Moimhear 0545

Moimhear Bunk Bed 90x200cm with Trundle Bed - Instruction Manual

Model: 0545

INTRODUCTION

Thank you for choosing the Moimhear Bunk Bed with Trundle. This manual provides essential information for safe assembly, operation, and maintenance of your new bed. Please read it thoroughly before beginning assembly and keep it for future reference.

SAFETY INFORMATION

Warning:

- The upper bunk bed is equipped with a high safety guardrail. Ensure children cannot climb over or fall from the bed.
- This design complies with EN747 certification standards, providing a safe sleeping environment for children.
- Always ensure all connections are securely tightened after assembly and periodically check for any loose parts.
- Do not allow children under 6 years of age to use the upper bunk.
- Use only mattresses that comply with the recommended dimensions and thickness to ensure proper guardrail height.
- Do not attach or hang items on any part of the bunk bed that are not designed for use with the bed; for example, but not limited to, hooks, belts, or ropes.

SETUP AND ASSEMBLY

The Moimhear Bunk Bed is designed for straightforward assembly. It is shipped in two separate packages, which may arrive on different dates. Please ensure you have received both packages before starting assembly.

Detailed assembly instructions are included with your product. Follow these instructions carefully, step-by-step, to ensure correct and safe construction.

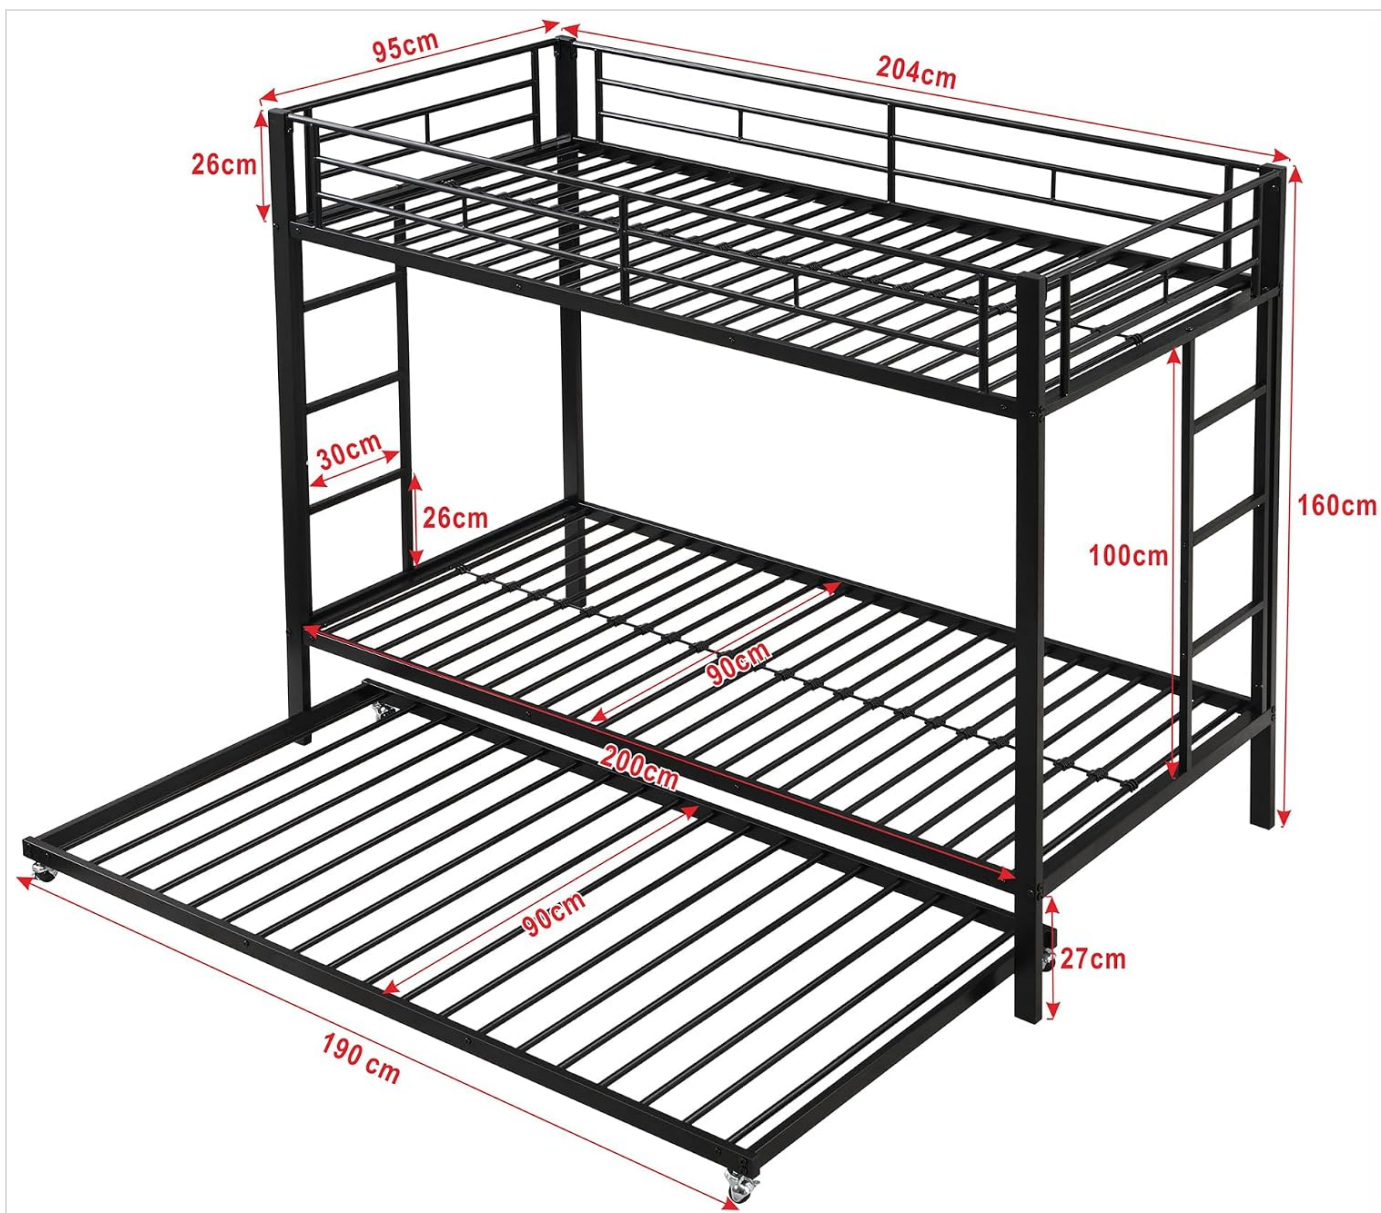

Image: The metal frame of the bunk bed with the trundle bed pulled out, illustrating the robust construction and slatted mattress supports.

- **Tools Required:** Typically, an Allen key (hex wrench) is provided. Additional tools like a screwdriver may be needed.
- **Assembly Area:** Choose a spacious, clear area for assembly to prevent damage to components or flooring.
- **Two-Person Assembly:** It is recommended to have two adults for assembly to ensure safety and ease of handling larger components.
- **Component Check:** Before starting, verify all parts are present against the included parts list. If any parts are missing or damaged, contact customer service immediately.

OPERATING INSTRUCTIONS

Using the Trundle Bed

The Moimhear Bunk Bed features a convenient pull-out trundle bed, offering flexible sleeping arrangements.

Image: The Moimhear Bunk Bed in black, with the trundle bed pulled out, ready for use.

- **To Extend:** Gently pull the trundle bed frame from underneath the lower bunk. It is equipped with wheels for easy movement.
- **To Retract:** Push the trundle bed back underneath the lower bunk until it is fully stored.
- **Mattress:** Ensure the mattress on the trundle bed is of appropriate thickness to allow for smooth retraction and storage.

Ladder Usage

The bunk bed includes ladders on both sides for safe access to the upper bunk.

Image: Detail of the bunk bed's ladder and the trundle bed mechanism.

- Always use the ladder when accessing or descending from the upper bunk.
- Ensure the ladder is securely attached and stable before use.
- Only one person should be on the ladder at a time.

MAINTENANCE

Proper maintenance will ensure the longevity and safety of your Moimhear Bunk Bed.

- **Cleaning:** Clean the metal frame with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Inspections:** Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten if necessary.
- **Durability:** The robust metal frame is designed for long-term use and resistance to deformation.

TROUBLESHOOTING

If you encounter any issues with your bunk bed, please refer to the following common solutions:

Problem	Possible Cause / Solution
Bed feels unstable or wobbly.	Ensure all bolts and screws are fully tightened. Re-check assembly steps to confirm all components are correctly installed.
Trundle bed does not slide smoothly.	Check for any obstructions underneath the bed. Ensure the trundle wheels are clean and free of debris. Verify the trundle mattress is not too thick.
Missing parts or damaged components upon delivery.	Contact Moimhear customer service immediately with your order details and a description of the missing/damaged parts. Remember that the bed ships in two packages, which may arrive separately.
Difficulty with assembly.	Review the included assembly instructions carefully. Ensure you have all necessary tools and consider having a second person assist with the process.
