nanoblock NBMC_71S

nanoblock mininano Christmas Series Instruction Manual

Model: NBMC_71S

1. Introduction

Thank you for purchasing the nanoblock mininano Christmas Series. This product allows you to build miniature, highly detailed models of various Christmas-themed characters and objects using nanoblock's micro-sized building blocks. Each box contains 6 blind packages, ensuring you collect all 6 unique designs. Additionally, a special bonus model, the "Christmas House," can be assembled by combining extra parts found in each of the 6 main models.

2. Important Safety Warnings

WARNING: CHOKING HAZARD - SMALL PARTS. This product contains small parts and is not suitable for children under 3 years old. Keep all parts out of reach of young children to prevent accidental ingestion.

- Recommended age for assembly: 12 years and older.
- Do not put blocks in your mouth.
- Do not throw or swing blocks.
- Dispose of packaging materials properly.

3. Package Contents

Each nanoblock mininano Christmas Series BOX (Model: NBMC_71S) contains the following:

- 1 x Display Box (containing 6 individual blind packages)
- 6 x Individual Blind Packages, each containing:

- Building blocks for one mininano Christmas model (Santa Claus, Snowman, Reindeer, Christmas Tree, Christmas Presents, or Cake & Champagne).
- Assembly instructions for the specific model.
- Bonus part for the "Christmas House" model.

4. Assembly Instructions

4.1 Assembling Individual Models

1. Open one blind package. Carefully remove all nanoblock pieces and the instruction sheet.
2. Refer to the included instruction sheet for your specific model. Each sheet provides detailed, step-by-step diagrams for assembly.
3. Identify the different block shapes and colors. nanoblocks are very small, so careful handling is advised.
4. Follow the diagrams precisely, attaching blocks one by one. Ensure blocks are firmly connected.
5. Once assembly is complete, verify that your model matches the image on the instruction sheet.

4.2 Assembling the Bonus Christmas House

Each of the 6 individual mininano packages includes a unique bonus part. Once you have collected all 6 mininano models, you can combine these bonus parts to construct a special "Christmas House" model.

- Collect all 6 mininano Christmas models to obtain all necessary bonus parts.
- The assembly diagram for the "Christmas House" is not included in the physical packages. It can be accessed online.
- To view the "Christmas House" assembly diagram, please visit the following URL:nanoblock Christmas House Instructions (*Note: This is a placeholder URL. Please refer to the URL provided in your product's original packaging or official nanoblock website for the actual instructions.*)

5. Care and Maintenance

- **Cleaning:** To clean your nanoblock models, gently wipe them with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, but ensure no water enters small crevices. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store assembled models and loose blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Handling:** Due to their small size, handle nanoblocks with care to avoid losing pieces.

6. Troubleshooting

- **Missing Pieces:** While rare, if you find a piece missing from your package, please contact Kawada customer support with your product details and proof of purchase.

- **Difficulty Assembling:**
  - Double-check the instruction diagrams carefully.
  - Ensure you are using the correct block shapes and colors for each step.
  - Sometimes, rotating a block or the model can help with alignment.
- **Loose Connections:** Ensure blocks are pressed firmly together until you feel a secure connection.

7. Product Specifications

Attribute	Detail
