

Gabb GW23

Gabb Watch 3e Kids Smartwatch Instruction Manual

Brand: Gabb | Model: GW23

INTRODUCTION TO GABB WATCH 3E

The Gabb Watch 3e is a smart watch designed for children, focusing on safe communication and parental control without the distractions of social media or internet browsing. It offers essential features to keep children connected and parents informed.

- **Activation and Monthly Plan Required:** Requires a 30 dollar activation fee with a Gabb phone plan (no contract required). Devices only work in the United States.
- **Parental Control App:** The MyGabb app allows parents to approve contacts, monitor text messages, track location with GPS, receive SOS alerts, schedule Focus Time, and create Safe Zones.
- **Safe Communication:** Features its own phone number for direct calls and texts with parent-approved contacts.
- **Kid-Friendly Charging:** Magnetic wireless charger for easy powering up.
- **Active & Engaged:** Includes Gabb Move (fitness tracker/step counter) and Gabb Go (chore app with rewards).
- **Effortless Communication:** Text dictation, versatile keyboard with emojis, and Speech-to-Text for kids 5 and older.
- **Standalone & Secure:** Functions independently, connecting only to the parental control app for setup and management.

Tech in Steps

Gabb Watch 3e

The safe phone kids wear.™

Suggested ages 5-12

Ideal for young kids just starting with tech, the Gabb Watch 3e offers essential communication without internet, social media, or dangerous apps.

Gabb Phone 4

The perfect first phone for tweens.™

Suggested ages 9-13

Made to be kids' first phone, the Gabb Phone 4 allows calling, texting, safe music streaming, and video calling, without internet or social media apps.

Gabb Phone 4 Pro

The safe phone built for teens.™

Suggested ages 13-18

Created for older kids and teens, the Gabb Phone 4 Pro offers more features with customizable, parent-approved app access for those who are ready for more tech responsibility.

1. SETUP GUIDE

1.1 Unboxing and Initial Charge

Upon receiving your Gabb Watch 3e, carefully unbox the device and its accessories. It is recommended to fully charge the watch before initial setup.

Image: Contents of the Gabb Watch 3e box, including the watch, watchband, and magnetic charger.

1.2 Activation and Plan Selection

The Gabb Watch 3e requires activation and a monthly plan. Follow the instructions provided in the box to activate your device on the Gabb website and select a suitable plan. A \$30 activation fee applies. Gabb devices function exclusively within the United States.

Your browser does not support the video tag.

1.3 Parental Control App Installation

Download the MyGabb parental control app on your smartphone. This app is essential for managing contacts, monitoring messages, tracking location, and customizing watch settings for your child.

2. OPERATING INSTRUCTIONS

2.1 Making Calls and Sending Messages

The Gabb Watch 3e allows your child to call and text parent-approved contacts directly. All communication is managed through the MyGabb app, ensuring a safe and controlled environment.

- **Calling:** Navigate to the contacts list on the watch and select a parent-approved contact to initiate a call.
- **Texting:** Use text dictation, the versatile keyboard with emojis, or Speech-to-Text to send messages to approved contacts. The watch does not support receiving photos or group texts.

Software Built for Kids

Gabb Operating System protects kids by blocking access to internet browsers, social media, and unsafe apps.

Gabb's Software also makes it simple to transition from the Gabb Watch 3e to a Gabb Phone when they are ready.

2.2 GPS Tracking and Safe Zones

Parents can track their child's location using the MyGabb app. Set up customized Safe Zones to receive alerts when your child enters or leaves designated areas. Location updates refresh every 15 minutes, or live location can be accessed with a quick button press.

2.3 Focus Mode and Apps

Utilize Focus Time for school or other activities to minimize distractions. The watch includes safe apps like Task Tracker, Calculator, Memory Game, Timer, Alarm Clock, Stopwatch, and Flashlight. Gabb Move acts as a fitness tracker, and Gabb Go motivates kids with chores and rewards.

3. MAINTENANCE

3.1 Charging the Device

The Gabb Watch 3e features magnetic wireless charging. Simply align the charger with the back of the watch to begin charging. Parents receive notifications via the MyGabb app when the watch battery is low or dies.

3.2 Cleaning and Care

To maintain your Gabb Watch 3e, regularly wipe the screen and band with a soft, dry cloth. Avoid harsh chemicals or abrasive materials. Ensure the charging contacts are clean for optimal performance.

3.3 Watch Band Size

The watch band is designed to fit wrists between 127mm and 228mm. Ensure a comfortable and secure fit for your child. Compatible with both Gabb Watch Style and Sport Bands.

4. TROUBLESHOOTING

If you encounter any issues with your Gabb Watch 3e, please refer to the following general advice:

- **Connectivity Issues:** Ensure the watch is within cellular coverage. Check the signal strength indicator on the watch screen.
- **Charging Problems:** Verify that the magnetic charger is properly aligned and connected to a power source. Clean the charging contacts on both the watch and the charger.
- **App Functionality:** Ensure the MyGabb app on your smartphone is updated to the latest version. Restart both the watch and your smartphone if an app is not functioning correctly.
- **Device Reset:** If issues persist, a device reset may resolve them. Consult the in-app instructions or contact customer support for guidance on performing a reset.

For detailed troubleshooting steps or persistent problems, please contact Gabb customer support.
