OPERATING INSTRUCTIONS

The Yizosh Metal Pantry Storage Cabinet is designed for versatile storage in various home environments. Its features enhance usability and protection for your stored items.

Storage and Accessibility:

- **Large Capacity:** This tall steel cabinet offers ample interior space, ideal for storing a wide range of items from kitchen supplies to office files or garage tools.
- **Adjustable Shelves:** Utilize the 4 adjustable shelves to create customized storage compartments for items of different sizes. Each shelf can hold up to 180 lbs, with a total weight limit of 720 lbs for the cabinet.
- **Magnetic Doors:** The cabinet doors are equipped with strong magnetic attraction to ensure they remain securely closed, protecting contents from light exposure, temperature fluctuations, dirt, and dust.
- **Ventilation:** Multiple air vents are integrated into the doors to allow for better air permeability and help prevent odors, especially useful for pantry items or shoes.
- **Handles:** The metal round pull handles provide easy access to open and close the cabinet doors.

MAINTENANCE

To ensure the longevity and appearance of your Yizosh Metal Pantry Storage Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the powder-coated finish.
- **Material Durability:** The cabinet is constructed from heavy gauge cold-rolled steel plate with an environmental protection powder coating, providing scratch and rust resistance.
- **Protection:** The water-proof and rust-proof properties of the material contribute to its durable longevity.
