Box CONTENTS

Verify that all items are present in the package:

- Fastrack Magnus FX1 Smart Watch
- Magnetic Charging Cable
- Quick Start Guide
- Warranty Card

SETUP

1. Initial Charging

Before first use, fully charge your Fastrack Magnus FX1 Smart Watch. Connect the magnetic charging cable to the charging pins on the back of the watch and to a USB power adapter (not included). A full charge typically takes approximately 2.5 hours.

2. App Installation and Pairing

To unlock all features, download and install the **Fastrack Smart World App** on your smartphone.

1. Scan the QR code in the Quick Start Guide or search for "Fastrack Smart World App" in your phone's app store (compatible with iOS 9.0+ and Android 6.0+).
2. Enable Bluetooth on your smartphone.
3. Open the Fastrack Smart World App and follow the on-screen instructions to create an account or log in.
4. Select "Add Device" and choose your Fastrack Magnus FX1 from the list of available devices.
5. Confirm the pairing request on both your watch and smartphone.

OPERATING INSTRUCTIONS

Display and Navigation

The watch features a 1.38-inch TFT UltraVU HD Display with 240x240 resolution and 450 nits brightness, protected by Panda Glass. Navigate using the touchscreen, the functional crown, and side buttons.

- **Touchscreen:** Swipe left, right, up, or down to access different menus and features. Tap to select.
- **Functional Crown:** Rotate to scroll through menus or adjust settings. Press to return to the home screen or confirm selections.
- **Side Button(s):** Typically used for power on/off, screen wake, or quick access to specific functions. Refer to the Quick Start Guide for specific button assignments.

Advanced Health Monitoring

Auto Stress Monitor

24*7 HRM

Sleep Monitor With REM

SpO2

Key Features

- **Bluetooth Calling:** Utilize the SingleSync BT Calling feature with the built-in microphone for clear calls directly from your watch.
- **Watch Faces:** Choose from over 100 cloud-based watch faces via the Fastrack Smart World App to personalize your device.
- **Notifications:** Receive instant notifications for calls, messages, and app alerts directly on your wrist.
- **Sports Modes:** Track your activities with over 100 sports modes, including auto-detection for common exercises. An AI coach provides guidance.
- **Health Monitoring:** Monitor heart rate (24/7), SpO2 (blood oxygen), stress levels, and sleep patterns (including REM sleep). The app also supports women's wellness tracking.
- **Utility Features:** Access in-built games, camera and music controls, SOS calling, a calculator, alarm, Find My Phone, and weather display.
- **Voice Assistance:** Interact with Google Assistant or Siri through your watch.

MAINTENANCE

Cleaning

Regularly clean your watch and strap to prevent skin irritation and maintain functionality. Use a soft, damp cloth to wipe the watch face and strap. Avoid harsh chemicals or abrasive materials.

Water Resistance

The Fastrack Magnus FX1 is IP68 water-resistant, allowing it to withstand immersion in water up to 1.5 meters deep for a limited time. It is suitable for daily use, hand washing, and light rain. Avoid hot water, steam, or prolonged submersion in water, especially saltwater, as this may compromise the seal.

Battery Care

To prolong battery life, avoid extreme temperatures. Charge the watch using only the provided magnetic charging cable. The watch offers up to 5 days of battery life, or 3 days with continuous Bluetooth calling.

TROUBLESHOOTING

If you encounter issues with your Fastrack Magnus FX1 Smart Watch, refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charging cable and a power source.
- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone, then try pairing again through the Fastrack Smart World App.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, about one finger's width above your wrist bone. Clean the sensor area regularly.
- **Notifications not appearing:** Check app permissions on your phone to ensure the Fastrack Smart World App has access to notifications. Verify that notifications are enabled within the app settings.
- **Short battery life:** Reduce screen brightness, limit continuous heart rate monitoring, and disable unnecessary features to extend battery life.

For further assistance, please contact customer support.
