# Sauder Select Horizontal Storage Cabinet Model 433932 Instruction Manual

Chalk Oak Finish

## 1. PRODUCT OVERVIEW

The Sauder Select Horizontal Storage Cabinet, Model 433932, is designed to provide versatile storage solutions with an elegant aesthetic. This cabinet features three framed doors, adjustable shelves, and hidden compartments, making it suitable for various household items.

Key features include:

- Three doors with dark, contrasting hardware.
- Adjustable shelves for flexible storage configurations.
- Accommodates 12" x 12" storage bins (sold separately).
- Spacious top surface for display.
- Chalk Oak finish.
- Dimensions: 47.72" W x 15.51" D x 30.00" H.

## 2. SETUP AND ASSEMBLY

This product requires assembly. Please follow the detailed instructions provided in the assembly manual included with your purchase. The assembly process involves using a cam and dowel fastening system and attaching the back panel to the unit.

### **Important Assembly Notes:**

- Carefully inspect all parts for any damage before beginning assembly. Contact Sauder directly for replacement parts if needed.
- Pay close attention to the orientation of each piece as indicated in the assembly manual to avoid errors. Incorrect orientation of components, such as the bottom shelf, can affect the final structure and appearance.
- Ensure all fasteners are securely tightened according to the instructions to maintain the unit's stability and sturdiness.

### 3. OPERATING INSTRUCTIONS

The Sauder Select Storage Cabinet is designed for straightforward use. Its primary function is to provide organized storage for various items.

Figure 4: Cabinet with one door open, showing interior access.

### 3.1. Adjustable Shelves

The cabinet features adjustable shelves behind its three doors. These shelves can be repositioned to accommodate items of different heights. To adjust a shelf:

1. Empty the shelf of all contents.
2. Carefully lift the shelf to remove it from its current support pegs.
3. Insert the support pegs into the desired holes on the cabinet sides. Ensure pegs are level and fully inserted.
4. Place the shelf onto the new support pegs, ensuring it is stable before placing items back.

## 4. MAINTENANCE

---

To ensure the longevity and appearance of your Sauder Select Storage Cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the wood finish.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.
- **Weight Distribution:** Distribute weight evenly across shelves to prevent bowing or structural stress. The maximum weight limit for the unit is 200 pounds.

## 5. TROUBLESHOOTING

---

If you encounter issues with your Sauder Select Storage Cabinet, consider the following:

## 5.1. Damaged or Missing Parts

If any parts are damaged upon arrival or missing from the package, do not proceed with assembly. Contact Sauder customer support directly for replacement parts. You will typically need your instruction manual and order number for assistance.

## 5.2. Assembly Difficulties

If you experience difficulty during assembly, double-check the instruction manual for correct part orientation and fastener placement. Minor errors in assembly can sometimes lead to instability or misalignment. If a part is incorrectly installed and cannot be easily corrected, contact customer support for guidance.

## 5.3. Stability Issues

Ensure the cabinet is placed on a level surface. Verify that all cam locks and dowels are fully engaged and tightened according to the assembly instructions. Uneven weight distribution can also affect stability; redistribute items if necessary.

## 6. SPECIFICATIONS
