3. SETUP AND ASSEMBLY

Assembly of the Pamapic Outdoor Dining Set is designed to be straightforward. Please follow these general guidelines:

- Unpacking:** Carefully unpack all components from both boxes. Verify that all parts and hardware are present according to the packing list.
- Chair Assembly:** For chair assembly, identify the two longer screws; these are typically used to attach the arms to the backrest. The remaining screws are for the seat and other connections. An included hex wrench facilitates assembly.
- Table Assembly:** Assemble the dining table and coffee table according to the provided instructions. Ensure all connections are secure.
- Placement:** Position the assembled furniture on a flat, stable surface.

If any parts are missing or damaged, please contact customer service immediately.

4. USAGE AND OPERATION

This dining set is intended for outdoor use, providing a comfortable space for dining and social gatherings.

- **Seating:** The chairs are designed for comfortable seating. Note that the backrest design may feel different for individuals of varying heights.
- **Space-Saving:** When not in use, the chairs can be easily stacked to save valuable outdoor space.
- **Umbrella Integration:** The dining table includes a center hole (1.77 inches diameter) for an umbrella stand, allowing for shade during warmer months.

5. MAINTENANCE

To ensure the longevity and appearance of your Pamapic Outdoor Dining Set, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Weather Resistance:** The aluminum frame and wood-plastic table top are designed to be rust and weather-resistant. However, prolonged exposure to extreme weather conditions may affect the product over time.
- **Storage:** During off-seasons or severe weather, consider storing the furniture indoors or covering it with protective outdoor furniture covers to extend its lifespan.

6. TROUBLESHOOTING

This section addresses common issues you might encounter:

- **Missing Parts/Hardware:** If you find any parts or hardware missing upon delivery, please contact Pamapic customer service immediately for assistance.
- **Assembly Difficulties:** Ensure you are using the correct screws for each part, especially noting the longer screws for chair arm attachments. If assembly remains difficult, double-check the instructions or seek assistance.
- **Stability Issues:** Ensure all bolts and screws are tightened securely. If the furniture wobbles, check that it is placed on a level surface.
- **Damage During Shipping:** In the event of damaged components, document the damage with photographs and contact customer service for resolution.
