# chartustriable LED TV Stand Instruction Manual

Model: chartustriable led tv stands

For 55in+Outlets+led light for 65in TV Black Led Tv Stands

## 1. INTRODUCTION

Thank you for choosing the chartustriable LED TV Stand. This modern entertainment center is designed to enhance your living space with its high-gloss finish, integrated power outlets, and dynamic RGB LED lighting. It provides stable support for televisions up to 65 inches and offers versatile storage solutions for your media devices and accessories.

This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal performance and longevity of your TV stand. Please read all instructions carefully before beginning assembly or operation.

## 2. SAFETY INFORMATION

While no specific safety warnings were provided, please observe the following general safety guidelines during assembly and use:

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload the TV stand or its shelves beyond their stated weight capacities. The main desktop supports up to 230 pounds, and tempered glass shelves support up to 30 pounds.
- Keep small parts and packaging materials away from children and pets.
- Position the TV stand on a level surface to prevent tipping.
- Ensure proper ventilation around electronic devices placed on the stand.
- The power outlet is ETL certified. Do not exceed the electrical ratings of the integrated power strip.

## 3. PACKAGE CONTENTS

Before assembly, please verify that all components are present and undamaged:

- 1 x TV Stand (Disassembled Components)
- 1 x Remote Control (for LED Lights)

- 1 x LED Lights Strip
- 1 x Power Outlet Unit
- 1 x 5V 2A Plug (for LED Lights)
- 1 x Installation Manual (this document)
- All necessary tools and hardware (screws, connectors, etc.)

## 4. ASSEMBLY INSTRUCTIONS

The chartustriable LED TV Stand is designed for straightforward assembly. All parts and screws are labeled to correspond with the step-by-step instructions provided in the included installation manual. Please follow these instructions carefully.

**Important Note:** The high-gloss surfaces of the TV cabinet are protected by a white plastic protective film. This film should be peeled off **after** the assembly is complete to prevent accidental damage during the process.

Figure 4.1: Tempered glass storage shelf can be easily disassembled for better placement of large items.

Figure 4.2: The position of the tempered glass shelves can be adjusted to three different positions according to the size of the items.

For detailed, step-by-step assembly, refer to the separate installation manual included in your package. Ensure all connections are secure before placing any items on the stand.

## 5. OPERATING INSTRUCTIONS

### 5.1. LED Lighting System

The integrated LED lighting system offers extensive customization to enhance your viewing or gaming experience. It features over 70,000 colors and 30 flashing modes.

- **Control:** The LED lights can be controlled via the included wireless remote control or a mobile phone application (APP). Refer to the LED light manual for APP download and pairing instructions.
- **Modes:** The system supports four primary modes: RGB color, microphone mode, timing mode, and music mode.
- **Microphone/Music Mode:** In these modes, the LED light color changes dynamically with the rhythm of sound and music, creating an immersive atmosphere.

- **Timing Function:** Use the timing function to set a specific time for the LED lights to automatically turn off.

## LED TV STANDS WITH RGB LED LIGHTS

THE TV STANDS COMES WITH RGB LED LIGHT, REMOTE CONTROL VIA APP, OVER 60000 COLORS AND 29 FLASHING MODES FOR YOU TO CHOOSE

## 5.2. Integrated Power Outlets

The TV stand is equipped with a convenient power strip on the desktop, providing easy access to power for your electronic devices.

- **Outlets:** Includes 2 USB ports (5V/2.1A) and 2 AC power outlets (125V/12A).
- **Power Cord:** Features a long 6.5-foot power cord for flexible placement.
- **Certification:** The power outlet unit has obtained ETL certification, ensuring safety standards.
- **Cable Management:** A dedicated hole on the back of the stand allows for organized routing and concealment of various cables, maintaining a tidy appearance.

### 5.3. Storage Space

The entertainment center provides ample storage for your media components and other items.

- **Dimensions:** The stand measures 55 x 14 x 19.76 inches (L x W x H), suitable for TVs ranging from 32 to 65 inches.
- **Adjustable Shelves:** Features 3 layers of height-adjustable tempered glass shelves on both sides. These shelves can be removed or adjusted to different heights to accommodate various item sizes, such as DVDs, stereos, game consoles, and decorative items.

## 6. MAINTENANCE AND CARE

To maintain the appearance and longevity of your chartustriable LED TV Stand, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the high-gloss finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent water damage to the wood material.
- **Protective Film:** Remember to remove the white plastic protective film from the high-gloss surfaces after assembly.

## 7. TROUBLESHOOTING

If you encounter any issues with your TV stand, consider the following common troubleshooting steps:

- **Wobbly Stand:** Ensure all screws and fasteners are fully tightened. Check that the stand is placed on a level

surface.

- **LED Lights Not Working:** Verify that the LED light strip is properly connected to the 5V 2A plug and that the plug is securely inserted into a working power outlet. Check the remote control battery. Ensure the APP is correctly paired if using APP control.
- **Power Outlets Not Functioning:** Confirm the main power cord is securely plugged into a wall outlet. Check if the wall outlet itself is working by testing with another device.
- **Scratches on Surface:** If the protective film was not removed carefully, minor scratches might occur. For deeper scratches, consider touch-up pens designed for high-gloss furniture (test in an inconspicuous area first).

If problems persist, please contact chartustriable customer support for assistance.

## 8. SPECIFICATIONS

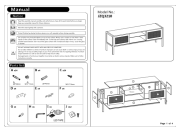

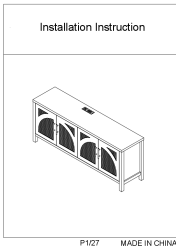

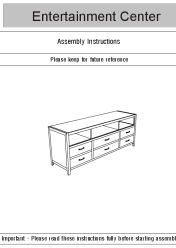

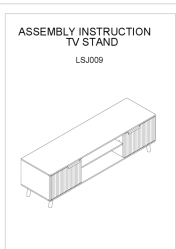

Feature	Detail
Brand	chartustriable
