

DICTAC BXF-03

DICTAC California King Floating Bed Frame Instruction Manual

Model: BXF-03

1. PRODUCT OVERVIEW

The DICTAC California King Floating Bed Frame (Model BXF-03) is designed to provide a modern and functional sleeping solution. It features a unique visual floating design, integrated RGB LED lighting, a storage headboard with shelves, and a built-in charging station.

- **Visual Floating Design:** Hidden bed feet and under-bed LED strips create an illusion of the bed floating above the ground.
- **Smart RGB LED Lights:** Customizable lighting with over 60,000 colors, brightness control, various modes (including Music Sync), and timing functions via app or remote control.
- **Storage Headboard:** Features open shelves and a hidden compartment for storing personal items, books, and decorations.
- **Integrated Charging Station:** Includes 2 AC outlets, 1 Type-C port, and 1 USB port for convenient charging of electronic devices.
- **Stable Construction:** Durable metal frame and closely spaced wood slats provide strong support for your mattress without requiring a box spring. Designed for noise-free operation.

2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe use and prevent injury or damage to the product.

- **Weight Capacity:** Do not exceed a total weight of 1100 pounds on the bed frame.
- **Assembly:** Exercise caution during assembly due to potential sharp edges. Follow all assembly instructions carefully to prevent instability or collapse.
- **Mattress Compatibility:** Always use a compatible mattress to ensure proper stability and support.
- **Electrical Components:** Ensure all electrical connections for the LED lights and charging station are secure and follow local electrical safety standards. Do not overload the charging station.
- **Cleaning:** For the faux leather headboard, use dry cleaning methods only. Avoid harsh chemicals or excessive moisture.

3. SETUP AND ASSEMBLY

The bed frame is designed for straightforward assembly. It is packaged in one box and includes all necessary tools and numbered parts. We recommend having a helper for certain steps.

3.1 Unpacking and Preparation

1. Open the package carefully and remove all components.
2. Verify that all parts listed in the instruction manual are present. Refer to the included parts list.
3. Lay out all parts on a clean, soft surface (e.g., a rug or blanket) to prevent scratches.

3.2 Assembly Steps

Follow the detailed, step-by-step instructions provided in the included assembly manual. Match the numbered parts to the corresponding steps.

- Begin by assembling the main bed frame structure.
- Attach the headboard components, including the storage shelves and the hidden compartment.
- Install the wood slats onto the metal frame. Ensure they are evenly spaced and securely fastened.
- Connect the LED light strips to the designated areas under the bed frame.
- Install the power strip for the charging station into the headboard.

Note: Some users have reported that the LED light adhesive may require additional reinforcement over time. If needed, use a strong adhesive tape to secure the LED strips.

4. OPERATING INSTRUCTIONS

4.1 LED Lights Operation

The RGB LED lights can be controlled via a dedicated mobile application or the included remote control.

- **Power On/Off:** Use the power button on the remote or in the app to turn the lights on or off.

- **Color Selection:** Choose from over 60,000 colors using the color wheel in the app or preset color buttons on the remote.
- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Modes:** Select various dynamic modes, including a Music Sync mode where lights change with audio rhythm.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

4.2 Charging Station Usage

The headboard includes a built-in power strip for convenient charging.

- **AC Outlets:** Two standard AC outlets are available for larger electronics.
- **USB Port:** One standard USB port for charging compatible devices.
- **Type-C Port:** One Type-C port for modern devices.
- **Connection:** Ensure the bed frame's power cord is securely plugged into a wall outlet.

5. MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your bed frame.

- **Cleaning the Headboard:** The faux leather headboard should be dry cleaned only. Use a soft, dry cloth for regular dusting. For spills, gently blot with a slightly damp cloth and dry immediately. Avoid abrasive cleaners.
- **Frame Cleaning:** Wipe the metal and engineered wood components with a damp cloth and mild detergent if necessary. Dry thoroughly.
- **Tightening Fasteners:** Periodically check all bolts and screws and tighten them as needed to maintain stability and prevent squeaking.
- **LED Lights:** If LED strips become loose, re-secure them with appropriate adhesive tape.

6. TROUBLESHOOTING

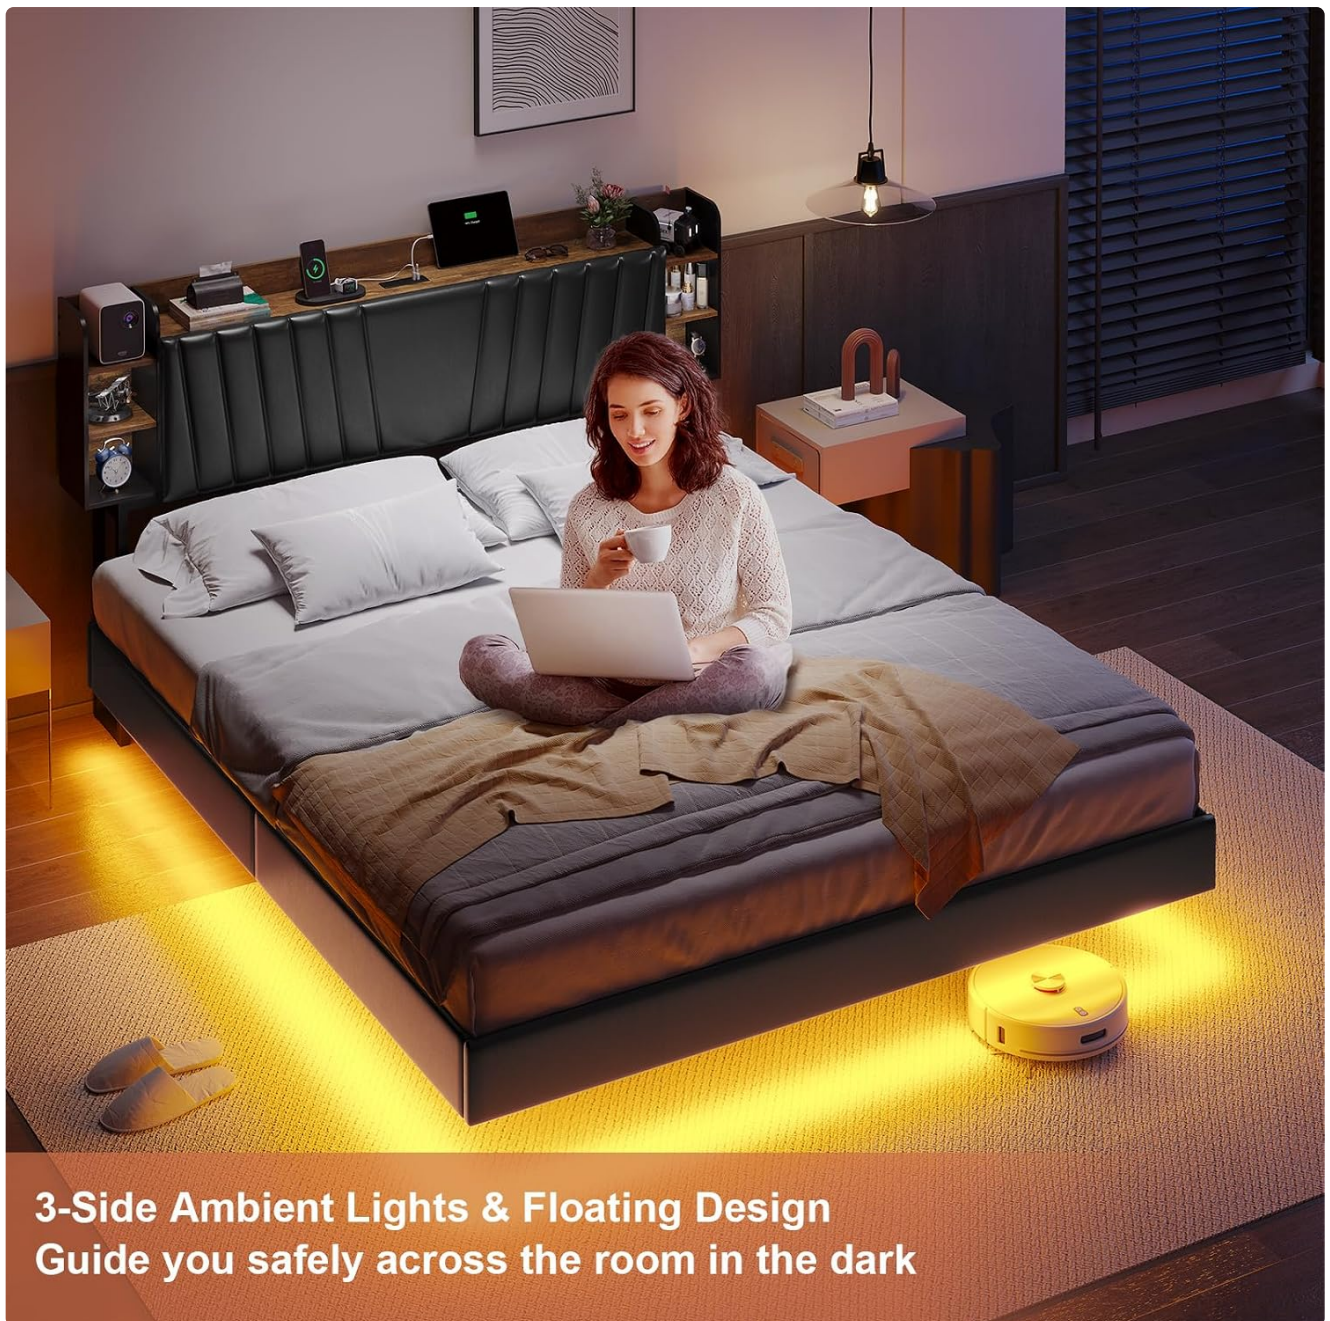

This section addresses common issues you might encounter with your DICTAC bed frame.

Problem	Possible Cause	Solution
Bed frame is unstable or noisy.	Loose fasteners; uneven assembly; exceeding weight limit.	Check and tighten all bolts and screws. Ensure the frame is assembled correctly according to the manual. Do not exceed the 1100 lbs weight capacity.
LED lights are not working or flickering.	Loose connection; power issue; faulty LED strip.	Verify all LED light connections are secure. Ensure the power adapter is plugged in correctly. If issues persist, contact customer support.
Charging station is not providing power.	Power strip not plugged in; wall outlet issue; faulty power strip.	Ensure the bed frame's main power cord is securely plugged into a functional wall outlet. Test the wall outlet with another device. If the issue continues, contact customer support.
Headboard holes do not align during assembly.	Manufacturing defect; incorrect orientation of parts.	Double-check the orientation of headboard parts against the assembly manual. If parts are genuinely misaligned, contact customer support for replacement parts.

7. PRODUCT SPECIFICATIONS

Detailed specifications for the DICTAC California King Floating Bed Frame.
