Rywell 4L Gravity Pet Feeder and Water Dispenser Set Instruction Manual

Model: PE-PS-0002-GY-RY-YK

Brand: Rywell

INTRODUCTION

Thank you for choosing the Rywell 4L Gravity Pet Feeder and Water Dispenser Set. This product is designed to provide a convenient and consistent supply of food and water for your pets. Featuring an adjustable height design and easy-to-clean components, this set aims to support your pet's healthy digestion and overall well-being. Please read this manual thoroughly before assembly and use to ensure proper operation and maintenance.

PRODUCT COMPONENTS

The Rywell 4L Gravity Pet Feeder and Water Dispenser Set includes the following parts:

- Food Dispenser Unit (Base, Food Container, Lid, Stainless Steel Bowl)
- Water Dispenser Unit (Base, Water Bucket, Cap, Stainless Steel Bowl)
- Multiple Detachable Anti-slip Strips

Image: An exploded diagram illustrating the individual components of both the food and water dispenser units, including the base, containers, lids, and stainless steel bowls.

SETUP INSTRUCTIONS

1. Assembly

1. Place the base unit on a flat, stable surface.
2. Insert the stainless steel bowl into the designated slot on the base.
3. For the food dispenser: Place the food container onto the base, ensuring it is securely seated. Then, place the lid on top of the food container.
4. For the water dispenser: Fill the water bucket with clean water. Securely attach the cap to the water bucket. Invert the water bucket and place it onto the base, ensuring the cap engages with the siphon mechanism in the stainless steel bowl.

2. Height Adjustment

The feeder and water dispenser offer adjustable height levels to accommodate pets of various sizes. The base allows for two height levels. For a third, lower height, the stainless steel bowls can be used separately without the main base unit.

- **With Base:** The base provides elevated feeding positions (approximately 4" and 9" from the ground, depending on configuration) to reduce strain on your pet's neck and spine.
- **Without Base:** For very small pets or a lower feeding option, the stainless steel bowls can be removed from the base and used directly on the floor (approximately 2" from the ground).

3. Anti-slip Strip Installation

To enhance stability and prevent the units from sliding during use, attach the provided anti-slip strips to the bottom of each base unit. Ensure the surface is clean and dry before applying the strips.

OPERATING INSTRUCTIONS

1. Filling the Food Dispenser

Remove the lid from the food container. Pour dry pet food into the container. The gravity-fed design will automatically replenish the food in the stainless steel bowl as your pet consumes it. The 4L capacity can hold approximately 6 pounds or 17 cups of dry food, sufficient for small pets for up to 7 days and large pets for up to 3 days.

Never get stuck

2. Filling the Water Dispenser

Remove the water bucket from the base. Unscrew the cap, fill the bucket with clean water, and securely reattach the cap. Invert the filled water bucket and place it firmly onto the base, ensuring the cap is properly seated in the stainless steel bowl. The siphon mechanism will automatically release water into the bowl and stop when the bowl is full, preventing overflows. The 4L capacity is approximately 1 gallon.

Image: A golden retriever puppy next to the water dispenser, illustrating the automatic siphon system that refills the bowl without power or noise.

4L LARGE CAPACITY

Can last about **7-9** days for small/medium pets, **3-5** days for big pets.

Food Feeder ≈ 6 Pounds/17Cup

Water Dispenser ≈ 1 Gallon

MAINTENANCE

1. Cleaning and Disassembly

Regular cleaning is essential for your pet's health. The Rywell feeder and water dispenser feature a split design for easy disassembly and thorough cleaning of all parts.

1. Remove the food container/water bucket from its base.
2. Remove the stainless steel bowls from their respective bases.
3. Separate all components for individual cleaning.

2. Dishwasher Safety

All parts of the Rywell 4L Gravity Pet Feeder and Water Dispenser Set are dishwasher safe. For best results, place

components on the top rack of your dishwasher. Alternatively, hand wash with mild soap and water, then rinse thoroughly.

Easy assembly & maintenance

All parts dishwasher safe

TROUBLESHOOTING

- **Water Leakage:** If the water dispenser leaks, ensure the water bucket cap is securely tightened and properly seated in the base. Verify that the stainless steel bowl is correctly positioned and free from any damage or perforations. Check the rubber seal on the cap for proper placement and integrity.
- **Food Clogging:** If food is not dispensing smoothly, ensure the kibble size is appropriate for the dispenser's outlet. Gently shake the food container to dislodge any stuck kibble.
- **Overeating by Pet:** This gravity feeder provides a continuous supply of food. It is not recommended for pets that tend to overeat, as this can lead to obesity and related health issues. For pets prone to overeating or eating too quickly, a timed feeder or controlled portion feeding may be more suitable.
- **Unstable Unit:** Ensure the anti-slip strips are properly installed on the bottom of the base units. Place the units on a

flat, level surface.

SPECIFICATIONS

Feature	Detail
Brand	Rywell
Model Name	PE-PS-0002-GY-RY-YK
Item Weight	5.39 pounds
Item Dimensions (LxWxH)	9 x 15 x 16 inches
Material	Stainless Steel (bowls), Food-grade Plastic (containers, bases)
Food Dispenser Capacity	4L (approx. 6 pounds / 17 cups)

IMPORTANT SAFETY INFORMATION

- This product is intended for use with dry pet food and clean drinking water only.
- Do not use this gravity feeder for pets that tend to overeat or eat too quickly, as it provides a continuous supply of food. Consult a veterinarian for advice on managing pet weight and eating habits.
- Regularly inspect the product for any signs of damage or wear. Discontinue use if any part is broken or compromised.
- Keep the product away from electrical outlets or devices to prevent potential hazards in case of water spills.
- Ensure the product is placed on a stable, level surface to prevent tipping.
- Keep out of reach of small children.

WARRANTY INFORMATION

Rywell products are manufactured with quality and durability in mind. While specific warranty details are not provided in this manual, please retain your proof of purchase. For any manufacturing defects or issues encountered during normal use, please contact customer support.

CUSTOMER SUPPORT

For assistance with your Rywell 4L Gravity Pet Feeder and Water Dispenser Set, including questions about assembly, operation, maintenance, or troubleshooting, please refer to the contact information provided with your purchase or visit the official Rywell website for support resources.
