4. OPERATING INSTRUCTIONS

The jewelry box is designed for versatile organization. Utilize its various compartments and features to keep your jewelry tidy and protected.

4.1 Organizing Jewelry

- **Ring Storage Card Slot:** Use the dedicated padded slots to secure rings and stud earrings.
- **Earring Splint:** Hang dangle or hoop earrings on the perforated panel to prevent tangling.
- **Necklace Hooks:** Utilize the hooks and elastic pouch to store necklaces, keeping them untangled and secure.
- **Removable Partitions:** Adjust the partitions in the main compartment to create custom spaces for bracelets, watches, or larger items.

Organize Scattered Jewelry

5. MAINTENANCE AND CARE

Proper care will ensure the longevity and pristine condition of your jewelry box.

- **Cleaning the Exterior:** The PU leather exterior can be easily wiped clean with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Cleaning the Interior:** The velvet-like interior should be gently dusted with a soft brush or lint roller. Do not use water or liquid cleaners on the interior fabric.
- **Avoid Washing:** This jewelry box is not suitable for machine or hand washing.
- **Storage:** Store the box in a dry place, away from direct sunlight and extreme temperatures, to prevent material degradation.

6. TROUBLESHOOTING

Most issues can be resolved with simple care practices.

- **Jewelry Tangling:** Ensure necklaces are secured with the hooks and placed in the elastic pouch. Use the earring splint for earrings.
- **Stains on Exterior:** For minor stains, wipe immediately with a slightly damp cloth. For stubborn stains, a mild leather cleaner specifically designed for PU leather may be used sparingly. Test on an inconspicuous area first.
- **Odor:** If a new product odor is present, leave the box open in a well-ventilated area for a few hours.
