Jnaurb 100ft RGB Color Changing Smart Rope Lights User Manual

INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your Jnaurb 100ft RGB Color Changing Smart Rope Lights. Please read this manual thoroughly before use to ensure proper function and safety.

IMPORTANT SAFETY INFORMATION

- **WARNING:** The plug part of these lights is not waterproof. Ensure the plug is protected from water exposure, rain, and snow. Failure to do so may result in electrical shock or product damage.
- Ensure all connections are secure before plugging into a power source.
- Do not attempt to modify or repair the lights yourself. Contact customer support for assistance.
- Keep out of reach of children and pets.
- Unplug the lights from the power source when not in use or during severe weather conditions.

PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x 100ft RGB Color Changing Rope Lights
- 1 x IR Remote Control
- 1 x User Manual (this document)

SETUP INSTRUCTIONS

1. **Unpack the Lights:** Carefully uncoil the 100ft rope lights.
2. **Placement:** Determine the desired location for installation. The flexible design allows for various shapes and placements on eaves, decks, patios, fences, or around trees.
3. **Secure Installation:** Use appropriate clips or ties (not included) to secure the rope lights in place. Ensure the lights are not stretched or kinked excessively.

4. **Power Connection:** Connect the rope light to the power adapter. Ensure the connection is firm.
5. **Protect the Plug:** As the plug is not waterproof, position it in a dry, protected area, such as under an awning or inside a weatherproof outdoor outlet cover.
6. **Power On:** Plug the power adapter into a standard electrical outlet.

OPERATING INSTRUCTIONS

1. Smart APP Control

The lights can be controlled via a mobile application connected via Bluetooth.

1. **Download the App:** Scan the QR code in the product packaging or search for the designated app (e.g., "Smart Life") in your mobile app store.
2. **Bluetooth Pairing:** Ensure Bluetooth is enabled on your smartphone. Open the app and follow the on-screen instructions to pair with your Jnaurb rope lights.
3. **Color Selection:** Choose from over 16 million colors to customize your lighting.
4. **Dynamic Modes:** Select from various preset dynamic modes such as shooting star, chase, fade, and

flow. You can also DIY custom lighting effects.

5. **Brightness Adjustment:** Adjust the brightness to one of four available levels (25%, 50%, 75%, 100%).
6. **Group Control:** If you have multiple sets of Jnaurb RGB rope lights, you can create smart groups within the app to control them simultaneously.

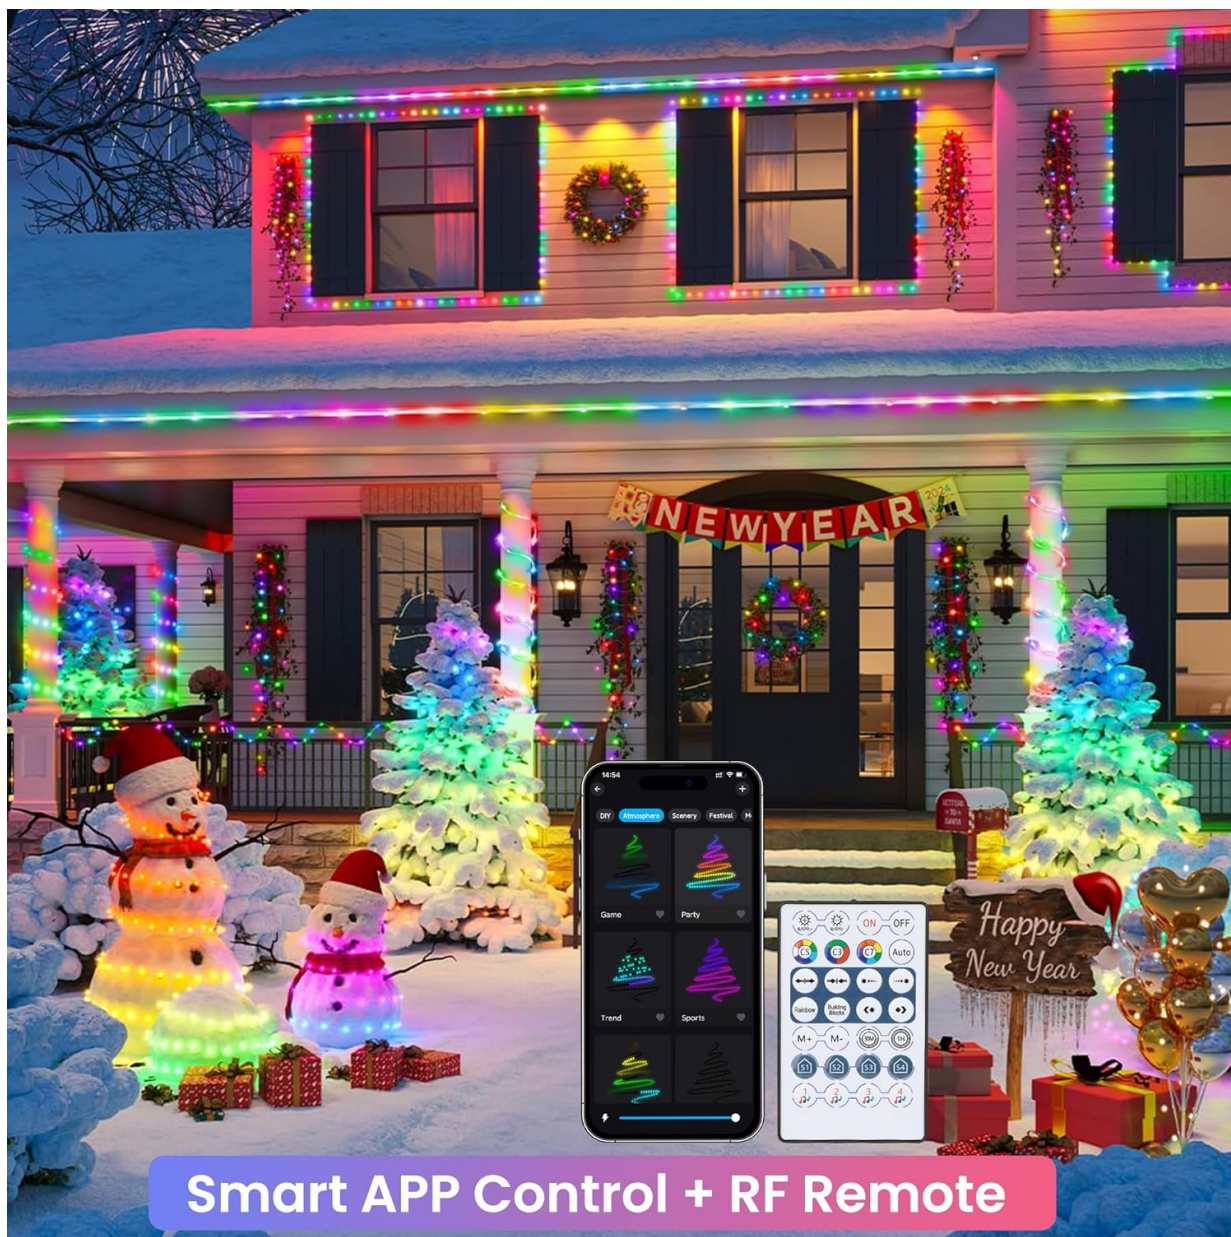

Image: An illustration of the smart app control interface and the included RF remote control, demonstrating how to manage the lights' various settings.

2. Remote Control

The included IR remote control provides convenient access to various functions.

1. **Power On/Off:** Press the **ON/OFF** button to turn the lights on or off.
2. **Brightness/Speed:** Use the **Brightness +/-** buttons to adjust light intensity or **Speed +/-** buttons to change the speed of dynamic modes.
3. **Static Modes:** Select from various static color options.
4. **Dynamic Modes:** Cycle through different pre-programmed dynamic lighting effects. The **AUTO** button may cycle through all effects.
5. **Timer:** Set a timer for the lights to automatically turn on or off.
6. **Music Modes:** Activate music synchronization modes.

7. **Custom Scene:** Access or create custom lighting scenes.

Note: Before first use, remove the plastic insulation sheet from the remote control's battery compartment.

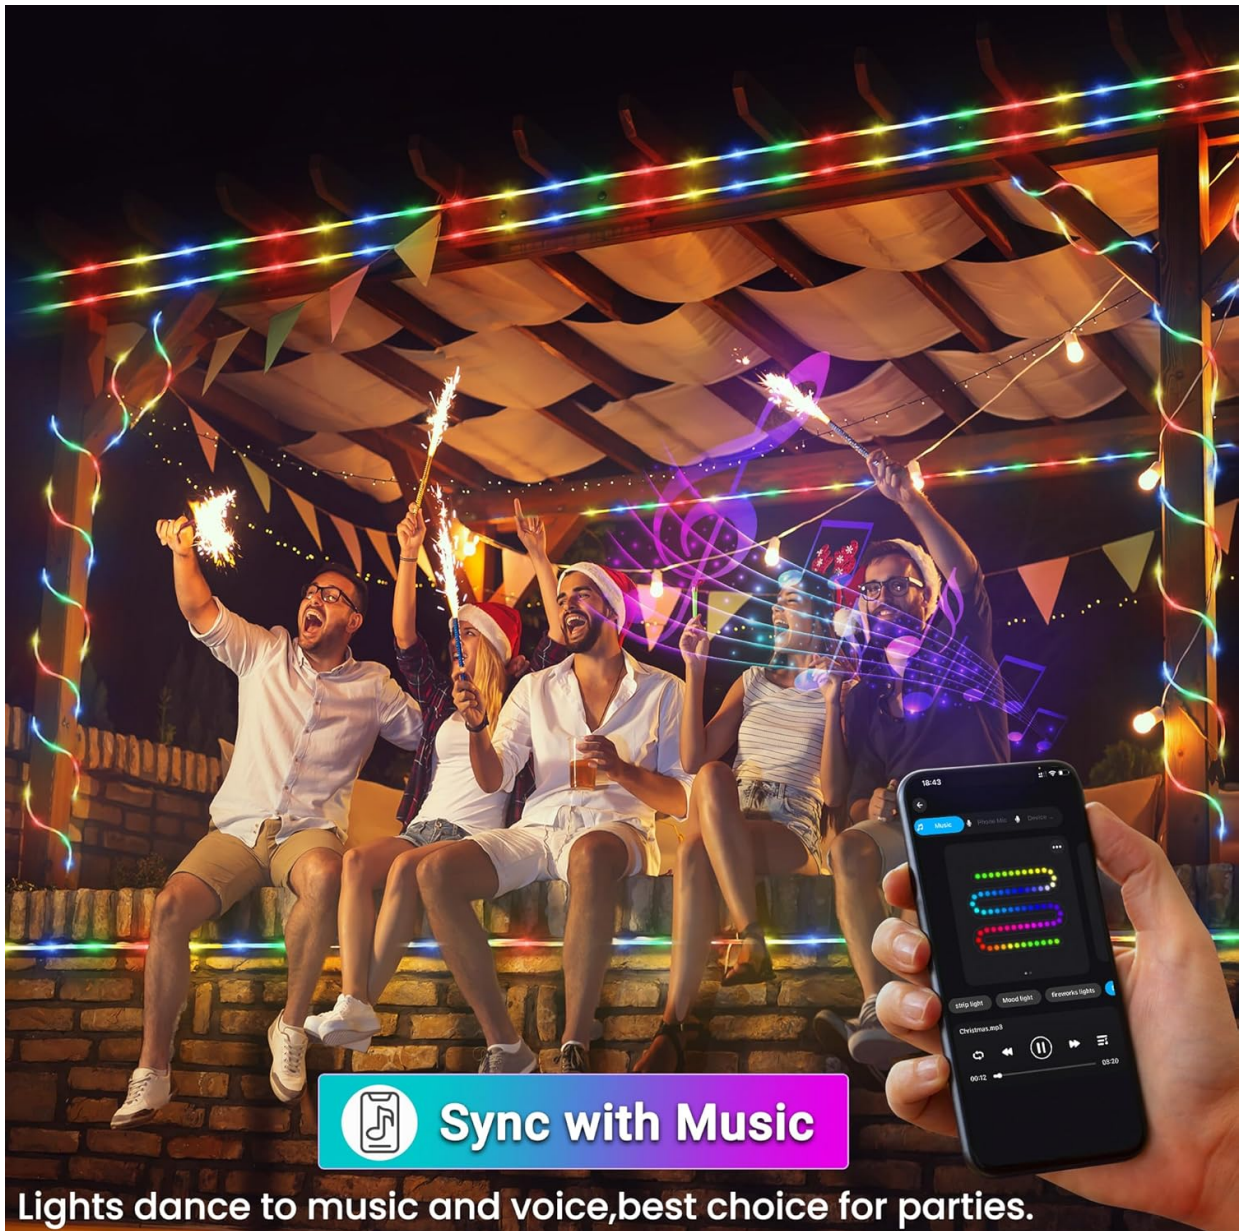

Image: A detailed view of the wireless RF remote control, highlighting its various buttons and functions for easy operation.

3. Music Synchronization

The built-in microphone detects music and gaming audio, allowing the lights to react in real-time.

1. **Activate Music Mode:** Select a music mode via the app or remote control.
2. **Audio Detection:** The lights will automatically change color and pattern in sync with the ambient sound.

Lights dance to music and voice, best choice for parties.

Image: A group of friends enjoying an outdoor gathering with the RGB rope lights actively syncing to music, enhancing the party ambiance.

4. Timer Function

Set schedules for automatic operation.

1. **Access Timer Settings:** Use the app or the timer button on the remote.
2. **Set Schedule:** Program specific times for the lights to turn on or off automatically.

MAINTENANCE

- **Cleaning:** Gently wipe the rope lights with a soft, damp cloth to remove dust or dirt. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use for extended periods, unplug the lights, coil them neatly, and store them in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically check the rope lights and power cord for any signs of damage, such as cuts, fraying, or exposed wires. Discontinue use if damage is found.

TROUBLESHOOTING

Lights do not turn on:

- Ensure the power plug is securely connected to a working electrical outlet.
- Check if the remote control's plastic insulation sheet has been removed.
- Verify the lights are powered on via the remote or app.

Remote control is not working:

- Ensure there are no obstructions between the remote and the light receiver.
- Check the remote control battery and replace if necessary.
- Confirm the plastic insulation sheet has been removed.

App cannot connect to lights:

- Ensure Bluetooth is enabled on your mobile device.
- Make sure the lights are powered on and within Bluetooth range.
- Restart the app and try pairing again.
- If issues persist, try unplugging and replugging the lights to reset them.

Lights are not syncing with music:

- Ensure the music mode is activated on the app or remote.
- Verify that the microphone on the light controller is not obstructed.
- Increase the volume of the music source.

Portion of lights stopped working:

- This may indicate internal damage. Discontinue use and contact customer support.
