INFANS 3-in-1 Baby Bassinet and Bedside Sleeper Instruction Manual

Model: BC10223

1. INTRODUCTION

Thank you for choosing the INFANS 3-in-1 Baby Bassinet and Bedside Sleeper. This product is designed to provide a safe and comfortable sleeping environment for your newborn or infant. It functions as a standalone bassinet, a bedside sleeper, and a portable crib. Please read this manual thoroughly before assembly and use to ensure proper operation and safety.

2. SAFETY INFORMATION

WARNING: Please use under parental supervision at all times.

- Always ensure the bassinet is placed on a firm, flat surface.
- Do not use the bassinet if any parts are missing, damaged, or broken. Contact customer service for replacement parts.
- The bassinet is suitable for infants from 0-6 months, with a maximum weight capacity of 20 lbs.
- Always use the mattress provided by the manufacturer. Do not add extra padding or mattresses.
- Ensure all locking mechanisms are engaged when the bassinet is in use, especially when used as a bedside sleeper.
- Keep small objects, cords, and blinds away from the bassinet to prevent choking or strangulation hazards.
- This product complies with US CPSIA and ASTM Requirements. It is made of non-toxic materials, free from BPA, PVC, Phthalates, Lead, Latex, and Formaldehyde.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- 1 x Baby Bassinet Frame
- 1 x Travel Bag

- 1 x Mattress
- 2 x Fixing Straps (for bedside sleeper mode)
- 1 x Instruction Manual (this document)

Image: All components included in the package, showing the bassinet, travel bag, mattress, and fixing straps.

4. ASSEMBLY INSTRUCTIONS

The INFANS bassinet is designed for easy assembly without the need for additional tools.

1. Unpack all components from the travel bag.
2. Extend the main frame of the bassinet until it locks into place.
3. Attach the support legs and ensure they are securely fastened.
4. Insert the mattress into the bassinet. Ensure it fits snugly and there are no gaps.
5. If using as a bedside sleeper, refer to Section 5.2 for secure installation.

5. OPERATING INSTRUCTIONS

5.1. Adjusting Height

The bassinet offers 6 adjustable height positions to match various bed heights, ranging from 30" to 34.5" (overall height) or 22" to 26" (recommended adult bed height from floor).

1. Locate the height adjustment buttons on the side of the bassinet frame.
2. Press the buttons and simultaneously raise or lower the bassinet to the desired height.
3. Ensure both sides are adjusted to the same height and lock securely into place before placing the infant inside.

6 Adjustable Height Positions

5.2. Bedside Sleeper Mode

To use the bassinet as a bedside sleeper:

1. Adjust the bassinet height to match your adult bed.
2. Lower one side of the bassinet mesh wall by unzipping and securing it.
3. Position the bassinet next to your bed. The retractable silent wheels and telescopic feet allow for a close fit.
4. Secure the bassinet to your adult bed using the two provided fixing straps. Place the straps under your mattress and attach them to the bassinet frame as shown in the diagram.
5. Ensure the bassinet is firmly attached and there are no gaps between the bassinet and the adult bed.

Secure Installation Next to Your Bed

5.3. Mobility and Storage

The bassinet features 4 lockable universal wheels for easy movement between rooms. The extra-large storage basket at the bottom provides convenient access to baby essentials.

- To move the bassinet, unlock the wheels.
- To secure the bassinet in place, engage the wheel locks.
- The bassinet can be easily folded and stored in the included travel bag for portability.

6. MAINTENANCE AND CARE

- **Mattress:** The included mattress is designed for comfort and spinal support. It is waterproof, breathable, and the cover is washable. Follow care instructions on the mattress label.
- **Fabric Components:** Hand wash only. Do not bleach, tumble dry, or iron.
- **Frame:** Wipe clean with a damp cloth and mild soap. Dry thoroughly.
- **Mesh:** The all-mesh design promotes air circulation. The zippered cover design allows for removable mesh for regular cleaning.
- Regularly inspect the bassinet for any signs of wear, damage, or loose parts.

7. TROUBLESHOOTING

- **Bassinet not stable:** Ensure all frame components are fully extended and locked into place. Check that the support legs are securely attached.
- **Difficulty adjusting height:** Ensure the height adjustment buttons are fully depressed while adjusting. Check for any obstructions.
- **Bassinet not fitting snugly to adult bed:** Verify that the height is correctly matched and the fixing straps are tightened securely. Ensure telescopic feet are extended as needed.

If you encounter any issues not listed here, please contact INFANS customer support.
