# Melissa & Doug Blockables™ Vehicles Snap and Play

MODEL: 50277 - INSTRUCTION MANUAL

### Introduction

The Melissa & Doug Blockables™ Vehicles Snap and Play set offers connectable, stackable, and playable solid wooden building blocks designed for children aged 2 and older. This 54-piece set provides manipulatives that help preschoolers boost developmental skills such as fine motor coordination, problem-solving, matching, storytelling, and self-esteem. Children can use their imaginations to create various vehicles or combine pieces to make unique creations. The durable wooden construction ensures long-lasting play.

This product is certified by the Forest Stewardship Council (FSC C156584), ensuring materials come from responsibly managed forests.

### What's in the Box

- 18 wooden blocks
- 2 play figures
- 17 connectors
- 3 felt connectors (for wings, propeller, and sail)
- 1 hitch
- 1 windshield
- Illustrated instructions

### Setup and Assembly

The Blockables set is designed for easy assembly, even for small hands. Follow these steps to begin building:

1. **Unpack the Set:** Carefully remove all 54 pieces from the packaging. The sturdy corrugated box can be unfolded to convert into a fun play space, providing a themed backdrop for your creations.
2. **Identify Components:** Familiarize yourself with the various wooden blocks, plastic connectors, felt pieces, and play figures. The illustrated guide provides examples of how to combine these elements.

3. **Connect Blocks:** Use the large, easy-to-grasp connectors to snap the wooden blocks together. The connectors fit securely into the holes on the blocks, allowing for stable constructions.
4. **Add Accessories:** Attach felt wings, propellers, and sails using their built-in connectors to create specific vehicles like airplanes or sailboats. The hitch and windshield pieces can be added to complete other vehicle designs such as tractors or race cars.
5. **Follow the Guide:** Refer to the illustrated guide for step-by-step instructions on how to build a sailboat, airplane, tractor with trailer, and race car.

### Operating Instructions and Play Ideas

Once assembled, the Blockables vehicles are ready for imaginative play. The smooth-rolling wheels allow for dynamic movement, and the included play figures can be placed in the vehicles to enhance storytelling.

- **Mix and Match:** Encourage children to experiment by mixing and matching different blocks and connectors to invent their own unique vehicles and structures. The compatibility with other Blockables sets (sold separately) allows for endless expansion.
- **Role-Play:** Use the play figures to create scenarios and stories around the vehicles. This promotes imaginative play and language development.
- **Utilize Play Space:** Drive the vehicles around the unfolded play space from the box, creating adventures on the road or in the air.

### Care and Maintenance

To ensure the longevity of your Melissa & Doug Blockables set, follow these care instructions:

- **Cleaning:** Wipe wooden blocks and plastic connectors with a damp cloth and mild soap. Do not immerse wooden pieces in water. Allow all parts to air dry completely before storing.
- **Storage:** Store all pieces in the original sturdy box with the handle for easy cleanup and portability. The magnetic closure helps keep all components secure.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discontinue use if any parts are broken or pose a safety risk.

### Troubleshooting

If you encounter any issues with your Blockables set, consider the following:

- **Pieces Not Connecting:** Ensure the plastic connectors are aligned correctly with the holes in the wooden blocks. Apply gentle, even pressure to snap them into place.
- **Lost Pieces:** The set includes 54 pieces. If a piece is missing, check the storage box and play area thoroughly. Additional sets can be purchased to expand your collection.
- **Difficulty with Assembly:** Refer to the illustrated guide for visual step-by-step instructions. Encourage children to experiment and learn through trial and error.
