## 4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Red Camellia flower puzzle. The assembly typically takes about 30 minutes.

- Preparation:** Unpack all components and lay them out. Identify the numbered wooden pieces according to the instruction manual.
- Detaching Pieces:** Gently detach the pre-cut wooden pieces from their sheets. Use caution to avoid breaking delicate parts. Extra pieces are often provided for fragile components.
- Flower Assembly:** Begin by assembling the petals and central parts of the camellia flowers. Each piece is designed to fit together without glue.
- Stem and Leaves:** Assemble the stem and attach the leaves. Ensure all connections are secure.
- Pot Assembly:** Construct the decorative paper pot. Add any small decorative elements, such as the "For You" card.
- Final Assembly:** Insert the assembled flower and stem into the pot. Add any small decorative elements, such as the "For You" card.

## 6. CARE & MAINTENANCE

To ensure the longevity and appearance of your wooden flower puzzle, follow these care guidelines:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. Avoid using water or chemical cleaners, as these can damage the wood and paint.
- **Placement:** Keep the model away from direct sunlight, high humidity, and extreme temperature changes to prevent warping or fading of the wood and colors.
- **Handling:** Handle the assembled model with care to avoid accidental breakage of delicate pieces.

## 7. TROUBLESHOOTING

If you encounter any issues during assembly or with the finished product, consider the following:

- **Pieces Not Fitting:** Ensure you are using the correct pieces as indicated in the instruction manual. Apply gentle, even pressure. Do not force pieces together.
- **Broken Pieces:** If a piece breaks during assembly, check if an extra piece is provided in the kit. For significant issues, refer to the Warranty & Support section.

- **Stability Issues:** Ensure all connections are fully engaged. The base should be placed on a flat, stable surface.
