

Google Pixel 9 Pro XL

Google Pixel 9 Pro XL User Manual

Model: Pixel 9 Pro XL (GGX8B)

INTRODUCTION

This manual provides essential information for setting up, operating, maintaining, and troubleshooting your Google Pixel 9 Pro XL smartphone. The Pixel 9 Pro XL is an unlocked Android device featuring the Gemini AI, a triple rear camera system, and a 6.8-inch Super Actua Display. It is designed to offer a powerful and intuitive user experience.

Key features include:

- Pro-level camera capabilities for photos and videos.
- Integrated Gemini AI for enhanced assistance and productivity.
- Flexible compatibility with various major carriers.
- Long-lasting battery performance.
- Advanced security updates and Pixel Drops for continuous improvement.

WHAT'S IN THE BOX

Upon unboxing your Google Pixel 9 Pro XL, verify that the following items are included:

- Google Pixel 9 Pro XL Smartphone
- SIM Tray Ejector
- USB Cable (USB-C to USB-C, 1 meter, USB 2.0)

What's in the box.

SIM tool

1 m USB-C® to
USB-C cable (USB 2.0)

USB-C® is a trademark of USB Implementers Forum.

Image: The Google Pixel 9 Pro XL, a SIM tray ejector tool, and a USB-C to USB-C cable are included in the product packaging.

SETUP

1. Insert SIM Card

1. Locate the SIM card tray on the side of your Pixel 9 Pro XL.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press gently until the tray pops out.

3. Place your nano-SIM card into the tray with the gold contacts facing down.
4. Carefully reinsert the tray into the phone.

2. Power On and Initial Setup

1. Press and hold the power button on the side of the device until the Google logo appears.
2. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and transfer data from an old device if desired.
3. Sign in with your Google account or create a new one.
4. Set up security features such as fingerprint unlock or a PIN/pattern/password.

Your Pixel 9 Pro XL is an unlocked Android phone, providing the flexibility to choose your preferred carrier and data plan. It is compatible with Google Fi, Verizon, T-Mobile, AT&T, and other major carriers.

OPERATING YOUR DEVICE

Basic Navigation

The Pixel 9 Pro XL features a responsive 6.8-inch Super Actua Display with a 120 Hz refresh rate. Navigate the interface using touch gestures:

- **Tap:** Select items or open apps.
- **Swipe:** Scroll through content or navigate between screens.
- **Pinch-to-zoom:** Adjust the size of images or web pages.

Camera Features

The triple rear camera system allows for high-quality photos and videos. Access the camera app from your home screen or lock screen.

Find something out, on the spot.

Take a photo, and ask Gemini for help and ideas, like making a recipe from a picture of what's in your fridge.⁵

Image: The Pixel 9 Pro XL camera interface provides controls for focus, shutter speed, and ISO, enabling advanced photography.

- **Super Res Zoom Video:** Achieve high-quality video up to 20x zoom.
- **Video Boost:** Enhance videos up to 8K resolution.
- **Night Sight Video:** Capture sharp videos in low-light conditions.
- **Add Me:** Integrate yourself into existing photos using AI.
- **Best Take:** Select the best facial expressions from a burst of photos.
- **Magic Editor:** Reframe photos, reimagine scenery, and make other advanced edits.

Gemini AI Integration

Gemini is your built-in AI assistant, designed to provide quick information and assistance.

A super easy way to search.

Circle to Search

Circle an image or text, even in a video. AI finds it fast – right from the app you're in.¹¹

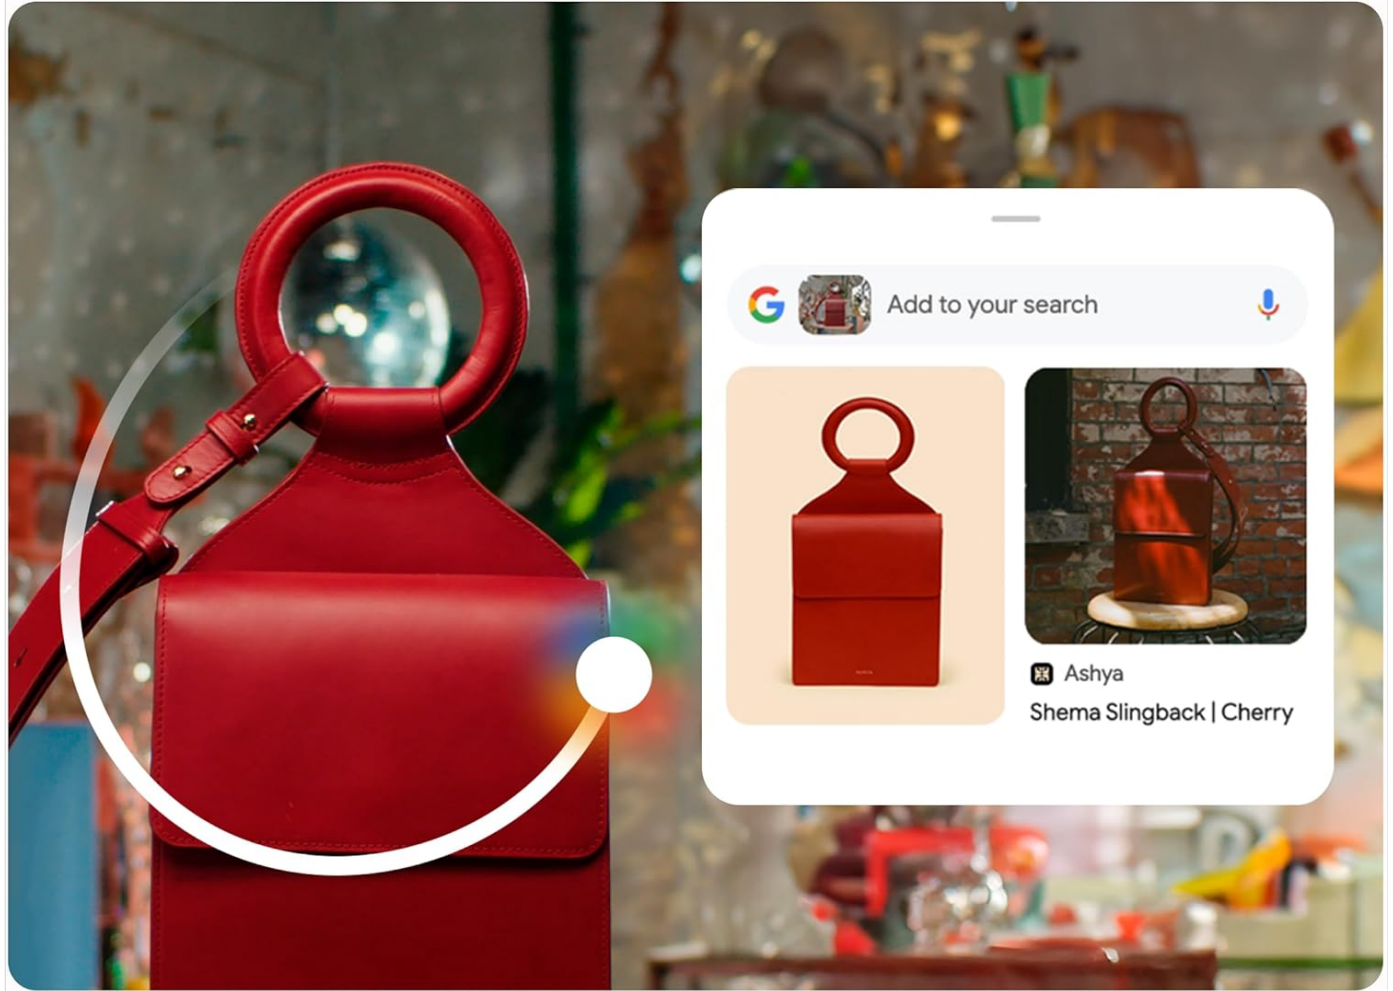

Image: Gemini AI can analyze images, such as refrigerator contents, to suggest meal ideas.

- **Gemini Live:** Engage in real-time conversations with Gemini, even if you change topics.
- **Pixel Screenshots:** Save important information from screenshots and use Gemini to retrieve it later.
- **Circle to Search:** Circle an image or text on your screen to quickly search for information directly from any app.

Pixel remembers. So you don't have to.

Pixel Screenshots

Pixel helps you save info you want to remember later – like events, places, and more – and uses Gemini to find what you need, right when you need it.

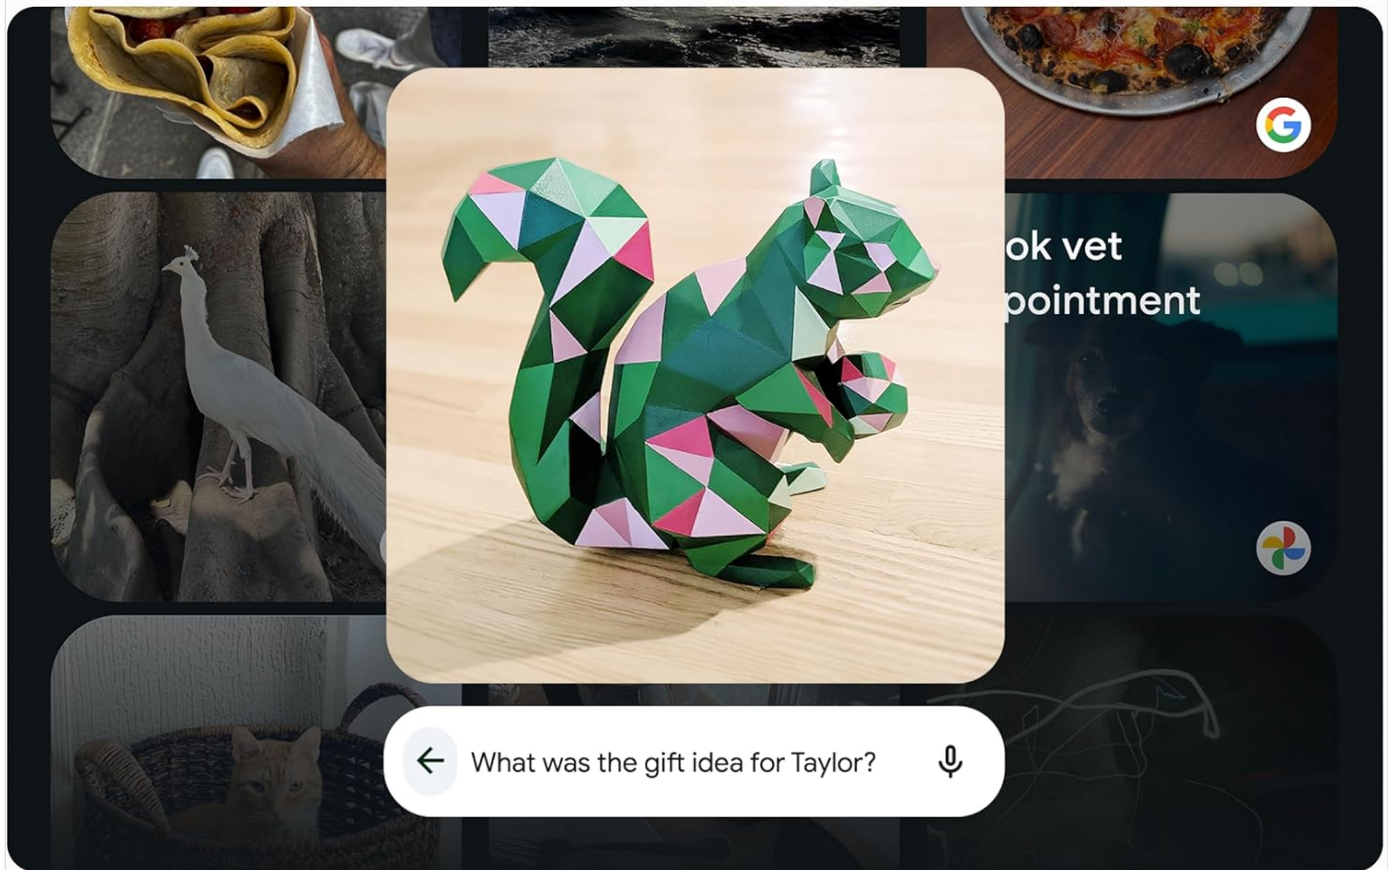

Image: The Circle to Search feature allows users to quickly find information about objects or text by circling them on the display.

Battery Life

The Pixel 9 Pro XL is equipped with a 5060 mAh battery, designed to provide up to 24 hours of usage on a single charge. Actual battery life may vary based on network conditions, device usage, and other factors.

MAINTENANCE

Software Updates

Google provides 7 years of security updates and Pixel Drops for the Pixel 9 Pro XL. Ensure your device is connected to Wi-Fi to download and install updates promptly. Regular updates enhance security, introduce new features, and improve performance.

Cleaning Your Device

To clean your Pixel 9 Pro XL, use a soft, lint-free cloth. Avoid abrasive materials or harsh chemicals. For stubborn smudges, slightly dampen the cloth with water. Do not submerge the device in liquid.

Battery Care

To maximize battery longevity, avoid exposing your device to extreme temperatures. Use the provided USB-C cable and a compatible power adapter for charging. While the device supports fast charging, charging overnight at a slower rate can help preserve battery health.

TROUBLESHOOTING

Common Issues and Solutions

- **Device Unresponsive:** If your device is frozen or unresponsive, press and hold the power button for approximately 30 seconds to force a restart.
- **Connectivity Problems (Wi-Fi/Bluetooth):** Try toggling Wi-Fi or Bluetooth off and on. If the issue persists, restart your device or reset network settings in the phone's settings menu.
- **App Crashing:** Clear the cache and data for the problematic app via Settings > Apps. If the issue continues, uninstall and reinstall the app.
- **Poor Battery Life:** Review app usage in Settings > Battery to identify power-consuming apps. Adjust screen brightness, disable unnecessary features like always-on display, and ensure apps are updated.
- **Overheating:** If the device feels excessively warm, close all running applications and allow it to cool down. Avoid using the phone while charging or in direct sunlight for extended periods.

Factory Reset

A factory reset will erase all data from your device and restore it to its original factory settings. This can resolve persistent software issues but should be used as a last resort. **Backup all important data before performing a factory reset.**

1. Go to Settings > System > Reset options.
2. Select 'Erase all data (factory reset)'.
3. Confirm your decision and follow the on-screen instructions.

SPECIFICATIONS

The following table outlines the key technical specifications for the Google Pixel 9 Pro XL:

Feature	Specification
Model Name	Google Pixel 9 Pro XL
Item Model Number	GGX8B
Operating System	Android 14
Screen Size	6.8 Inches
Resolution	1344 x 2992 Pixels
Refresh Rate	120 Hz
CPU Speed	1.92, 2.6, 3.1 GHz
RAM Memory Installed Size	16 GB
Memory Storage Capacity	128 GB (available in other configurations)

Feature	Specification
Battery Capacity	5060 Milliamp Hours
Phone Talk Time	100 Hours
Connectivity Technologies	Bluetooth, NFC, Wi-Fi
Product Dimensions	6.41 x 0.34 x 3.02 inches
Item Weight	7.4 ounces
Color	Obsidian (available in other colors)

WARRANTY AND SUPPORT

Warranty Information

Specific warranty details for your Google Pixel 9 Pro XL are typically provided with your purchase documentation or can be found on the official Google Support website. Please refer to these resources for comprehensive information regarding warranty coverage, terms, and conditions.

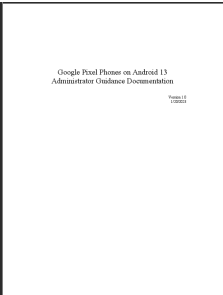

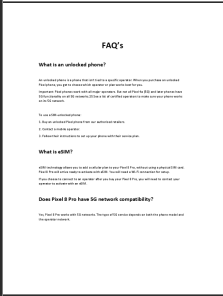

Customer Support

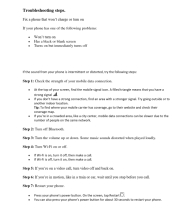

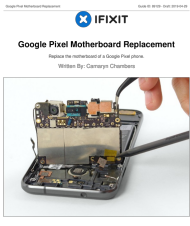

For further assistance, technical support, or to report issues, please visit the official Google Pixel Support website. You can find FAQs, troubleshooting guides, and contact options for direct support.
