**Yizosh XUF-GR-EER-44F-4**

# Yizosh Metal Storage Cabinet Instruction Manual

Model: XUF-GR-EER-44F-4

## 1. INTRODUCTION

Thank you for choosing the Yizosh Metal Storage Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

Image 1.1: The Yizosh Metal Storage Cabinet, a tall white unit with two doors, designed for various room settings.

## 2. PRODUCT OVERVIEW

### 2.1 Key Features

- **High-Quality Material:** Constructed from reinforced heavy-duty cold-rolled steel plate for durability and strength.
- **Adjustable Shelves:** Features 5 adjustable shelves, allowing for customized storage configurations.
- **High Load Capacity:** Each shelf supports up to 180 lbs, suitable for heavy items.
- **Protective Finish:** Environmental protection powder coating provides scratch and rust resistance.
- **Secure Closure:** Equipped with magnetic suction doors for reliable closure.
- **Stability Features:** Includes adjustable feet for leveling on uneven surfaces and an anti-tipping design for safety.

### 2.2 Dimensions and Components

# DIMENSIONS AND DETAILS

Image 2.1: A visual representation of the cabinet's dimensions (15.7"D x 31.5"W x 70.8"H) and key features like high capacity storage, 4 adjustable shelves, and magnetic suction doors.

The cabinet measures approximately 15.7 inches deep, 31.5 inches wide, and 70.8 inches high. It includes two doors and five internal shelves, four of which are adjustable. The design incorporates magnetic door closures for secure storage.

# MATERIAL ASSURANCE

Heavy Gauge  
Cold-Rolled

Electrostatic  
Powder Coated

Water-Proof  
/Rust-Proof

Durable  
Longevity

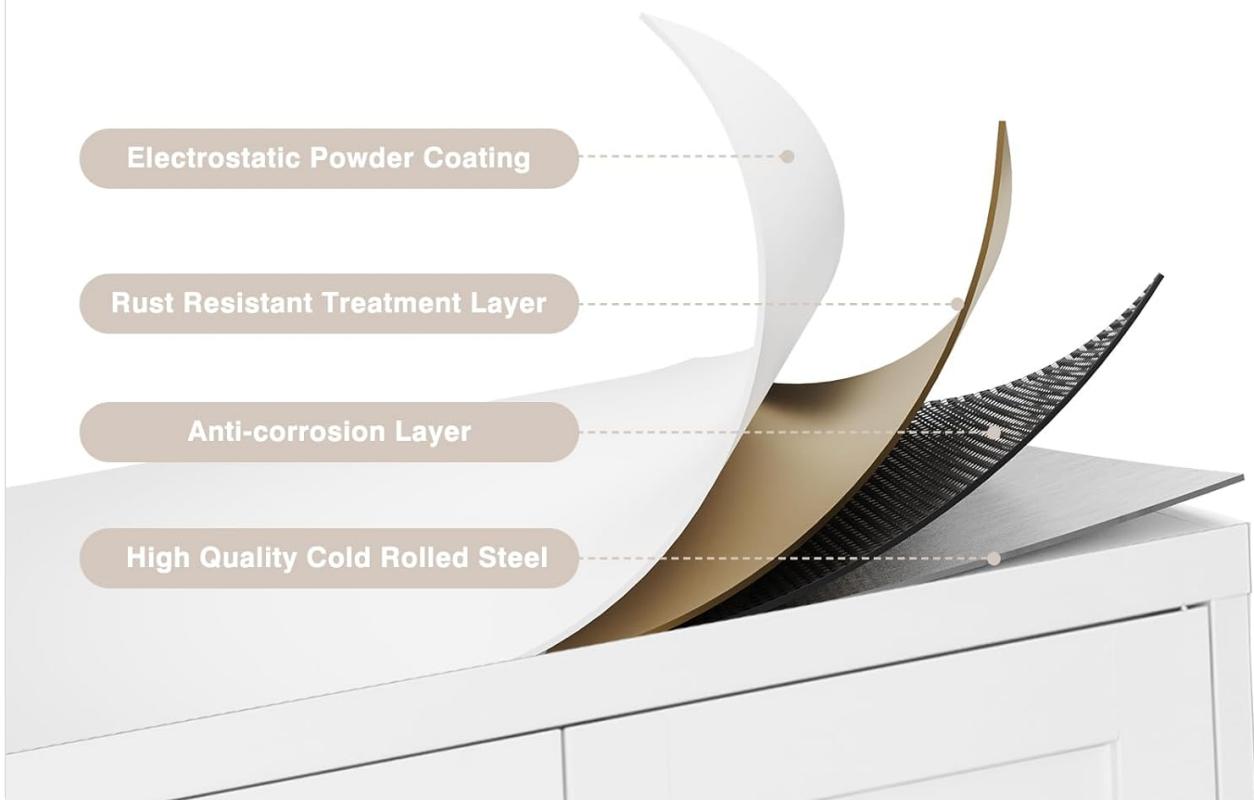

Image 2.2: This diagram details the material composition, including high-quality cold-rolled steel, an anti-corrosion layer, a rust-resistant treatment layer, and an electrostatic powder coating for enhanced durability and protection.

# DETAIL DISPLAY

Image 2.3: Detailed views highlighting the adjustable buckle for shelves, the anti-tipping mechanism, the magnetic attraction for door closure, and the adjustable feet for stability.

Image 2.4: This image showcases additional features such as multiple air vents for breathability, metal round pull handles for easy opening and closing, and a stable base designed to prevent shaking.

### 3. ASSEMBLY INSTRUCTIONS

Assembly of the Yizosh Metal Storage Cabinet is designed to be straightforward. It is recommended to have two people for assembly to ensure stability and ease of handling. All necessary hardware and a detailed instruction manual are included in the packaging.

#### 3.1 Before You Begin

- Unpack all components and verify against the parts list provided in the included manual.
- Ensure you have a clear, flat, and spacious area for assembly.
- Keep children and pets away from the assembly area.

#### 3.2 Assembly Steps

1. Follow the step-by-step instructions and diagrams provided in the physical manual.
2. Attach the side panels to the base and top panels using the designated fasteners.
3. Install the back panel to complete the main frame.
4. Insert the adjustable shelf clips into the desired slots on the side panels.

5. Place the shelves onto the clips, ensuring they are level and secure.
6. Attach the doors to the cabinet frame using the provided hinges.
7. Install the door handles.
8. Adjust the cabinet's feet to ensure it stands level and stable on your floor.
9. Secure the cabinet to the wall using the anti-tipping hardware provided, following the instructions carefully. This step is crucial for safety.

Image 3.1: An illustration of the product packaging and the concept of 30-minute quick assembly, emphasizing clear and comprehensible instructions.

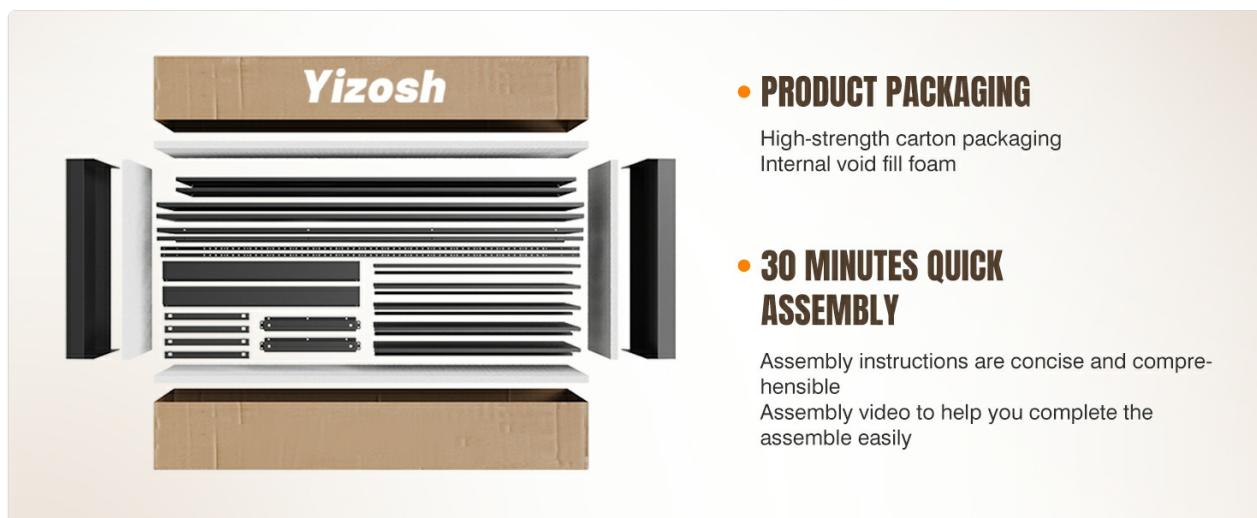

Image 3.2: This image highlights the adjustable standing feet for leveling, the strong magnetic attraction for door closure, and the anti-tipping design with expansion screws for wall attachment.

## 4. OPERATING INSTRUCTIONS

### 4.1 Adjusting Shelves

The cabinet features 5 shelves, with 4 being adjustable. To adjust a shelf's height:

1. Empty the shelf of all contents.
2. Carefully lift the shelf and remove the four shelf clips from their current positions.
3. Reinsert the shelf clips into the desired slots on the cabinet's side panels, ensuring they are at the same height on both sides.
4. Place the shelf back onto the clips, ensuring it is securely seated before placing items on it.

## 4.2 Door Operation

The cabinet doors are equipped with magnetic closures. To open, gently pull the metal round pull handle. To close, push the door until the magnetic attraction secures it in place.

## 4.3 Placement and Usage

This versatile cabinet is suitable for various environments, including kitchens, living rooms, dining rooms, bathrooms, and bedrooms. Ensure the cabinet is placed on a level surface and secured with the anti-tipping hardware for optimal stability and safety.

Image 4.1: Examples of the Yizosh Metal Storage Cabinet's versatility, shown in a pantry, living room, bathroom, and bedroom, demonstrating its adaptability to different storage needs.

## 5. MAINTENANCE

### 5.1 Cleaning

- Wipe surfaces with a soft, damp cloth.
- Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- Dry thoroughly with a clean cloth after wiping.

## 5.2 General Care

- Regularly check all fasteners to ensure they remain tight. Retighten if necessary.
- Ensure the cabinet remains level by periodically checking and adjusting the feet.
- Do not overload shelves beyond the recommended weight capacity of 180 lbs per shelf.

## 6. TROUBLESHOOTING

### 6.1 Cabinet Wobbles

- **Solution:** Adjust the leveling feet at the bottom of the cabinet until it stands firmly on the floor without wobbling. Ensure the anti-tipping hardware is properly installed and secured to the wall.

### 6.2 Doors Do Not Close Properly

- **Solution:** Check if the cabinet is level. Uneven placement can affect door alignment. Verify that the magnetic catches are properly aligned and free from obstructions. Adjust hinges if necessary.

### 6.3 Difficulty During Assembly

- **Solution:** Refer to the detailed assembly instructions and diagrams. Ensure all parts are correctly oriented before tightening fasteners. If issues persist, contact customer support for assistance.

## 7. SPECIFICATIONS

| Feature                   | Specification  |
|---------------------------|--|
| Brand                     | Yizosh   |
| Model Number              | XUF-GR-EER-44F-4   |
| Product Dimensions        | 15.7"D x 31.5"W x 70.8"H   |
