ESR Classic Series Clear Case Instruction Manual

Model: iPhone 16 Pro Max Case (B-Clear)

1. PRODUCT OVERVIEW

The ESR Classic Series Clear Case for iPhone 16 Pro Max is designed to provide robust protection while enhancing usability with its integrated features. This case offers military-grade drop protection, strong MagSafe compatibility for efficient wireless charging, and a versatile built-in stash stand for hands-free viewing. Its clear design allows the original aesthetic of your iPhone to shine through.

2. KEY FEATURES

- **Compatibility:** Specifically designed for iPhone 16 Pro Max. Does not include camera lens protectors or built-in camera lens protector.
- **Stronger Magnetic Lock:** Features powerful built-in magnets with 1,500 g of holding force, enabling faster, easier place-and-go wireless charging and a secure lock on any MagSafe accessory.
- **Adjustable Stash Stand:** Positioned around the camera frame, it stays hidden when folded away, keeping the MagSafe ring 100% unobstructed. Provides a freely adjustable and stable view for watching content.
- **Built to Last:** Robust and durable zinc-alloy construction ensures the stand maintains its appearance, with the hinge lab-tested to retain strength after more than 3,000 uses.
- **Military-Grade Protection:** Shock-absorbing Air Guard corners combined with raised screen edges and Camera Guard provide test-certified protection against drops, bumps, and scratches.

3. SETUP AND INSTALLATION

Installing your ESR Classic Series Clear Case is a straightforward process:

1. Ensure your iPhone 16 Pro Max is clean and free of dust or debris.

2. Align the top edge of your iPhone with the top edge of the case.
3. Gently push your iPhone into the case, starting from the top, ensuring all corners snap securely into place.
4. Verify that all buttons and ports are properly aligned with the case cutouts.

4. OPERATING INSTRUCTIONS

Using the Stash Stand

The built-in stash stand provides convenient hands-free viewing. To deploy the stand, gently pull the metal ring located around the camera module outwards until it clicks into place. Adjust the angle as desired for optimal viewing. To retract, simply push the stand back into its recessed position until it sits flush with the case.

MagSafe Compatibility

This case is fully compatible with MagSafe accessories. Simply align your MagSafe charger or accessory with the magnetic ring on the back of the case. The strong magnets will ensure a secure and efficient connection for charging or accessory attachment.

Unlimited MagSafe, Ultimate Protection

Classic Hybrid Case with Stash Stand (HaloLock)

5. MAINTENANCE

To ensure the longevity and clarity of your ESR Classic Series Clear Case, follow these simple maintenance tips:

- **Cleaning:** Regularly wipe the case with a soft, damp cloth to remove dust, dirt, and fingerprints. For tougher

stains, a small amount of mild soap can be used, followed by rinsing and thorough drying.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the case material and affect its clarity.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent potential discoloration over time.
- **Inspect Regularly:** Periodically check the case for any signs of wear or damage, especially around the corners and the stash stand hinge, to ensure continued protection.

6. TROUBLESHOOTING

Case Not Fitting Properly

- Ensure you have the correct model: This case is specifically for the iPhone 16 Pro Max. Verify your phone model.
- Check for obstructions: Make sure there is no debris or foreign objects between the phone and the case.

MagSafe Connection Issues

- Ensure your MagSafe accessory is properly aligned with the magnetic ring on the case.
- Verify that your MagSafe accessory is functioning correctly with other compatible devices.

Stash Stand Not Functioning Smoothly

- Check for any debris or obstruction in the hinge mechanism.
- Ensure the stand is fully extended or retracted until it clicks into place.

7. SPECIFICATIONS
