## WHAT'S IN THE BOX

---

Verify that all items are present in your product packaging:

- OnePlus Nord 4 5G Phone
- Power Adapter (100W SUPERVOOC)
- USB Cable
- SIM Tray Ejector
- Phone Case

## SETUP

---

### 1. Inserting the SIM Card

1. Locate the SIM card tray on the side of your device.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press firmly until the tray pops out.
3. Place your Nano SIM card(s) into the tray with the gold contacts facing down. The OnePlus Nord 4

5G supports Dual SIM.

4. Carefully reinsert the SIM tray into the phone.

## 2. Initial Power On and Configuration

- Press and hold the Power button until the OnePlus logo appears.
- Follow the on-screen instructions to select your language, connect to Wi-Fi, and set up your Google account.
- Configure security features such as fingerprint recognition and a screen lock.

## OPERATING YOUR DEVICE

### OxygenOS 15

Your OnePlus Nord 4 5G runs on OxygenOS 15, offering a clean, fluid, and feature-rich user experience. This operating system is optimized for speed and multitasking, with intuitive gestures and smart features.

### Performance

Equipped with the Qualcomm Snapdragon 7 Plus Gen 3 processor and LPDDR5X memory, the device

delivers robust performance for gaming, multitasking, and AI applications. It is designed to handle demanding tasks smoothly.

### AI FEATURES

The device integrates several AI-powered features to enhance photography and productivity.

- **AI Best Face:** Automatically corrects blinking or undesirable expressions in photos.
- **AI Eraser:** Removes unwanted objects or people from your images with a single tap.
- **AI Smart Cutout:** Creates stickers from images or saves selected objects for creative photo editing.
- **AI Audio Summaries:** Summarizes lectures and meetings, capturing key points.
- **AI Article Summaries:** Generates concise summaries from webpages and apps for quicker reading.

## BATTERY AND CHARGING

The OnePlus Nord 4 5G is equipped with a high-capacity battery and rapid charging technology.

- **Battery Capacity:** 5500 mAh Lithium-Ion battery.
- **Charging:** 100W SUPERVOOC Fast Charging, capable of charging the device from 0% to 100% in approximately 28 minutes.
- **AI Battery Health Engine:** Optimizes battery performance and extends its lifespan up to 4 years.

Image: Diagram illustrating the 100W SUPERVOOC fast charging technology and the internal structure of the 5500mAh battery.

## DISPLAY

Experience vibrant visuals and smooth interactions with the advanced display technology.

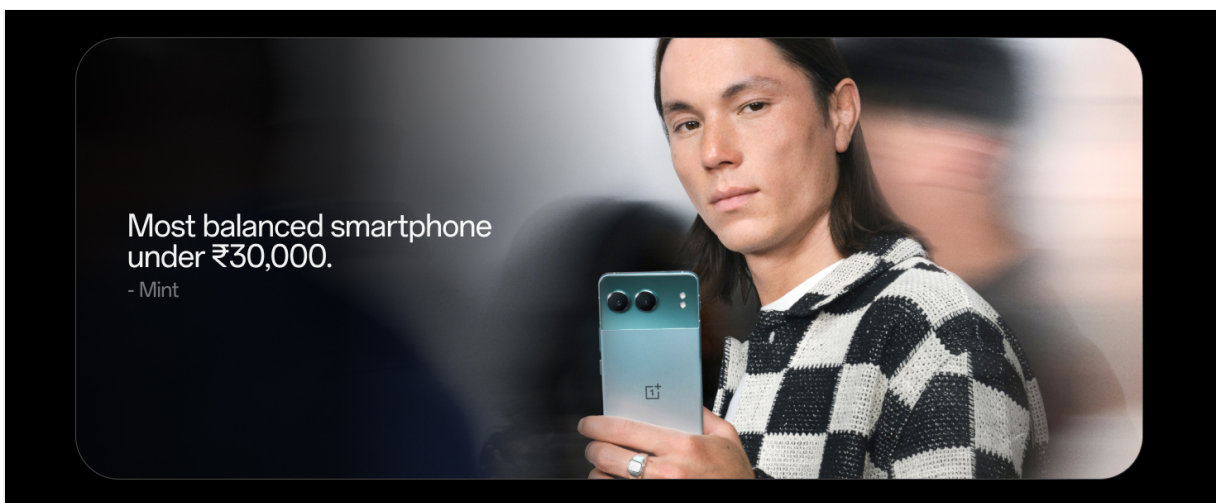

- **Type:** 6.74-inch AMOLED display.
- **Resolution:** 2772 x 1240 pixels (1.5K resolution).
- **Refresh Rate:** 120 Hz for smooth scrolling and animations.
- **Brightness:** Up to 2150 nits peak brightness.
- **Aqua Touch:** Enhanced touch responsiveness, even with wet fingers.

OnePlus Nord 4 packs some very useful AI chops.

- Stuff India

## MAINTENANCE

Proper care ensures the longevity and optimal performance of your OnePlus Nord 4 5G.

- **Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid abrasive materials or harsh chemicals.
- **Water Resistance:** The device is water resistant. However, avoid intentional submersion or exposure to high-pressure water.
- **Temperature:** Operate the device within recommended temperature ranges to prevent damage.
- **Software Updates:** Regularly install OxygenOS updates to benefit from performance improvements, new features, and security patches.

## TROUBLESHOOTING

This section addresses common issues you might encounter with your device.

Problem	Solution
---------	----------

Problem	Solution
Device not powering on	Ensure the battery is charged. Connect to the 100W SUPERVOOC charger for at least 15 minutes, then attempt to power on. If unresponsive, perform a force restart by holding the Power button and Volume Down button simultaneously for 10-15 seconds.
Slow performance or app crashes	Close background applications. Clear cache for problematic apps. Restart the device. Ensure your OxygenOS is updated to the latest version.
Battery draining quickly	Check battery usage in settings to identify power-hungry apps. Reduce screen brightness, disable unnecessary features like GPS or Bluetooth when not in use. Enable battery saver mode. The AI Battery Health Engine helps optimize battery life over time.
Network connectivity issues (Wi-Fi/5G)	Toggle Wi-Fi or mobile data off and on. Restart your router for Wi-Fi issues. Ensure your SIM card is properly inserted and your mobile plan is active. Reset network settings if problems persist.
Fingerprint sensor not working	Ensure your finger is clean and dry. Re-register your fingerprints in the security settings. Ensure the screen is clean and free of damage in the sensor area.

For further assistance, refer to the support section or contact customer service.

## SPECIFICATIONS

Feature	Detail
Brand	OnePlus
Model	Nord 4 5G

## WARRANTY AND SUPPORT

### Warranty Information

The OnePlus Nord 4 5G comes with a **1-year manufacturer warranty** for the device and 1 year for in-box accessories, including batteries, from the date of purchase.

Additionally, OnePlus provides a **Lifetime Display Warranty** for industry-wide green line issues. Users experiencing green line issues on their screens are entitled to free screen replacement within the parts supply period. This service does not cover damage caused by human or external factors. Specific terms will be based on the conditions at the service center on the day of service. OnePlus reserves the right of final interpretation regarding this service.
