Ooni Medium Modular Outdoor Table (UU-P2F100) Instruction Manual

Model: UU-P2F100 | Brand: Ooni

1. PRODUCT OVERVIEW

The Ooni Medium Modular Outdoor Table is a versatile and durable solution for your outdoor cooking needs. Designed to complement Ooni pizza ovens and accessories, this table provides a stable and organized workspace for preparing and cooking. Its robust construction ensures longevity and adaptability to various outdoor conditions.

Key Features:

- **Durable Construction:** Made from robust powder-coated carbon steel with a stainless steel work surface.
- **Adjustable Shelves:** Two height-adjustable shelves provide flexible storage for ingredients, fuel, and accessories.
- **Mobility:** Equipped with two lockable casters for easy movement and secure positioning.
- **Integrated Hooks:** Handy built-in hooks for hanging pizza peels and other cooking tools.
- **Modular Design:** Can be joined with other Ooni tables to expand your outdoor kitchen space.

2. SETUP AND ASSEMBLY

Assembly of the Ooni Modular Table is straightforward. Ensure all components are present and undamaged before beginning. A

power driver can assist with tightening fasteners, but gentle use is recommended to avoid overtightening.

Assembly Steps:

1. Unpack all components and verify against the parts list in your packaging.
2. Attach the legs to the base frame, ensuring all screws are aligned and securely fastened.
3. Install the two height-adjustable shelves at your desired levels. These shelves are designed to accommodate items such as propane tanks or cooking pans.
4. Secure the stainless steel work surface to the top of the frame.
5. Attach the accessory hooks to the side of the table.
6. Install the lockable casters to the bottom of the legs. Ensure they are securely attached for stability and mobility.

3. OPERATING INSTRUCTIONS

The Ooni Modular Outdoor Table is designed to enhance your outdoor cooking experience by providing a dedicated and organized space.

Usage Guidelines:

- **Placement:** Position the table on a stable, level surface. Utilize the lockable casters to secure the table in place during use.
- **Oven Placement:** All Ooni pizza oven models fit securely on the stainless steel work surface. Ensure the oven is centered

and stable.

- **Propane Tank Storage:** A standard propane tank can be stored neatly on the lower shelf, keeping it out of the way while cooking.
- **Accessory Management:** Use the integrated hooks to hang pizza peels, brushes, and other essential tools for easy access.
- **Modular Expansion:** For larger outdoor kitchens, multiple Ooni Modular Tables can be joined together to create an extended workspace.

Image 6: Illustrates the modular capability, with two tables connected to form a larger outdoor cooking area.

4. MAINTENANCE

Proper maintenance will ensure the longevity and optimal performance of your Ooni Modular Outdoor Table.

Cleaning:

- **Stainless Steel Surface:** The stainless steel top is designed to be stain-resistant and can be easily wiped clean with a damp cloth and mild detergent. Avoid abrasive cleaners that may scratch the surface.
- **Carbon Steel Frame:** The powder-coated carbon steel frame can be cleaned with a damp cloth.

Storage:

- While the table is built for outdoor use, covering it when not in use, especially during harsh weather conditions, can help prevent rust and extend its lifespan.
- Ensure the table is clean and dry before covering or storing for extended periods.

5. TROUBLESHOOTING

This section addresses common issues that may arise during the assembly or use of your Ooni Modular Outdoor Table.

Assembly Challenges:

- **Misaligned Holes:** If screw holes do not align perfectly, gently adjust the frame components. Avoid forcing screws, as this can damage threads. Loosen adjacent screws slightly to allow for minor adjustments, then retighten all fasteners once aligned.
- **Frame Twisting/Instability:** Ensure all screws are fully tightened. Uneven tightening can lead to instability. Double-check that all components are correctly oriented according to the assembly instructions.

Mobility Issues:

- **Casters Not Rolling Smoothly:** Check for debris caught in the caster wheels. Ensure the casters are unlocked if you intend to move the table.
- **Casters Not Locking:** Verify that the locking mechanism on each caster is fully engaged.

6. SPECIFICATIONS

Attribute	Detail
Brand	ooni
Model Name	Medium Modular Table
Item Model Number	UU-P2F100
Product Dimensions	31.5"D x 23.62"W x 35.43"H
Size	Medium - 31x22x35 Inch
Material	Stainless Steel, Powder-Coated Carbon Steel
Color	Silver (top), Black (frame)
Item Weight	48 pounds
Maximum Weight Recommendation	110 Pounds

Number of Shelves	2
Special Feature	Built-In Shelf, Lockable Casters, Accessory Hooks
Assembly Required	Yes
