MOMFANN MO-KI01

MOMFANN Stroller Wagon MO-KI01 User Manual

Model: MO-KI01

1. Introduction

This manual provides essential instructions for the safe assembly, operation, and maintenance of your MOMFANN Stroller Wagon MO-KI01. Please read this manual thoroughly before first use and retain it for future reference.

The MOMFANN Stroller Wagon MO-KI01, presented in blue, designed for transporting two children.

2. Safety Information

Always prioritize the safety of children using the stroller wagon. Failure to follow these instructions could result in serious injury.

- **Age and Weight Limits:** Suitable for children aged 6 months and older. The wagon has a maximum weight capacity of 90 lbs (40.8 kg). Each seat supports up to 45 lbs (20.4 kg).
- **Harness Use:** Always secure children with the 5-point safety harness provided in each seat. Ensure harnesses are properly adjusted and snug.
- **Brake System:** Always engage the one-foot operated brake lever when the wagon is stationary. Ensure the brake is fully engaged before placing or removing children.
- **Supervision:** Never leave children unattended in the stroller wagon. Constant adult supervision is required.
- **Overloading:** Do not overload the wagon or storage compartments beyond recommended limits. Overloading can

affect stability.

- **Terrain:** Exercise caution when operating on uneven terrain. While designed for various surfaces, extreme conditions may compromise stability.
- **Canopy Use:** Utilize the UV50+ canopy for sun protection. Ensure it is properly positioned to shield children from direct sunlight.
- **Folding/Unfolding:** Keep children clear of moving parts when folding or unfolding the wagon to prevent pinching or injury.

Detail of the 5-point safety harness and adjustable seat, ensuring child security and comfort.

3. Product Overview

Components Included:

- MOMFANN Stroller Wagon (Main Frame, Fabric Body, Seats)
- Adjustable UV50+ Canopy

- Wheels (Front and Rear)
- Under-handle Organizer

Key Features:

- **Dual Seating:** Accommodates two children with individual 5-point harnesses.
- **Adjustable Seats:** Seats are removable and offer multiple height options.
- **Durable Wheels:** Shock-absorbing, puncture-proof EVA wheels (7-inch front, 10-inch rear) for smooth rides.
- **Adjustable Handle:** Ergonomic handle for comfortable pushing or pulling, suitable for varying adult heights.
- **Compact Fold:** Designed for easy folding and convenient storage in vehicle trunks.
- **UV Protection:** Adjustable UV50+ canopy blocks up to 98% of UV rays.
- **Ample Storage:** Features multiple pockets, an under-handle organizer, and accessible under-seat storage.
- **Robust Construction:** Crafted from high-quality alloy steel for durability.

Specifications:

Feature	Detail
Brand	MOMFANN

Folded Size	14.9" x 18.1" x 37.4" (37.8cm x 46cm x 95cm)
Front Wheel Diameter	7.6 inches (19.3 cm)
Back Wheel Diameter	9.7 inches (24.6 cm)
Harness Type	5 Point
Stroller Brake System	Yes

4. Setup and Assembly

Follow these steps to assemble your MOMFANN Stroller Wagon. Ensure all parts are present and undamaged before beginning.

4.1 Attaching the Wheels

1. **Front Wheels:** Locate the front wheel assemblies. Align the wheel post with the corresponding slot on the wagon frame. Push firmly until it clicks into place.

Insert the front wheel into its designated slot on the wagon frame.

2. **Rear Wheels:** Attach the rear wheel assemblies to the back of the wagon frame. Ensure they are securely fastened.

Attach the rear wheel assembly to the wagon frame.

3. **Secure Wheels:** Verify that all wheels are firmly attached and the locking pins (if applicable) are engaged to prevent accidental detachment.

Engage the locking mechanism to secure the wheel in place.

Ensure the wheel is firmly connected to the frame.

4.2 Unfolding the Wagon

1. Place the folded wagon on a flat surface.
2. Release any locking mechanisms that hold the wagon in its folded position.
3. Gently pull the sides of the wagon apart until the frame is fully extended and locked into place. Listen for a click to confirm it is secure.
4. Ensure all frame joints are locked before use.

4.3 Attaching the Canopy

1. Insert the canopy support rods into the designated slots on the wagon frame.
2. Secure the canopy fabric to the frame as instructed.

5. Operating Instructions

5.1 Securing Children

1. Place each child in a seat.
2. Fasten the 5-point harness around each child. Adjust the straps to ensure a snug fit without being too tight.
3. To adjust seat height, locate the adjustment straps beneath the seat and modify as needed.

The seats feature adjustable heights and secure harnesses to accommodate children of different sizes.

5.2 Using the Handle

- The handle can be adjusted for height and angle. Press the button on the handle to adjust its position for comfortable pushing or pulling.
- Ensure the handle is locked in place before moving the wagon.

The adjustable handle allows for both pushing and pulling, adapting to user height and preference.

5.3 Engaging the Brake

- To engage the brake, press down firmly on the one-foot operated brake lever located near the rear wheels.
- To release the brake, lift the lever upwards.
- Always test the brake engagement before leaving the wagon unattended.

5.4 Adjusting the Canopy

- The UV50+ canopy can be adjusted to different angles to provide optimal shade.
- It can also be removed if not needed.

5.5 Folding the Wagon for Storage

1. Ensure children are removed from the wagon and all items are cleared from the seats and storage areas.

2. Unclip the two buttons at the back of the seat.
3. Lift the lever and pull upwards with both hands.
4. Close the wagon from both sides towards the middle.
5. Fasten the bottom hook to secure the folded position.

Visual instructions detailing the process of folding the stroller wagon for storage or transport.

The stroller wagon folded for compact storage, fitting into a standard car trunk.

6. Maintenance and Care

- **Cleaning:** Wipe the fabric and frame with a dry cloth. For stubborn stains, use a mild soap and water solution, then wipe dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the stroller wagon in a dry, cool place away from direct sunlight when not in use.
- **Inspection:** Regularly inspect all parts for wear, damage, or loose fasteners. Tighten any loose screws or bolts. Replace damaged parts immediately.
- **Wheel Maintenance:** Keep wheels free of debris. Periodically check wheel axles for smooth rotation.

7. Troubleshooting

- **Wagon does not fold/unfold smoothly:** Ensure all locking mechanisms are disengaged before folding/unfolding. Check for any obstructions in the folding joints.
- **Wheels are stiff or squeaky:** Clean any debris from the wheel axles. A small amount of silicone-based lubricant can be applied to moving parts if needed (avoid contact with fabric).
- **Harness is difficult to adjust:** Ensure straps are not twisted. Refer to the harness adjustment instructions in Section 5.1.
- **Wagon feels unstable:** Verify that the frame is fully extended and all locking mechanisms are engaged. Ensure weight distribution is even and not exceeding capacity.

8. Warranty and Support

Your MOMFANN Stroller Wagon MO-KI01 comes with a **3-year manufacturer's warranty** covering defects in materials and workmanship under normal use.
For warranty claims, technical support, or replacement parts, please contact MOMFANN customer service through the official MOMFANN store on Amazon or via the contact information provided with your purchase.
