arboleaf CM11E

arboleaf CM11E Heated Scalp Massager Instruction Manual

1. INTRODUCTION

Thank you for choosing the arboleaf CM11E Heated Scalp Massager. This device is designed to provide ultimate relaxation and promote scalp well-being through advanced heating and 360° kneading massage technology. Its versatile design allows for use on the head, neck, shoulders, and other body parts, offering stress relief and comfort. Please read this manual thoroughly before use to ensure proper operation and maintenance.

2. WHAT'S IN THE BOX

- 1 x arboleaf CM11E Heated Scalp Massager
- 1 x USB-C Charging Cable
- 1 x Cleaning Brush
- 1 x Storage Pouch
- 4 x Detachable Silicone Massage Heads (pre-attached)

Note: The heated massager comes with silicone covers pre-attached. These must be removed to activate the heating function directly with the heating heads.

3. PRODUCT FEATURES

- **Advanced Heating Function:** Maintains a steady warmth at 47°C for enhanced relaxation.
- **360° Kneading Massage:** Mimics human hand massage with rotating and counter-rotating silicone heads.
- **IPX7 Waterproof:** Suitable for use in the bath or shower for wet and dry massage.
- **Cordless & Type-C Charging:** Convenient USB charging for portability.
- **10-Minute Auto-Off:** Ensures optimal massage duration and prevents overuse.
- **Red Light Therapy:** Integrated red light for additional therapeutic benefits.
- **Detachable & Washable Heads:** Easy to clean and maintain hygiene.
- **Quiet Brushless Motor:** Operates with minimal noise for a serene massage experience.

Type-C Charging, Convenient Charging On the Go

5. OPERATING INSTRUCTIONS

1. **Power On/Off:** Press and hold the power button for a few seconds to turn the device on or off.

2. **Change Massage Modes/Speeds:** Once powered on, short press the power button to cycle through the different massage modes:
 - Purple Light: Slow speed, continuous rotation.
 - Blue Light: Fast speed, continuous rotation.
 - Yellow Light: Alternating slow and fast speeds.
3. **Activate/Deactivate Red Light Therapy:** Double-click the power button to toggle the red light therapy on or off.
4. **Use Heat Function:** If the silicone covers have been removed, the red light therapy also activates the heating function of the metal massage heads.
5. **Application:** Gently place the massager on your scalp, neck, shoulders, or other desired areas. Move it slowly in circular motions.
6. **Auto-Off:** The device will automatically turn off after 10 minutes of continuous use to prevent overuse.

One Button Control: Enjoy Pressure-free Experience

6. MAINTENANCE

1. **Cleaning the Heads:** The silicone massage heads are detachable and washable. Gently pull them off the device.
2. **Wash:** Rinse the silicone heads under running water. Use the provided cleaning brush to remove any hair or debris.
3. **Dry:** Ensure the silicone heads are completely dry before reattaching them to the device.
4. **Device Cleaning:** Wipe the main body of the massager with a damp cloth. Do not use harsh chemicals or abrasive cleaners.
5. **Storage:** Store the massager in the provided pouch in a cool, dry place away from direct sunlight.

Shallow-profile Design Claws

Hair-friendly without Tangling

7. TROUBLESHOOTING

- **Device not turning on:** Ensure the device is fully charged. Check the charging cable and port for any damage.
- **Heat function not working:** Verify that the silicone covers have been removed from the metal heating elements. Ensure the red light therapy is activated.
- **Massage heads not rotating:** Check for any obstructions (e.g., tangled hair) around the massage heads.
- **Water ingress:** Always ensure the charging port cover is securely closed before using the device in wet conditions. Avoid prolonged submersion.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	3.2 x 3.6 x 3.4 inches
Item Weight	12 Ounces

Model Number	CM11E
Batteries	1 A batteries required (included)
