› Moimhear Bunk Bed with Slide (Model 32455789) Instruction Manual

Moimhear 32455789

Moimhear Bunk Bed with Slide (Model 32455789) Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the assembly, safe use, and maintenance of your Moimhear Bunk Bed with Slide. This versatile bed features a lower double bed (140x200 cm) and an upper single bed (90x200 cm), designed with a charming house theme including a roof and window bar, and equipped with a three-step ladder and a slide for added functionality. Constructed from durable pine and MDF, this bed is designed for stability and long-lasting use.

Please read all instructions carefully before assembly and retain this manual for future reference.

SAFETY INFORMATION

- **Weight Limit:** Do not load the bed with more than 100 kilograms (220 lbs) per sleeping area.
- **Assembly:** Always follow the assembly instructions precisely to ensure structural stability and prevent instability.
- **Supervision:** Children using the upper bunk or slide should always be supervised by an adult.
- **Guardrails:** Ensure all guardrails are securely in place before use.
- **Mattress Size:** Use only mattresses of the specified size to prevent gaps that could entrap a child.
- **No Jumping:** Do not allow jumping on the bed.
- **Clear Area:** Keep the area around the slide clear of obstructions.

PACKAGE CONTENTS

Your Moimhear Bunk Bed is delivered in three separate packages. It is normal for these packages to arrive at

different times. Please ensure you have received all packages and checked their contents against the parts list provided in the separate assembly guide before beginning assembly.

Typical components include:

- Bed frame components (pine and MDF panels, beams)
- Ladder steps and supports
- Slide components
- Bed slats for both upper and lower bunks
- Hardware kit (screws, bolts, nuts, dowels, Allen keys)
- Assembly instructions

SETUP AND ASSEMBLY

Assembly of the Moimhear Bunk Bed requires two adults. Please follow the detailed assembly instructions provided in the separate guide included with your packages. Ensure you have adequate space and all necessary tools (typically a screwdriver and the provided Allen key) before starting.

Key Assembly Steps:

1. **Unpack and Verify:** Carefully unpack all three packages and verify that all parts and hardware are present according to the parts list.
2. **Assemble Lower Bed Frame:** Begin by assembling the frame for the lower double bed (140x200 cm).

3. **Assemble Upper Bed Frame:** Construct the frame for the upper single bed (90x200 cm), including the house-shaped roof and window bar.
4. **Attach Ladder and Slide:** Securely attach the three-step ladder and the slide to the upper bunk structure.
5. **Install Slats:** Place and secure the wooden slats for both the upper and lower bunks.
6. **Final Checks:** Ensure all screws, bolts, and connections are tightened securely. Do not overtighten.

Refer to the dimension diagram below for overall measurements and specific component sizes to aid in assembly and placement.

Image: A technical diagram illustrating the dimensions of the bunk bed in centimeters, including the overall length (210 cm), width (227 cm), height (216 cm), and specific measurements for the upper and lower bunks, ladder, and slide.

USAGE GUIDELINES

Sleeping Areas:

- **Upper Bunk:** Designed for a single mattress of 90x200 cm. Suitable for older children who can safely use a bunk bed.

- **Lower Bunk:** Designed for a double mattress of 140x200 cm.
- Ensure mattresses fit snugly within the frame to prevent gaps.

Ladder and Slide:

- The three-step ladder provides safe access to the upper bunk. Always use the ladder for climbing up.
- The slide is intended for recreational use. Ensure the area at the bottom of the slide is clear before use.
- Only one child should use the slide at a time.

Image: A close-up of the house-themed upper bunk, showing the decorative roof and window opening, which adds to the playful design of the bed.

CARE AND MAINTENANCE

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Hardware Check:** Periodically check all bolts, screws, and connections to ensure they remain tight. Retighten as necessary to maintain stability.
- **Inspection:** Regularly inspect the bed for any signs of wear, damage, or loose parts. Address any issues promptly.
- **Ventilation:** Ensure adequate ventilation around the mattress to prevent moisture buildup.

TROUBLESHOOTING

Bed feels unstable or wobbly:

- Ensure all assembly hardware (screws, bolts) are fully tightened. Do not overtighten.
- Verify that all components are correctly aligned according to the assembly instructions.
- Check that the bed is placed on a flat, level surface.

Squeaking noises:

- Tighten all hardware. Loose connections are a common cause of squeaking.
- Ensure mattress slats are properly seated and not rubbing against the frame.

PRODUCT SPECIFICATIONS

Feature	Specification
Model Number	32455789
Brand	Moimhear
Color	White
Overall Dimensions (L x W x H)	210 x 227 x 216 cm (82.7 x 89.4 x 85 inches)
