4. ASSEMBLY INSTRUCTIONS

Assembly is simple and tool-free, typically taking about 10-15 minutes. Follow these steps carefully:

Step-by-Step Guide:

1. Lay the playpen cover and all tubes flat on the ground, ensuring the cover is spread out.
2. Insert the foam-less tubes into the tube sleeves of the base frame. Connect the two pipes in the center with a straight tee connector.
3. After installing the middle-level riser pipes of the playpen by inserting the sponge-covered pipe into the sleeve, place the fence cover on top.
4. Install the upper T-type tee A and tee without suction cups, and proceed to install the upper pipe.
5. Flip the cloth cover over and securely fasten it to wrap around the top tube, as indicated.

6. MAINTENANCE AND CARE

Cleaning Instructions:

- The playpen is made with soft, non-toxic fabrics that are easy to clean.
- The padded cover and playmat are removable for quick wipe-downs.
- For deeper cleaning, the fabric components are machine washable. Ensure to follow care label instructions.
- The playmat surface can be easily wiped clean with a damp cloth.
- Regularly inspect the playpen for any signs of wear or damage.

7. TROUBLESHOOTING

Common Issues and Solutions:

- **Playpen feels unstable:** Ensure all pipes are fully inserted into their connectors and the fabric cover is securely fastened around the top rails. Check that the bottom suction cups are firmly attached to a smooth, clean surface.
- **Difficulty with assembly:** Refer to the step-by-step assembly instructions and the provided video. Ensure you are using the correct pipe lengths and connectors for each section. Do not force parts together.
- **Zipper not closing smoothly:** Check for any fabric obstruction in the zipper path. Ensure the zipper is aligned correctly.
- **Playmat not lying flat:** Allow some time for the playmat to flatten out after unpacking. Ensure it is placed on a flat surface.

If you encounter any issues not covered here, please contact Abdtech customer support for assistance.
