Fogein LG4108-W2

Fogein Metal Arch Backdrop Set Instruction Manual

Models: LG4108-W2 (7.3FT & 6FT Arches)

1. INTRODUCTION

Thank you for choosing the Fogein Metal Arch Backdrop Set. This manual provides detailed instructions for the safe assembly, operation, and maintenance of your 7.3FT and 6FT metal arch stands. Please read these instructions carefully before assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Stable Placement:** Always ensure the arch stands are placed on a flat, stable surface. Uneven ground can compromise stability.
- **Outdoor Use:** When used outdoors, secure the bases with the provided ground stakes or additional weights to prevent tipping in windy conditions.
- **Weight Distribution:** Avoid hanging excessive weight or unevenly distributing decorations, as this can cause the arch to become unstable.
- **Regular Inspection:** Periodically check all connections and screws to ensure they remain tight and secure.
- **Storage:** Disassemble and store the arches in a dry, safe place to prevent damage and rust.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present for both the 7.3FT and 6FT arch stands.

Product Accessories List

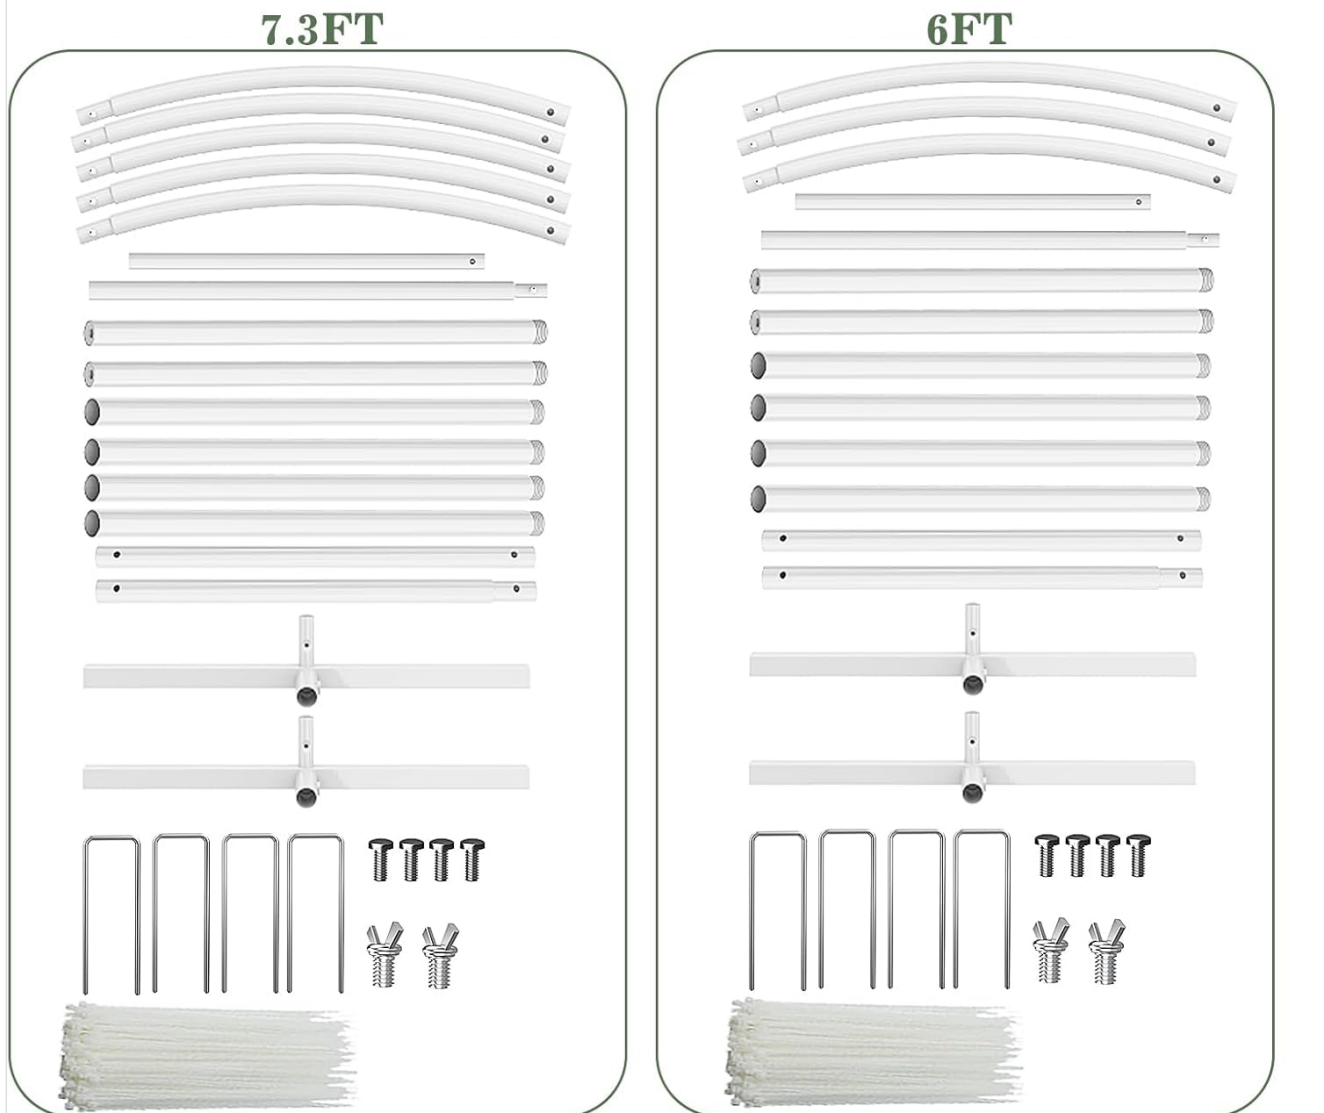

Figure 3.1: Product Accessories List for 7.3FT and 6FT Arches

Component	Quantity (7.3FT Arch)	Quantity (6FT Arch)
Curved Arch Pipes	8	8
Straight Vertical Pipes	8	8
T-shaped Base Tubes	2	2
Bottom Horizontal Pipes	2	2
Ground Stakes (U-shaped)	4	4
Screws & Wing Nuts	Sufficient quantity	Sufficient quantity
Cable Ties	Sufficient quantity	Sufficient quantity

4. ASSEMBLY INSTRUCTIONS

Assembly can typically be completed by one person in a few minutes. Follow these steps for each arch stand.

Figure 4.1: Overview of Assembly Steps

1. Assemble the Arch Frame:

Connect the curved and straight pipes together to form the arch shape. Each pipe segment has pre-drilled holes. Align these holes and secure the connections using the provided screws and wing nuts. Ensure all connections are tight for structural integrity.

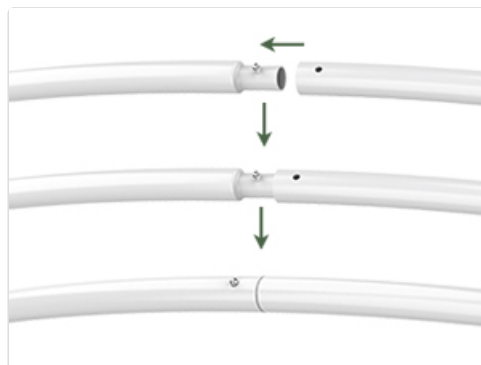

Figure 4.2: Arch Pipe Connection Detail

2. Attach the Base:

Insert the vertical ends of the assembled arch frame into the upright sockets of the T-shaped base tubes.

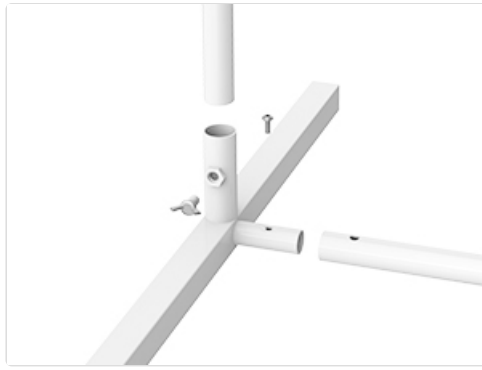

Figure 4.3: Base Connection Detail

3. Connect Bottom Horizontal Pipes:

Slide the bottom horizontal pipes into the side openings of the T-shaped base tubes. Secure these connections with screws and wing nuts. These pipes enhance the overall stability of the arch.

4. Final Check:

Ensure all screws are tightened and the arch stands firmly without wobbling.

5. USAGE GUIDELINES

The Fogein Metal Arch Backdrop Set is designed for various event decorations, offering a versatile framework for creative displays.

Figure 5.1: Assembled Arch Backdrops with Decorations

5.1 Decorating Your Arch

- Use the provided cable ties to attach balloons, flowers, greenery, fabric drapes, or other decorative elements.
- Consider the theme of your event (wedding, birthday, baby shower, graduation) to select appropriate decorations.
- Ensure decorations are evenly distributed to maintain the arch's balance.

5.2 Outdoor Stability

For outdoor events, especially on lawns or soft ground, utilize the U-shaped ground stakes to anchor the arch bases firmly into the soil. This significantly enhances stability and prevents movement due to wind.

MORE STABLE OUTDOORS

WARM TIPS

If you want to use it outdoors, you can insert it into the soil where there is a lawn to prevent the balloon arch from shaking and make it more stable.

6. MAINTENANCE

- **Cleaning:** Wipe down the metal frame with a soft, damp cloth. Avoid abrasive cleaners that could damage the finish.
- **Inspection:** Before and after each use, inspect all pipes and connections for any signs of damage, bending, or loose screws.
- **Storage:** Disassemble the arches into their component parts. Store them in their original packaging or a protective bag in a dry environment to prevent rust and prolong product life.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Arch is wobbly or unstable	Loose connections; uneven ground; insufficient anchoring (outdoor)	Tighten all screws and wing nuts. Ensure placement on a flat surface. Use ground stakes or additional weights for outdoor use.
Parts do not fit together	Incorrect orientation of pipes; manufacturing defect	Review assembly steps and ensure pipes are oriented correctly. If parts are clearly defective, contact customer support.
Missing components	Packaging error	Refer to the 'Package Contents' section and contact customer support with details of missing parts.
Arch appears crooked after assembly	Pipes not fully seated; base not level; slight manufacturing tolerance	Ensure all pipe connections are fully engaged and secured. Verify the base is on a perfectly level surface. Minor adjustments may be possible by slightly loosening and re-tightening screws while applying gentle pressure to align.

8. SPECIFICATIONS

Feature	Detail
Brand	Fogein
Model Number	LG4108-W2
Arch Sizes	7.3FT (Height) x 4FT (Width), 6FT (Height) x 2.6FT (Width)
Material	High-quality Metal
Color	White
Total Item Weight	Approximately 8.73 pounds (3.97 kg)
Product Dimensions (Overall)	87.6 x 87.6 x 0.04 inches (assembled, for largest arch)
