2. SAFETY INFORMATION

Always assemble the desk according to the provided instructions. Ensure all parts are securely fastened and the desk is level before use. Avoid placing heavy objects on one side of the desk to prevent tipping. Always anchor the desk to the wall or floor if it is near a wall or in an area with high foot traffic.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- 1 x Advwin Computer Desk (disassembled components)
- 1 x Assembly Manual
- Hardware Kit (screws, bolts, tools as specified in assembly manual)

4. SETUP AND ASSEMBLY

Assembly of the Advwin L-Shaped Gaming Desk is required. Refer to the separate assembly manual included in your package for detailed, step-by-step instructions. Ensure you have adequate space and the necessary tools before starting.

4.1 Reversible Configuration

The L-shaped design of this desk is reversible, allowing you to configure the longer section to either the left or right side to best suit your space. Follow the specific instructions in the assembly manual for your desired orientation.

6. MAINTENANCE

To maintain the appearance and longevity of your desk, follow these guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Dusting:** Regularly dust the desk to prevent buildup.
- **Spills:** Clean up spills immediately to prevent staining or damage to the particle board.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Tighten if necessary.

7. TROUBLESHOOTING

If you encounter issues with your Advwin L-Shaped Gaming Desk, refer to the following common solutions:

- **Desk Wobbles:** Ensure all assembly screws are tightened. Check that the adjustable leg pads are properly adjusted to compensate for uneven flooring.
- **LED Lights Not Working:** Verify that the LED strip is correctly connected to the power adapter and that

the adapter is plugged into a functional wall outlet. Check the remote control battery.

- **Charging Station Not Providing Power:** Confirm the desk's main power cord is securely plugged into a live wall outlet. Test the outlet with another device.
- **Drawers Not Sliding Smoothly:** Ensure the drawer fabric is not caught and that the drawer supports are correctly installed and aligned.
