Parsonver SCW25

Parsonver 2-Pack Smart Watch Charger (SCW25) Instruction Manual

Model: SCW25

INTRODUCTION

This manual provides instructions for the safe and effective use of your Parsonver 2-Pack Magnetic USB Smart Watch Charger (Model SCW25). Please read this manual thoroughly before use and retain it for future reference.

The charger is designed for smartwatches requiring a 2-pin 2.5mm magnetic charging cable. It offers wide compatibility with various smartwatch models, including Parsonver SPR0D1 (SR1), LW45, LW77, AGPTEK LW31, Popglory P22, CanMixs P2, Kalinco P22, Donerton P22 (1.4-inch smartwatches), GRV ZOSKVEE N29, LUOBA TOZDTO i13, WZWNEER DXPICR Y20GT, Iaret i18, Wwzzey P42B, Ypaddbu P58, HM08 H86 for Morepro, Mingtawn Mingwear H76, Nemheng I22, and Pupuskyer P25.

PACKAGE CONTENTS

- 2 x Parsonver Magnetic USB Smart Watch Charging Cables (Model SCW25)

Image: Two Parsonver magnetic USB smartwatch charging cables, illustrating the dual-pack design.

SETUP

- 1. Verify Compatibility:** Before use, ensure your smartwatch requires a 2-pin 2.5mm magnetic charging cable. Measure the distance between the centers of the two magnetic charging ports on your smartwatch; it must be 2.5mm (0.098in).

- 2. Connect to Power Source:** Insert the USB Type A end of the charging cable into a compatible USB power source, such as a computer USB port, a USB wall adapter, or a power bank.
- 3. Attach to Smartwatch:** Align the magnetic charging pins of the cable with the charging contacts on your smartwatch. The strong magnet will secure the connection automatically.

OPERATING INSTRUCTIONS

Once connected, your smartwatch should indicate that it is charging. The magnetic connection ensures stability during the charging process.

- **Secure Connection:** The powerful magnetic system ensures the charger remains securely attached to your smartwatch, preventing accidental disconnections.
- **Fast Charging:** The charger is designed for efficient and fast charging, typically achieving a full charge in approximately 2 hours.
- **Safety Features:** Integrated overcurrent and overvoltage protection circuits safeguard your device during charging. The gold-plated copper core ensures reliable contact.

MAINTENANCE

- Cleaning:** Gently wipe the cable and magnetic contacts with a dry, soft cloth to remove dust or debris. Do not use liquid cleaners.
- Storage:** The flexible PVC cable is designed for easy rolling and storage. Store the cables in a cool, dry place away from direct sunlight and extreme temperatures.

- **Handling:** Avoid bending the cable sharply or applying excessive force to the connectors. Ensure the magnetic pins are correctly connected and secured to the smartwatch without arbitrary movement during charging to maintain optimal performance and safety.

TROUBLESHOOTING

- **Smartwatch Not Charging:**

- Ensure the USB end is fully inserted into a working power source.
- Verify the magnetic pins are correctly aligned and securely attached to your smartwatch's charging contacts.
- Check for any debris or obstruction on the charging pins of both the cable and the smartwatch.
- Confirm your smartwatch model is compatible with a 2-pin 2.5mm charger.
- Try using a different USB power source or a different cable from the 2-pack.

• Slow Charging:

- Ensure the power source provides sufficient output (e.g., a wall adapter typically charges faster than a computer USB port).
- Avoid using the smartwatch while it is charging.

• Loose Magnetic Connection:

- Ensure the charging contacts on both the cable and the smartwatch are clean.
- Avoid placing the smartwatch in a position where the cable might be strained or pulled during charging.

SPECIFICATIONS

Model Number	SCW25
Connector Type	USB Type A to 2-pin 2.5mm Magnetic
Cable Length	60 cm (1.97 ft)
Materials	ABS, PVC, Gold-plated Copper Core
Protection Features	Overcurrent Protection, Overvoltage Protection
Item Weight	0.352 ounces (0.01 Kilograms)
Package Dimensions	6.97 x 3.78 x 0.51 inches

CUSTOMER SUPPORT

Parsonver is committed to providing high-quality products and services. If you encounter any issues during use or have questions regarding compatibility, please do not hesitate to contact our customer service team.

We offer comprehensive customer service to ensure a pleasant and worry-free experience. Online support is available 24/7.
