## SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Anti-Tipping Straps:** Always install the provided anti-tipping straps to secure the hall tree to the wall. This prevents accidental tipping, especially in households with children or pets.
- **Weight Capacity:** Do not exceed the maximum weight capacities. The bench has a weight capacity of 200 lbs (90 kg). Each hook has a weight capacity of 11 lbs (5 kg). Distribute weight evenly across shelves and hooks.
- **Assembly:** Assembly requires two people for safety and ease of installation. Do not attempt to assemble alone.
- **Stable Surface:** Place the hall tree on a flat, level, and stable surface to prevent wobbling or instability.
- **Children:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the hall tree.

## PACKAGE CONTENTS

Before beginning assembly, ensure all parts and hardware are present and undamaged. Refer to the included parts list in your packaging for specific component identification. If any parts are missing or damaged, contact customer support immediately.

## OPERATING INSTRUCTIONS

The Bellemave Hall Tree is designed for convenient storage and organization in your home.

- **Coat Hooks:** Utilize the four metal double hooks to hang jackets, coats, scarves, hats, and bags. Ensure items are distributed to avoid overloading any single hook.
- **Upper Compartments:** The two open compartments above the hooks are ideal for displaying decorative items, storing smaller bags, or keeping frequently used accessories within reach.
- **Bench:** The wide bench provides a convenient spot to sit while putting on or taking off shoes. Adhere to the 200 lbs (90 kg) weight limit.
- **Shoe Storage:** The two cabinet doors at the bottom open to reveal spacious compartments, perfect for organizing shoes, boots, or other entryway essentials.

## **MAINTENANCE AND CARE**

To maintain the appearance and longevity of your hall tree, follow these care instructions:

- **Cleaning:** Wipe the surface with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.

- **Spills:** Clean up spills immediately to prevent staining or moisture damage to the particle board material.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary to maintain structural integrity.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.

---

## TROUBLESHOOTING

If you encounter any issues with your Bellemave Hall Tree, refer to the following common solutions:

- **Wobbling/Instability:** Ensure the hall tree is placed on a level surface. Check all assembly hardware and tighten any loose screws. Verify that the anti-tipping straps are securely installed.
- **Doors Not Closing Properly:** Check the hinges for proper alignment. Adjust if necessary. Ensure no items inside the cabinet are obstructing the doors.
- **Missing Parts:** If you find any parts missing upon unboxing, refer to the parts list in your assembly guide and contact Bellemave customer support for assistance.
- **Visible Screw Holes:** Some assembly designs may result in visible screw holes. If covers were not included and you desire them, these can often be purchased separately from hardware stores.
