4.2 Step-by-Step Assembly

1. **Assemble the Headboard Frame:** Attach the headboard support legs to the upholstered headboard using the provided screws and washers. Ensure they are securely fastened.
2. **Connect Side Rails:** Assemble the metal side rails by connecting the two sections for each side. Secure them with screws.
3. **Attach Side Rails to Headboard:** Connect the assembled side rails to the headboard frame. Use the appropriate screws and tighten them firmly.
4. **Assemble the Footboard:** Attach the footboard support legs to the upholstered footboard section.
5. **Connect Footboard to Side Rails:** Attach the assembled footboard to the other end of the side rails.
6. **Install LED Lights:** Connect the LED light strip to the headboard and plug in the adapter.
7. **Install Slats:** Place the wooden slats into the designated slots on the side rails. Secure them using the plastic slat holders/caps. Ensure even spacing and secure fit for all slats.
8. **Assemble Storage Drawers:** Assemble the metal baskets for the storage drawers. Attach the wheels to the bottom of each basket.
9. **Insert Drawers:** Slide the assembled storage drawers into the compartments under the bed frame.

5. OPERATING INSTRUCTIONS

5.1 LED Headboard Lights

The LED headboard features customizable lighting options:

- Power On/Off:** Use the provided 17-key remote control or the mobile app to turn the LED lights on or off.
- Color Selection:** Choose from 20 preset light effects and customizable color options via the remote or app.
- Brightness Adjustment:** Adjust the brightness levels to your preference.
- Music Synchronization:** The system allows syncing lighting to music rhythms for an enhanced ambiance.
- Alarm Clock Functionality:** Utilize the mobile app for alarm clock features integrated with the lighting.

5.2 Storage Drawers

The bed frame includes three spacious storage drawers:

- **Access:** Each drawer includes four smooth-gliding wheels for easy opening and closing.
- **Security:** A secure closing clasp keeps drawers firmly in place when not in use, preventing accidental rolling.
- **Capacity:** The drawers provide ample space for extra sheets, pillows, clothing, and other essentials.

Video: A short demonstration of the three storage drawers, highlighting their smooth operation and storage capacity.

5.3 Adjustable Headboard

The upholstered headboard offers two height settings for personalized comfort and back support.

- **Adjustment:** The headboard can be adjusted to two different heights to accommodate various mattress thicknesses

(recommended 8"-12").

- **Comfort:** Customize the position for optimal back support while sitting up in bed.

Your browser does not support the video tag.

Video: A brief demonstration of the adjustable headboard feature, showing how its height can be modified.

6. MAINTENANCE

- **Cleaning:** Wipe the bed frame with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Tighten Fasteners:** Periodically check and tighten all screws and bolts to ensure the frame remains stable and noise-free.
- **Drawer Care:** Keep the drawer wheels free of lint and debris for smooth operation.

7. TROUBLESHOOTING

- **Noise/Squeaking:**

- Ensure all assembly screws and bolts are fully tightened.
- Verify that all wooden slats are properly seated in their plastic holders.
- Check for any loose connections between metal parts and tighten as necessary.

- **LED Lights Not Working:**

- Check if the power adapter is securely plugged into both the wall outlet and the LED strip connector.
- Ensure the remote control has working batteries and is within range (15 meters).
- If using the mobile app, ensure Bluetooth connection is active and the app is correctly paired.

- **Drawers Not Sliding Smoothly:**

- Check for any obstructions under the bed or in the drawer tracks.
- Clean the wheels and tracks to remove any dust or debris.
- Ensure the drawers are not overloaded beyond their capacity.
