What's in the Box

- 1 x Magnetic USB Charging Cable

Key Features

- **Magnetic Connection:** Ensures a secure and stable connection for charging.
- **USB Interface:** Standard USB-A connector for broad compatibility with power sources.
- **Portable Design:** Compact and lightweight, suitable for travel and daily use.
- **Dedicated Compatibility:** Specifically designed for EIGIIS KE6 Smartwatch models.

SETUP INSTRUCTIONS

1. **Unpack the Charger:** Carefully remove the magnetic USB charging cable from its packaging.
2. **Connect to Power Source:** Insert the USB-A end of the charging cable into a compatible USB power adapter (not included), a computer's USB port, or a power bank. Ensure the power source provides stable 5V output.
3. **Attach to Smartwatch:** Align the magnetic charging pins of the cable with the charging contacts on the back of your EIGIIS KE6 Smartwatch. The magnets will automatically snap into place, securing the connection.
4. **Verify Charging:** Once connected, your smartwatch display should indicate that it is charging. If not, adjust the position of the magnetic connector until charging begins.

Visual Guide: Charging Method

Video: This video demonstrates the correct method for connecting the magnetic charger to a smartwatch and initiating the charging process.

OPERATING INSTRUCTIONS

The Lamshaw Magnetic USB Smartwatch Charger is designed for straightforward operation:

- **Charging Cycle:** Connect the charger as described in the Setup section. The smartwatch will begin charging automatically.
- **Full Charge Indication:** Your EIGIIS KE6 Smartwatch will display a full battery icon or a notification when charging is complete.
- **Disconnection:** Gently pull the magnetic connector away from the smartwatch to disconnect.

Important: This charger is exclusively compatible with EIGIIS KE6 Smartwatches. Using it with incompatible devices may cause damage to the charger or the device.

MAINTENANCE

To ensure the longevity and proper function of your charger, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the charging cable and magnetic contacts. Avoid using liquid cleaners or abrasive materials.
- **Storage:** Store the charger in a cool, dry place away from direct sunlight and extreme temperatures.

Avoid tangling the cable.

- **Handling:** Do not bend the cable sharply or apply excessive force to the magnetic connector. Avoid dropping the charger.
- **Inspect Regularly:** Periodically check the cable and connectors for any signs of wear, damage, or corrosion. Discontinue use if damage is observed.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Smartwatch not charging	1. Improper connection 2. Faulty power source 3. Dirty charging contacts 4. Incompatible smartwatch model	1. Realign the magnetic connector with the smartwatch's charging pins. 2. Try a different USB power adapter or port. 3. Clean the charging contacts on both the cable and smartwatch with a dry cloth. 4. Ensure your smartwatch is an EIGIIS KE6 model. This charger is not universal.
Magnetic connection is weak or doesn't hold	1. Misalignment of magnets 2. Debris on magnetic surface 3. Damaged magnets/pins	1. Carefully adjust the position until a strong magnetic pull is felt. 2. Ensure both the charger and smartwatch surfaces are clean and free of obstructions. 3. If magnets or pins appear damaged, the charger may need replacement.
Slow charging	1. Low power output from USB source 2. Background apps on smartwatch	1. Use a USB power adapter with adequate output (e.g., 5V/1A). Avoid charging from low-power USB ports. 2. Close unnecessary applications on your smartwatch during charging.

SPECIFICATIONS

- **Product Dimensions:** 0.5 x 0.5 x 0.5 inches
- **Item Weight:** 0.598 ounces
- **Color:** White
- **Total USB Ports:** 1 (USB-A)
- **Included Components:** 1 x Charging Cable
- **Compatibility:** EIGIIS KE6 Smartwatch
