HOGOKIDS 662008B

HOGOKIDS Sunflower Building Set with Lights (Model 662008B)

Instruction Manual

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your HOGOKIDS Flowers Sunflower Building Set with Lights. Please read carefully before beginning assembly to ensure a smooth and enjoyable building experience. This set allows you to create a beautiful 3D sunflower artwork with integrated lighting, suitable for display as wall art or a desktop decoration.

Safety Information

WARNING: CHOKING HAZARD
This product contains small parts and is not suitable for children under 3 years of age. The manufacturer recommended age for assembly is 10 years and up. Keep all small components away from young children and pets to prevent accidental ingestion.
Ensure a clean, well-lit, and organized workspace during assembly to prevent loss of small pieces and to facilitate clear visibility of instructions.

Package Contents

Before starting assembly, verify that all components are present. Your HOGOKIDS Sunflower Building Set includes:

- 807 pieces of mini building blocks
- Complete display frame
- Lighting components (LEDs, wiring)
- Instruction Manual

Note: 2x1.5V AAA batteries or a USB cable for the lighting system are not included and must be purchased separately.

Assembly Instructions

Follow the detailed, step-by-step instructions provided in the included printed instruction booklet. The following visuals offer additional guidance and highlight key features of the assembly process.

Image: A person assembling the sunflower blocks, with the instruction manual and loose blocks visible, demonstrating the building process.

Image: Detailed views showing the intricate sunflower block assembly, the vase structure, and the integrated light switch with USB connection points.

Image: A visual guide demonstrating how to install the lighting strip into the frame and connect it via USB or batteries.

Video: This video demonstrates the assembly process and features of the HOGOKIDS Sunflower Building Set, including the integration of the lighting system.

Image: An illustration showing the overall dimensions of the assembled frame and a comparison of the 3.6mm mini blocks with standard block sizes.

Operating Instructions

The integrated lighting system enhances the visual appeal of your sunflower artwork. To operate the lights:

1. **Power Source:** The lighting system can be powered by either 2x1.5V AAA batteries (not included) or a USB cable (not included).
2. **Battery Installation:** If using batteries, locate the battery compartment on the back or side of the frame. Insert two AAA batteries, ensuring correct polarity (+/-).
3. **USB Connection:** If using a USB cable, connect one end to the USB port on the frame and the other end to a compatible USB power source (e.g., wall adapter, computer, power bank).
4. **Turn On/Off:** Locate the power switch on the side or back of the frame. Toggle the switch to turn the lights ON or OFF.

Maintenance and Care

To ensure the longevity and appearance of your HOGOKIDS Sunflower Building Set:

- **Cleaning:** Gently wipe the assembled set and frame with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the plastic components or electrical parts.
- **Storage:** Keep the set away from direct sunlight and extreme temperatures to prevent discoloration, warping, or degradation of the plastic blocks.
- **Handling:** Handle the assembled artwork with care, especially when moving or adjusting its display position.
- **Loose Blocks:** If any blocks become loose over time, reattach them firmly. Store any spare blocks in a safe place.

Troubleshooting

If you encounter any issues with your building set, refer to the following common solutions:

Problem	Possible Cause	Solution
Lights are not working.	Depleted or incorrectly installed batteries; loose USB connection; power switch off.	Check battery polarity and replace if necessary. Ensure USB cable is securely connected to both the frame and a working power source. Verify the power switch is in the 'ON' position.
Building blocks do not stay together.	Blocks not pressed firmly; misaligned pieces; damaged block.	Ensure each block is pressed firmly into place. Double-check alignment according to the instruction manual. If a specific block is consistently loose or appears damaged, try replacing it with a spare part if available.

Specifications

- **Product Dimensions:** 0.3 x 0.1 x 0.2 inches (assembled frame dimensions may vary slightly)
- **Item Weight:** 2.49 pounds
- **Item Model Number:** 662008B
- **Manufacturer Recommended Age:** 10 years and up
- **Number of Pieces:** 807
- **Power for Lights:** 2x1.5V AAA Batteries or USB (not included)
- **Manufacturer:** HOGOKIDS
