SETUP

1. Charging the Headphones and Case

Before first use, fully charge the headphones and the charging case.

- Place the earbuds into the charging case. Ensure they are properly seated.
- Connect the USB-C charging cable to the charging port on the case and to a power source.
- The LED display on the charging case will indicate the charging status. A full charge for the case takes approximately 1.5 hours.
- A quick 5-minute charge provides approximately 1 hour of playback.

MAINTENANCE

Proper care ensures the longevity and performance of your headphones.

- **Cleaning:** The soft-touch silicone material has medical-grade cleaning properties. Wipe the headphones gently with a soft, damp cloth. Avoid harsh chemicals or abrasive materials.
- **Water Resistance:** The headphones are IP7 waterproof, making them resistant to sweat and splashes. However, they are not designed for swimming or prolonged submersion. Ensure the charging port is dry before charging.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.

Résistance à l'Eau de Pointe IPX7

Offrant une performance inégalée contre l'eau et la transpiration, notre technologie unique offre une protection complète.

TROUBLESHOOTING

If you encounter issues with your headphones, try the following steps:

- **No Sound:** Ensure the headphones are charged and properly paired with your device. Check the volume levels on both the headphones and your device.
- **Cannot Pair:** Make sure Bluetooth is enabled on your device and the headphones are in pairing mode. Try turning Bluetooth off and on again on your device. If issues persist, try resetting the headphones (refer to the full manual for specific reset

instructions if available).

- **Intermittent Connection:** Ensure there are no obstructions between the headphones and your device. Keep your device within the 10-meter Bluetooth range. Avoid strong electromagnetic interference.
- **Charging Issues:** Verify the USB-C cable is securely connected to both the charging case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean and dry.
