The Reii HY260Pro Mini Smart Projector, shown in white with a gold lens accent, accompanied by its black remote control. The projector features a compact design with a stable base.

## 2. WHAT'S IN THE BOX

Upon unboxing your Reii HY260Pro Mini Smart Projector, verify that all the following items are included:

- Reii HY260Pro Mini Smart Projector
- Remote Control
- User Manual
- Power Cord
- HDMI Cable (may vary by package)
- Wireless Mouse (may vary by package)

This image displays the standard accessories typically included with the projector: a remote control for navigation, a user manual for detailed instructions, and a power cord for operation.

## 3. SETUP GUIDE

### 3.1 Initial Power On

1. Connect the power cord to the projector's DC input port and then to a power outlet.
2. Press the power button on the projector or the remote control to turn on the device.
3. Allow a moment for the projector to boot up and display the initial screen.

## 3.2 Network Connection

To access online content and applications, connect the projector to a Wi-Fi network:

1. Navigate to the 'Settings' menu on the projector's home screen.
2. Select 'Networking Setting' or 'Wi-Fi Setting'.
3. Turn on Wi-Fi and select your desired network from the list.
4. Enter the Wi-Fi password using the on-screen keyboard and confirm.

## 3.3 Focus and Keystone Correction

The projector features automatic focus and keystone correction. If manual adjustment is needed:

- **Automatic Adjustment:** The projector will automatically adjust focus and keystone when moved or powered on.
- **Manual Focus:** Use the focus ring on the projector lens or the remote control to fine-tune the image clarity.
- **Manual Keystone:** Access 'Projection Setting' in the 'Settings' menu to manually adjust keystone correction if the automatic adjustment is not satisfactory.

The projector automatically adjusts focus and corrects keystone distortion, ensuring a clear and rectangular image even when placed at an angle. This feature simplifies setup and optimizes viewing quality.
