2. SAFETY INFORMATION

Please read all instructions carefully before installation and operation to prevent injury or damage. Keep this manual for future reference.

- Always disconnect power before servicing or cleaning the unit.
- Ensure proper ventilation in the room when the range hood is used simultaneously with gas or other fuel-burning appliances.
- Do not flambé under the range hood.
- Clean grease filters regularly to prevent grease buildup and fire hazards.
- Installation must be performed by a qualified technician in accordance with all local codes and regulations.
- The surface of the chimney received will be covered with a layer of white protective film. Please tear it off before use.

Delay Shutdown

Remove residual grease and fumes keeping kitchen air fresh

Figure 2.1: Important notice regarding protective film removal before installation.

3. WHAT'S IN THE BOX

Your BRANO Range Hood package includes the following components:

- Wall mount range hood (1 unit)
- User manual (1 copy)
- Installation accessories (1 set)

4. SETUP AND INSTALLATION

The BRANO range hood is designed for wall-mounted installation. For detailed step-by-step instructions, please refer to the included installation accessories manual. Ensure the protective film is removed from the chimney surface before installation.

5. OPERATING INSTRUCTIONS

The BRANO range hood offers multiple intuitive control methods for your convenience.

5.1 Voice Control

Activate voice control by saying the wake-up word "Andy". You can then issue commands such as "Power on", "Speed 1", "Speed 2", "Speed 3", "Speed 4", "Light on", "Light off", and "Delay shutdown".

Figure 5.1: Voice control in action, showing 'Hi Andy, Power on' command.

Video 5.1: Demonstration of voice control functionality for the BRANO range hood, showing commands for fan speed adjustments.

5.2 Gesture Control

The range hood can be controlled with simple hand gestures:

- Wave your hand to the **right** to increase fan speed.
- Wave your hand to the **left** to decrease fan speed.

Gesture Sensing Control

5.3 Touch Control

The integrated touch display panel allows for direct control of all functions, including power, fan speed (4 speeds), light, timer, and delay shutdown.

5.4 Memory Mode

The advanced memory function automatically restores your last used settings upon each use, providing seamless continuity without manual reconfiguration.

5.5 Dimmable LED Lights

The brightness of the integrated LED lights can be adjusted by long-pressing the light button on the control panel.

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your BRANO range hood.

6.1 Cleaning the Exterior

Wipe the stainless steel exterior with a soft cloth and a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive pads that could scratch the surface.

6.2 Cleaning Baffle Filters

The permanent baffle filters are dishwasher-safe for easy cleaning. Remove the filters by sliding them out, place them in your dishwasher, and run a normal cycle. Ensure they are completely dry before re-installing.

7. TROUBLESHOOTING

If you encounter issues with your range hood, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Fan not operating	No power supply; Motor issue	Check power connection and circuit breaker. If problem persists, contact support.
Low suction power	Clogged filters; Improper installation	Clean or replace filters. Ensure proper ducting and sealing.
Excessive noise	Loose parts; Obstruction in fan; Improper installation	Check for loose screws or objects. Verify correct installation and ducting.
Lights not working	Bulb failure; Electrical connection issue	Check light connections. If LED, contact support for replacement.
Voice/Gesture control unresponsive	Sensor obstruction; Software glitch	Ensure sensors are clean and unobstructed. Try power cycling the unit.

If these steps do not resolve the issue, please contact BRANO customer support for further assistance.

8. SPECIFICATIONS
