5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your LEMBERI dog crate furniture.

- **Cleaning Wood Surfaces:** Wipe wood surfaces with a soft, damp cloth. For tougher stains, use a mild wood cleaner. Avoid abrasive cleaners or harsh chemicals.
- **Cleaning Metal Bars:** The iron bars can be wiped clean with a damp cloth. Dry immediately to prevent rust.
- **Check Fasteners:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain structural integrity.
- **Inspect for Damage:** Regularly inspect the crate for any signs of wear, damage, or loose parts, especially if your dog is prone to chewing. Address any issues promptly.

6. TROUBLESHOOTING

If you encounter any issues with your dog crate furniture, consider the following:

- **Loose Parts:** If any part feels wobbly, check all connections and tighten screws. Refer to the assembly instructions to ensure all components are correctly installed.
- **Doors Not Latching Securely:** Ensure the crate is on a level surface. Check if the door hinges are properly aligned and if the latches are installed correctly. If issues persist, inspect for any bent metal components.
- **Dog Escaping:** If your dog is able to open the doors, ensure the latches are fully engaged. For persistent escape artists, additional secure locking mechanisms may be considered, or consult with a professional dog trainer.
- **Drawers Sticking:** Check for any obstructions in the drawer slides. Ensure the drawer slides are clean and free of debris.
