yobola Wireless Earbuds T3

INSTRUCTION MANUAL

Introduction

Thank you for choosing the yobola Wireless Earbuds Model T3. This manual provides essential information for setting up, operating, and maintaining your new earbuds. Please read it thoroughly to ensure optimal performance and longevity of your device.

The yobola T3 earbuds are designed for convenience and high-quality audio, featuring Bluetooth 5.3 connectivity, touch controls, and a comfortable, secure fit for various activities.

Package Contents

Please check the box for the following items:

- yobola Wireless Earbuds (L & R)
- Charging Case with LED Digital Display
- USB Type-C Charging Cable
- Ear Tips (S, M, L sizes)
- User Manual

Product Overview

The yobola T3 earbuds feature a sleek design with ear hooks for a secure fit, making them ideal for sports and active use. The charging case includes an LED display to show battery status.

Setup

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB Type-C cable to the charging port on the case and a power source. The LED digital display on the case will show the charging progress and current battery level. A full charge provides up to 8 hours of playtime for the earbuds, with the case offering an additional 32 hours, totaling 40 hours of playback.

2. Pairing with Your Device

The yobola T3 earbuds feature seamless one-step pairing thanks to Bluetooth 5.3 technology.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Search for available devices and select "yobola T3" (or similar name) from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.
5. After the initial pairing, the earbuds will automatically connect to your device when removed from the case.

Operating Instructions

1. Wearing the Earbuds

The yobola T3 earbuds are designed with flexible and secure-fit ear hooks to ensure they stay comfortably in place, even during strenuous activities. Choose the ear tips (S, M, L) that provide the best seal and comfort for your ears.

1. Select the appropriate ear tip size.
2. Insert the earbud into your ear canal.
3. Rotate the ear hook backward until it sits snugly and comfortably around your ear.
4. Adjust the earbud to a secure and comfortable angle.

2. Touch Controls

The yobola T3 earbuds feature intuitive touch controls for managing audio playback, calls, and voice assistant activation.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.

- **Volume Down:** Triple tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant (Siri):** Press and hold either earbud for 3 seconds.

3. Audio Quality and Calls

Equipped with a 13mm dynamic driver unit, the yobola T3 earbuds deliver Hi-Fi stereo sound with strong bass, clear mids, and bright treble. Built-in microphones ensure high-quality call performance by isolating your voice from surrounding noise, providing seamless and clear conversations.

Hi-Fi Stereo Sound

With 13mm dynamic driver unit, T3 wireless earphones produce powerful bass and crystal clear mids and treble, deliver a surround sound experience.

Comfy & Secure Fit

Steps to Wear

①
Choose suitable earplugs and insert them into ear canal.

②
Rotate backward until the earhook sit nicely.

③
Adjust earbuds to a comfortable and secure angle.

Maintenance

To ensure the longevity and optimal performance of your yobola T3 earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can withstand sweat and raindrops. However, they are not designed for swimming or submersion in water. Ensure they are dry before placing them back in the charging case.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged. Avoid extreme temperatures.

Troubleshooting

If you encounter any issues with your yobola T3 earbuds, try the following solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged. Place them back in the case, close it, then open it again to re-initiate pairing mode. Check your device's Bluetooth settings and try reconnecting.
- **Only one earbud working:** Place both earbuds back in the charging case, close the lid, and then open it again. This should reset their connection. If the issue persists, try re-pairing them with your device.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears and that you are using the correct size ear tips for a good seal. Check the volume levels on both your device and the earbuds.
- **Charging issues:** Ensure the charging cable is securely connected to both the case and the power source. Check the LED display for charging indicators. If the case is not charging, try a different cable or power adapter.
- **Earbuds falling out:** Experiment with different ear tip sizes (S, M, L) to find the most secure and comfortable fit. Ensure the ear hooks are properly adjusted around your ears.

Specifications

Feature	Detail
Model Name	T3
