MAINTENANCE AND CARE

Proper care will extend the life and preserve the appearance of your Gucci Sherry Jackie Shoulder Bag.

- **Cleaning:**
 - For the monogram canvas, gently wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
 - For leather trim, use a specialized leather cleaner and conditioner suitable for the leather type. Test on an inconspicuous area first.
 - For the interior textile lining, a lint roller or a slightly damp cloth can be used for light cleaning.
- **Storage:** When not in use, store the bag in its original dust bag or a breathable cotton bag in a cool, dry place away from direct sunlight and humidity. Stuff the bag lightly with tissue paper to help maintain its shape.
- **Protection:** Avoid prolonged exposure to water, oils, perfumes, and direct heat. Be mindful of sharp objects that could scratch the leather or canvas.

TROUBLESHOOTING

Minor issues can often be resolved with simple steps:

- **Sticking Zipper:** If the zipper becomes stiff, gently rub a graphite pencil or a small amount of zipper lubricant along the teeth. Avoid forcing the zipper.
- **Minor Scuffs on Leather:** For light surface scuffs, a soft, dry cloth can sometimes buff them out. For deeper marks, consult a professional leather repair specialist.
- **Loss of Shape:** If the bag begins to lose its shape, ensure it is stored properly, lightly stuffed, and not overloaded when in use.
