

## Generic Duraron Cool Body Pillow

# DMANGD Cool Cool Bear Body Pillow

## INSTRUCTION MANUAL

### Product Overview

---

The DMANGD Cool Cool Bear Body Pillow is designed to provide a refreshing and comfortable sleep experience, especially for individuals prone to overheating. It incorporates advanced cooling technology and high-quality materials to ensure lasting comfort.

- **Cooling Body Pillow:** Specifically designed to provide a cooling sensation, ideal for those who tend to feel hot during sleep or rest.
- **Authentic DURARON Fabric:** Utilizes genuine DURARON material by HUVIS Corp, known for its high-performance cooling properties and durability.
- **Unique DMANGD Design:** Features an exclusive design crafted with attention to both aesthetic appeal and functional excellence.
- **Enhanced Cooling Sensation:** The DURARON fabric delivers an instant cooling sensation upon contact due to its high thermal conductivity, efficiently drawing heat away from the body.
- **Quick-Drying Capability:** Exhibits excellent moisture-wicking properties, quickly absorbing and dissipating moisture to keep the pillow dry and comfortable.

## Maintenance and Care

---

Proper care is essential to maintain the longevity and performance of your DMANGD Cool Cool Bear Body Pillow, especially its cooling properties. Please adhere to the following guidelines:

- Use neutral detergent in cold water (30°C or below).
- Hand wash separately or use a laundry net for machine wash to protect the fabric.
- Avoid boiling or using chlorine, oxygen, or bleach, as these can damage the cooling material.
- After washing, dry flat in a well-ventilated shaded area.
- Avoid using a dryer to prevent fabric shrinkage and reduce its lifespan.
- Do not wring forcefully.
- Avoid ironing and dry cleaning.
- Prolonged soaking in water may cause discoloration and fading.

## Troubleshooting

If you experience a diminished cooling sensation or other issues with your pillow, consider the following:

- **Reduced Cooling:** Ensure the pillow is clean and dry. Accumulated moisture or dirt can affect the fabric's thermal conductivity. Follow the care instructions for proper washing and drying.
- **Odor:** If an odor develops, wash the pillow according to the care instructions. Ensure it is thoroughly dried in a well-ventilated area.
- **Fabric Damage:** Avoid sharp objects or harsh chemicals that could damage the Duraron fabric. Always use a laundry net if machine washing.
