TF card into the designated slots on the tray. Ensure the cards are correctly oriented.
4. Gently push the tray back into the tablet until it clicks into place.

2.4 Initial Power On

Press and hold the power button located on the side of the tablet until the DOOGEE logo appears. Follow the on-screen instructions to complete the initial setup, including language selection, Wi-Fi connection, Google account setup, and security settings.

3. OPERATING

3.1 Display Features

The T30E features an 11-inch IPS full-color HD display with a resolution of 1280 x 800 pixels. It offers a wide viewing angle and supports Widevine L1, enabling smooth streaming of high-quality HD content from platforms like Amazon Prime Video, YouTube, Disney+, and Hulu.

3.3 Connectivity

- 4G LTE:** Stay connected on the go with 4G LTE cellular capabilities, supporting dual SIM cards.
- Wi-Fi:** Supports 2.4GHz and 5GHz Wi-Fi for faster and more stable internet connections.
- Bluetooth 5.0:** For connecting wireless accessories such as headphones, keyboards, and mice.

3.4 Audio

The tablet features high-quality dual stereo speakers for clear and loud sound output, enhancing your media consumption and gaming experience. A 3.5mm headphone jack is also included for private listening.

3.5 Cameras

The DOOGEE T30E is equipped with a 13MP main camera and a 5MP front camera, suitable for capturing photos, video calls, and online meetings.

3.6 Software Features (Android 14)

Running on Android 14, the T30E offers an optimized and secure user experience with features such as:

- **Parallel View:** Enhances landscape viewing for certain applications.
- **Taskbar:** Provides convenient multitasking capabilities.
- **Privacy & Security:** Advanced controls for managing permissions and protecting your data.
- **Wireless Projection:** Supports easy connection to digital TVs, electronic blackboards, and projectors for big-screen viewing.
- **Split-screen Mode:** Allows running two apps side-by-side for enhanced productivity.
- **Low Blue Light Mode:** Reduces eye strain during prolonged use.

3.7 Navigation

The tablet integrates multiple satellite navigation systems including GPS, Beidou, GLONASS, Galileo, and AGPS for accurate positioning and navigation.

3.8 Face ID

For convenient and secure unlocking, the DOOGEE T30E supports Face ID recognition.

4. MAINTENANCE

4.1 Battery Care

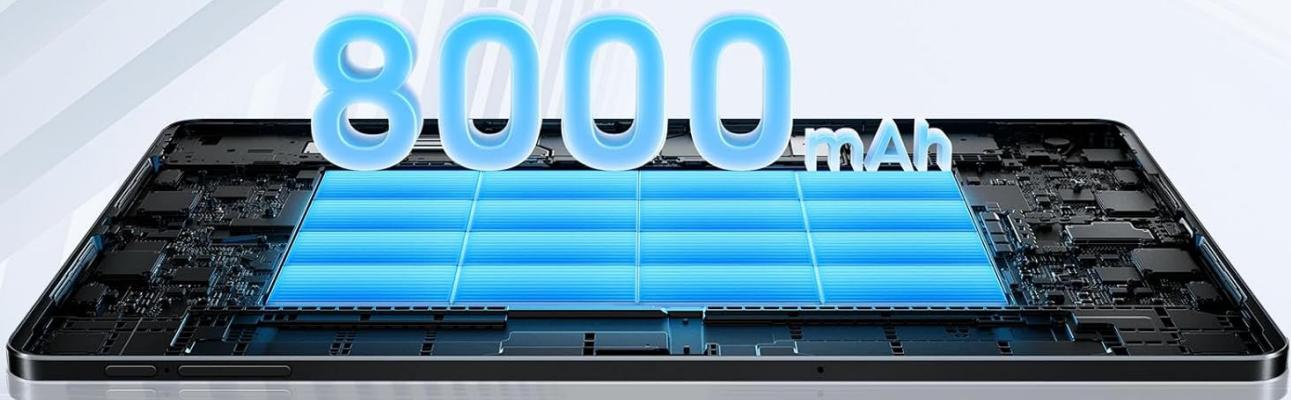

The 8000mAh battery provides extended usage times. To maximize battery life:

- Avoid extreme temperatures.

- Do not let the battery completely drain frequently.
- Use the original charger or a certified compatible charger.
- For long-term storage, charge the tablet to about 50% and power it off.

4.2 Cleaning

To clean your tablet, use a soft, lint-free cloth. For stubborn smudges, slightly dampen the cloth with water or a screen cleaner specifically designed for electronics. Avoid using harsh chemicals or abrasive materials.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your DOOGEE T30E tablet.

- **Device not powering on:** Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If it still doesn't turn on, try holding the power button for 10-15 seconds.

- **Screen is unresponsive:** Restart the tablet by holding the power button until it reboots. If the issue persists, perform a factory reset (note: this will erase all data).
- **Wi-Fi connection issues:** Check if Wi-Fi is enabled in settings. Restart your router and the tablet. Ensure you are within range of the Wi-Fi network and have entered the correct password.
- **4G LTE not working:** Ensure your SIM card is correctly inserted and activated. Check your mobile data settings and ensure data roaming is enabled if you are abroad. Verify your cellular plan is active.
- **Apps crashing or freezing:** Close background applications. Clear the cache of the problematic app in Settings > Apps. If the issue continues, uninstall and reinstall the app.
- **Slow performance:** Close unnecessary apps. Clear cache and temporary files. Consider uninstalling unused applications.

If you encounter issues not covered here or require further assistance, please contact customer support.
