# Madesa Luke 2-Door Sliding Wardrobe - Assembly and Care Manual

Model: XI104409A

## 1. PRODUCT OVERVIEW

The Madesa Luke 2-Door Sliding Wardrobe is designed for efficient storage in bedrooms and home offices. This unit features two smooth-gliding sliding doors, internal shelves, two drawers with metallic slides, and hanging units for clothing. Constructed from engineered wood, it offers a durable and functional storage solution.

### Key Features:

- Two sliding doors for space-saving access.
- Ample internal storage with shelves, drawers, and hanging rods.
- Durable engineered wood construction with a high-resistance polyester paint finish.
- Aluminum rails for smooth door operation.
- Lockable drawer for secure storage.

## 2. SAFETY INSTRUCTIONS

---

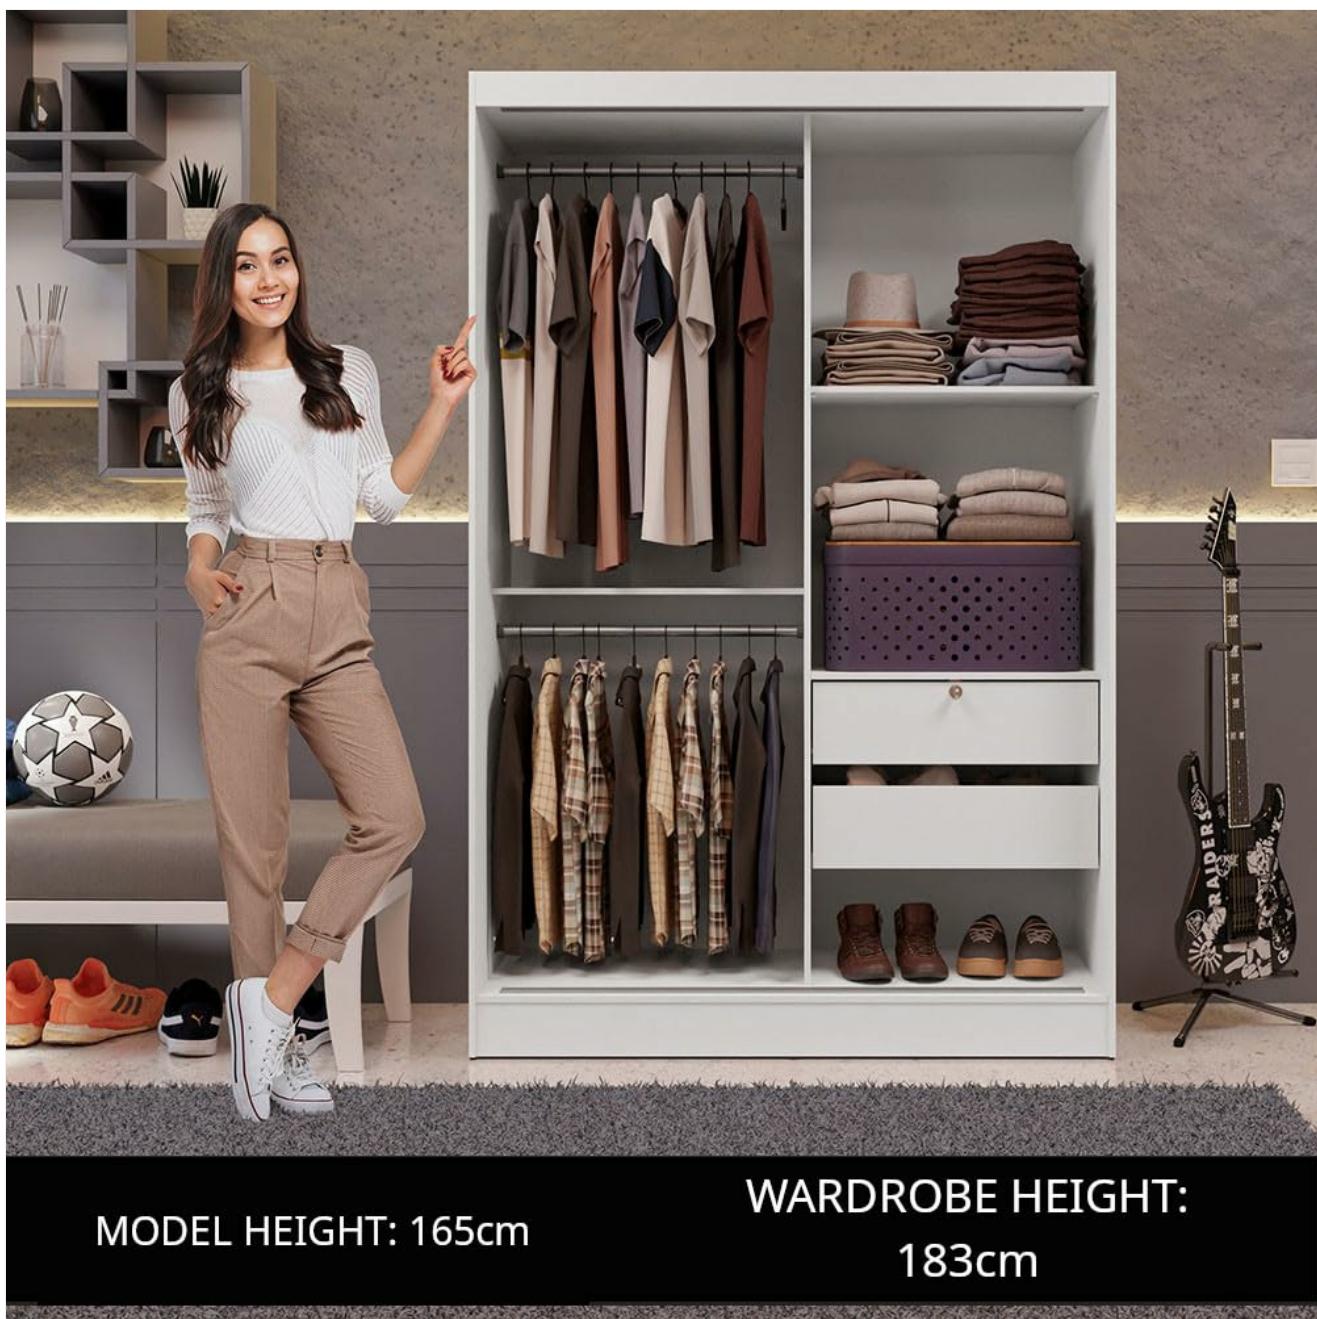

Please read and follow these safety instructions carefully to prevent injury or damage to the product.

- **Two-Person Assembly:** Assembly of this wardrobe requires at least two adults to ensure safety and proper handling of components.
- **Secure to Wall:** To prevent tipping, it is highly recommended to secure the wardrobe to a wall using appropriate anti-tip hardware (not always included, check packaging).
- **Tool Use:** Use only the recommended tools and ensure they are in good working condition.
- **Small Parts:** Keep all small parts, hardware, and packaging materials away from children and pets to avoid choking hazards.
- **Weight Distribution:** Distribute weight evenly across shelves and hanging rods. Do not overload any single section.
- **Level Surface:** Assemble and place the wardrobe on a flat, level, and stable surface.
- **Ventilation:** Ensure adequate ventilation during and after assembly, especially if using adhesives or sealants.

### 3. INCLUDED COMPONENTS

The Madesa Luke Wardrobe is delivered in a knock-down state, meaning it arrives in non-assembled pieces. The package includes:

- All necessary engineered wood panels for the wardrobe structure.
- Two sliding doors.
- Internal shelves.
- Two drawers with metallic slides.
- Hanging rods.
- Aluminum rails for sliding doors.
- All required assembly hardware (screws, dowels, cam locks, etc.).
- Assembly instructions (English).

## 4. SETUP AND ASSEMBLY

---

This product is delivered in a knock-down condition, requiring assembly. Professional installation by a service partner is available and recommended. If you choose to assemble it yourself, please follow the detailed instructions provided in the included assembly manual.

### General Assembly Guidelines:

- 1. Unpack and Inspect:** Carefully unpack all components and check against the parts list in your assembly manual. Report any missing or damaged parts immediately.
- 2. Prepare Workspace:** Clear a spacious, clean, and level area for assembly. Lay down a blanket or cardboard to protect the floor and furniture parts.
- 3. Tools Required:** Typically, you will need a screwdriver (Phillips head), a hammer, and potentially an Allen wrench (often included).
- 4. Follow Instructions:** Adhere strictly to the step-by-step assembly instructions provided with your product. Do not skip steps.
- 5. Secure Connections:** Ensure all screws, dowels, and cam locks are tightened securely, but do not overtighten to avoid damaging the wood.
- 6. Install Sliding Doors:** Carefully install the aluminum rails and then the sliding doors, ensuring they glide smoothly without obstruction.
- 7. Anti-Tip Device:** Install the anti-tip device (if included) to secure the wardrobe to the wall, following the specific instructions.

## 5. OPERATING INSTRUCTIONS

Using your Madesa Luke Wardrobe is straightforward. Follow these guidelines for optimal performance and longevity.

- **Sliding Doors:** To open or close the doors, gently push or pull them along the aluminum rails. Avoid forcing the doors, as this can damage the mechanism. Ensure the path of the doors is clear of obstructions.
- **Drawers:** The drawers are equipped with metallic slides for smooth operation. Pull them out evenly and push them back completely to ensure they are fully closed. The top drawer features a lock for securing valuables.
- **Hanging Units:** Utilize the hanging rods for garments that require hanging. Distribute the weight of clothes evenly across the rods.
- **Shelves:** Place folded clothes, boxes, or other items on the shelves. Avoid placing excessively heavy items on upper shelves to maintain stability.

## 6. MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your Madesa Luke Wardrobe.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Clean up spills immediately with a dry cloth to prevent staining or moisture damage.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Retighten as necessary, but do not overtighten.
- **Environmental Conditions:** Avoid placing the wardrobe in direct sunlight or near heat sources, which can cause fading or warping. Maintain a stable room temperature and humidity level.
- **Humidity and Pests:** The wardrobe features a humidity-resistant finish and is designed to be safe from termites and other wood-damaging pests.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your wardrobe, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Sliding doors stick or do not move smoothly.	Rails are dirty or obstructed; doors are misaligned; hardware is loose.	Clean the aluminum rails. Check door alignment and adjust if necessary. Ensure all door hardware is securely tightened.
Drawers are difficult to open or close.	Drawer slides are obstructed or damaged; contents are overloaded.	Check for obstructions in the drawer slides. Reduce drawer contents if overloaded. Inspect slides for damage.
Wardrobe feels unstable or wobbly.	Not placed on a level surface; assembly hardware is loose; anti-tip device not installed or secured.	Ensure the wardrobe is on a level surface. Retighten all assembly screws. Install and properly secure the anti-tip device to the wall.
Missing or damaged parts during assembly.	Packaging error or transit damage.	Do not proceed with assembly. Contact Madesa customer support or your retailer immediately with your purchase details and part numbers.
