3. WHAT'S IN THE BOX

Your ESR iPad Air 13 Inch Case Keyboard package includes:

- ESR iPad Air 13 Inch Keyboard
- Removable Case
- Multi-Touch Trackpad (integrated into keyboard)

4. SETUP

4.1 Attaching Your iPad

1. Gently insert your iPad into the removable case, ensuring all edges are securely covered.
2. Align the iPad (within its removable case) with the magnetic area on the keyboard stand. The strong magnets will securely attach the iPad to the stand.

Versatile Detachable Back Case

Stay protected with or without the keyboard

4.2 Bluetooth Connection

1. Ensure the keyboard is charged.
2. Turn on the keyboard.
3. On your iPad, go to **Settings** > **Bluetooth**.

4. Turn on Bluetooth and select the ESR keyboard from the list of available devices.
5. Follow any on-screen prompts to complete the pairing process.

4.3 Adjusting the Magnetic Stand

The quick-set magnetic stand allows for easy adjustment to various angles. Simply open the case and position your iPad to the desired angle for typing or browsing. The strong magnetic connection ensures stability.

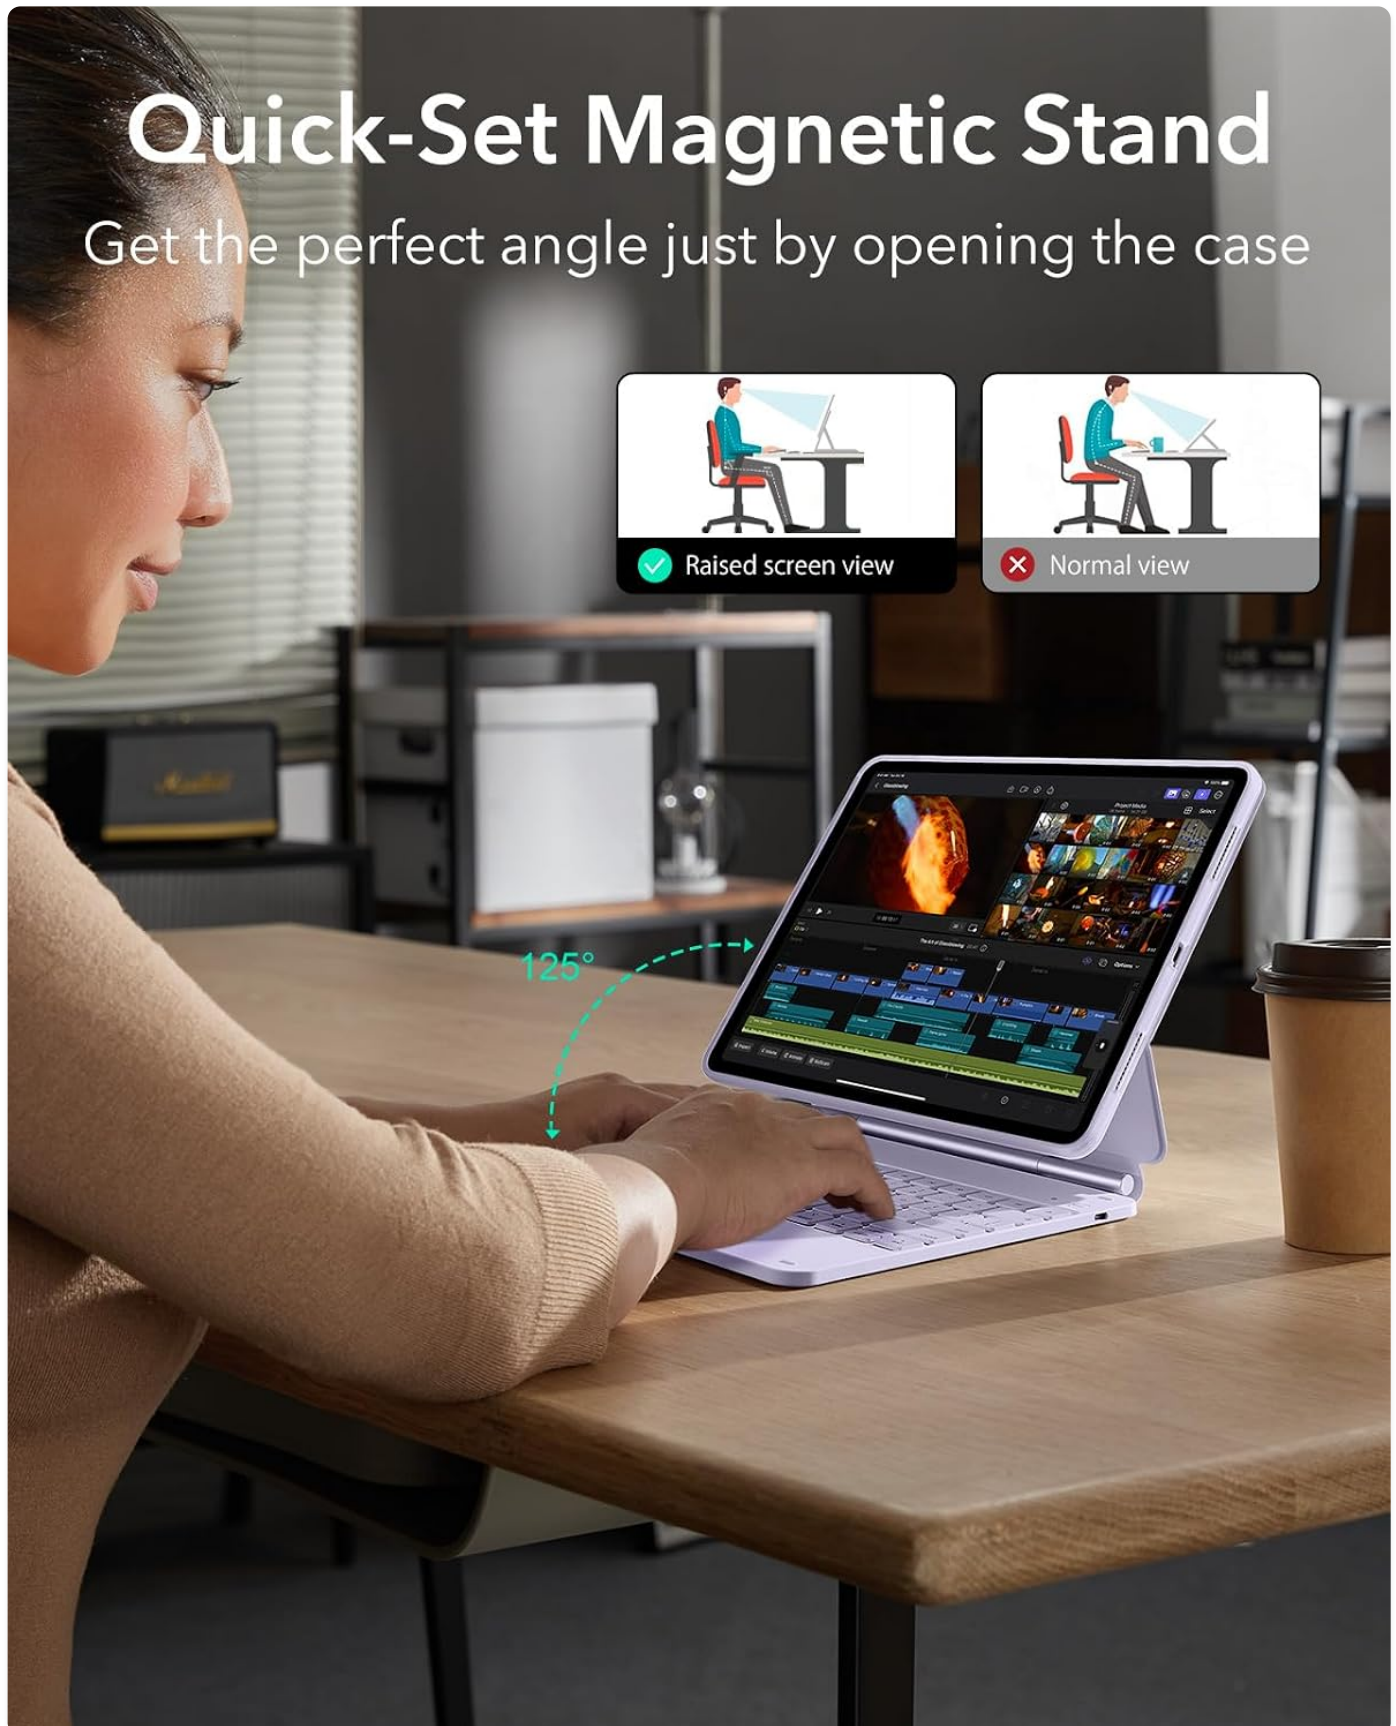

Image 4.2: A user setting up the quick-set magnetic stand for optimal viewing and typing posture.

5. OPERATING INSTRUCTIONS

5.1 Keyboard Functions

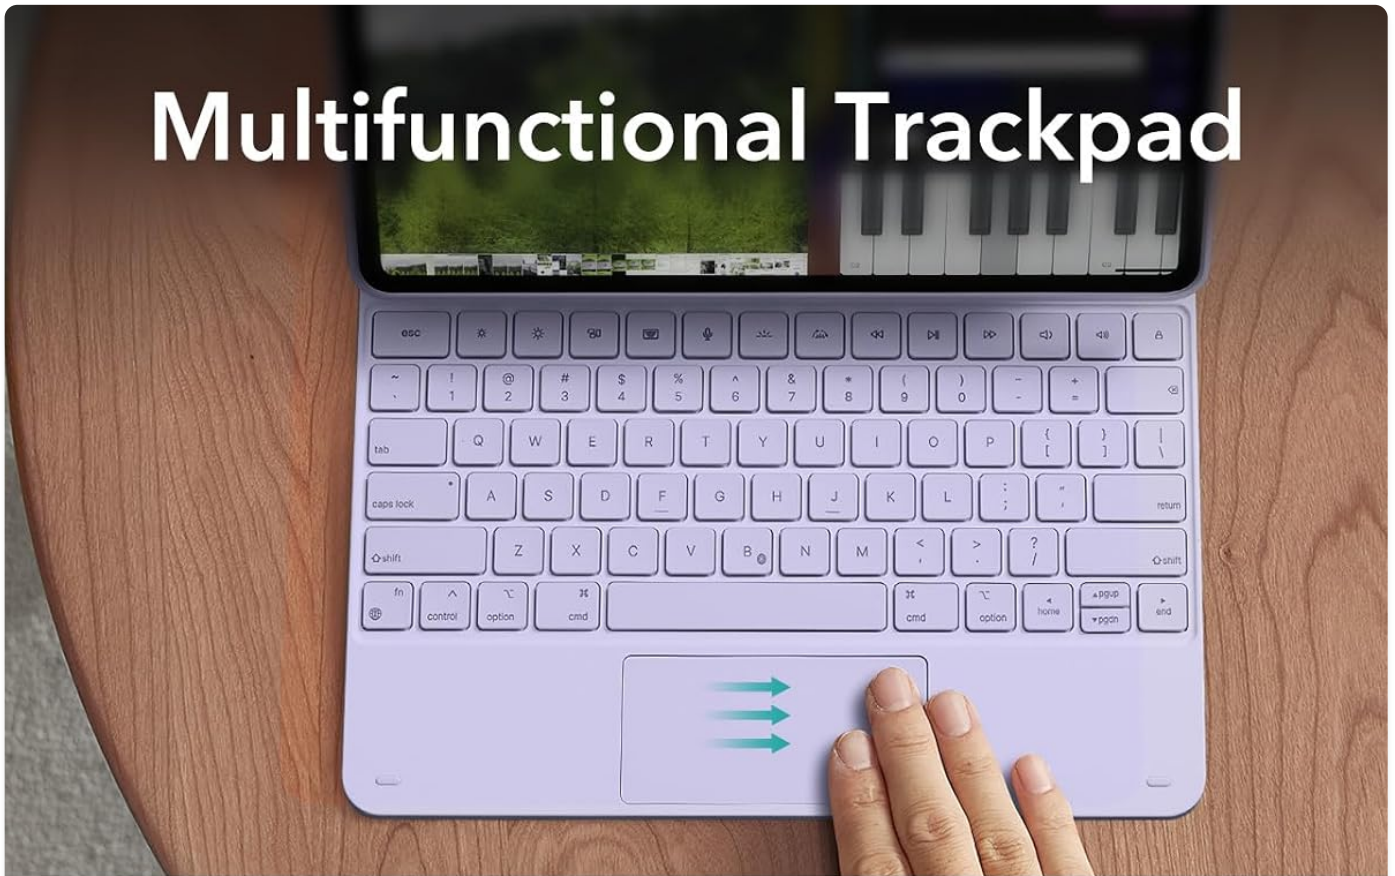

The keyboard provides a comfortable and efficient typing experience. It includes standard keys and function keys for quick access to iPad features. Refer to the keyboard layout for specific key functions.

5.2 Multi-Touch Trackpad

The extended, ultra-sensitive multi-touch trackpad allows for precise navigation and gesture control. Common gestures include:

- **Click:** Single tap or press.
- **Scroll:** Two-finger swipe up or down.
- **Zoom:** Pinch with two fingers.
- **Go Home:** Three-finger swipe up.

Multifunctional Trackpad

Smooth and Accurate Typing

5.3 Multiple View Modes

The case supports various view modes to suit your needs:

- **Typing Mode:** Position the iPad at an optimal angle for comfortable typing.
- **Viewing Mode:** Adjust the stand for hands-free media consumption.
- **Portrait Mode:** The back case detaches, allowing the iPad to be set up in portrait orientation, ideal for video calls or

reading.

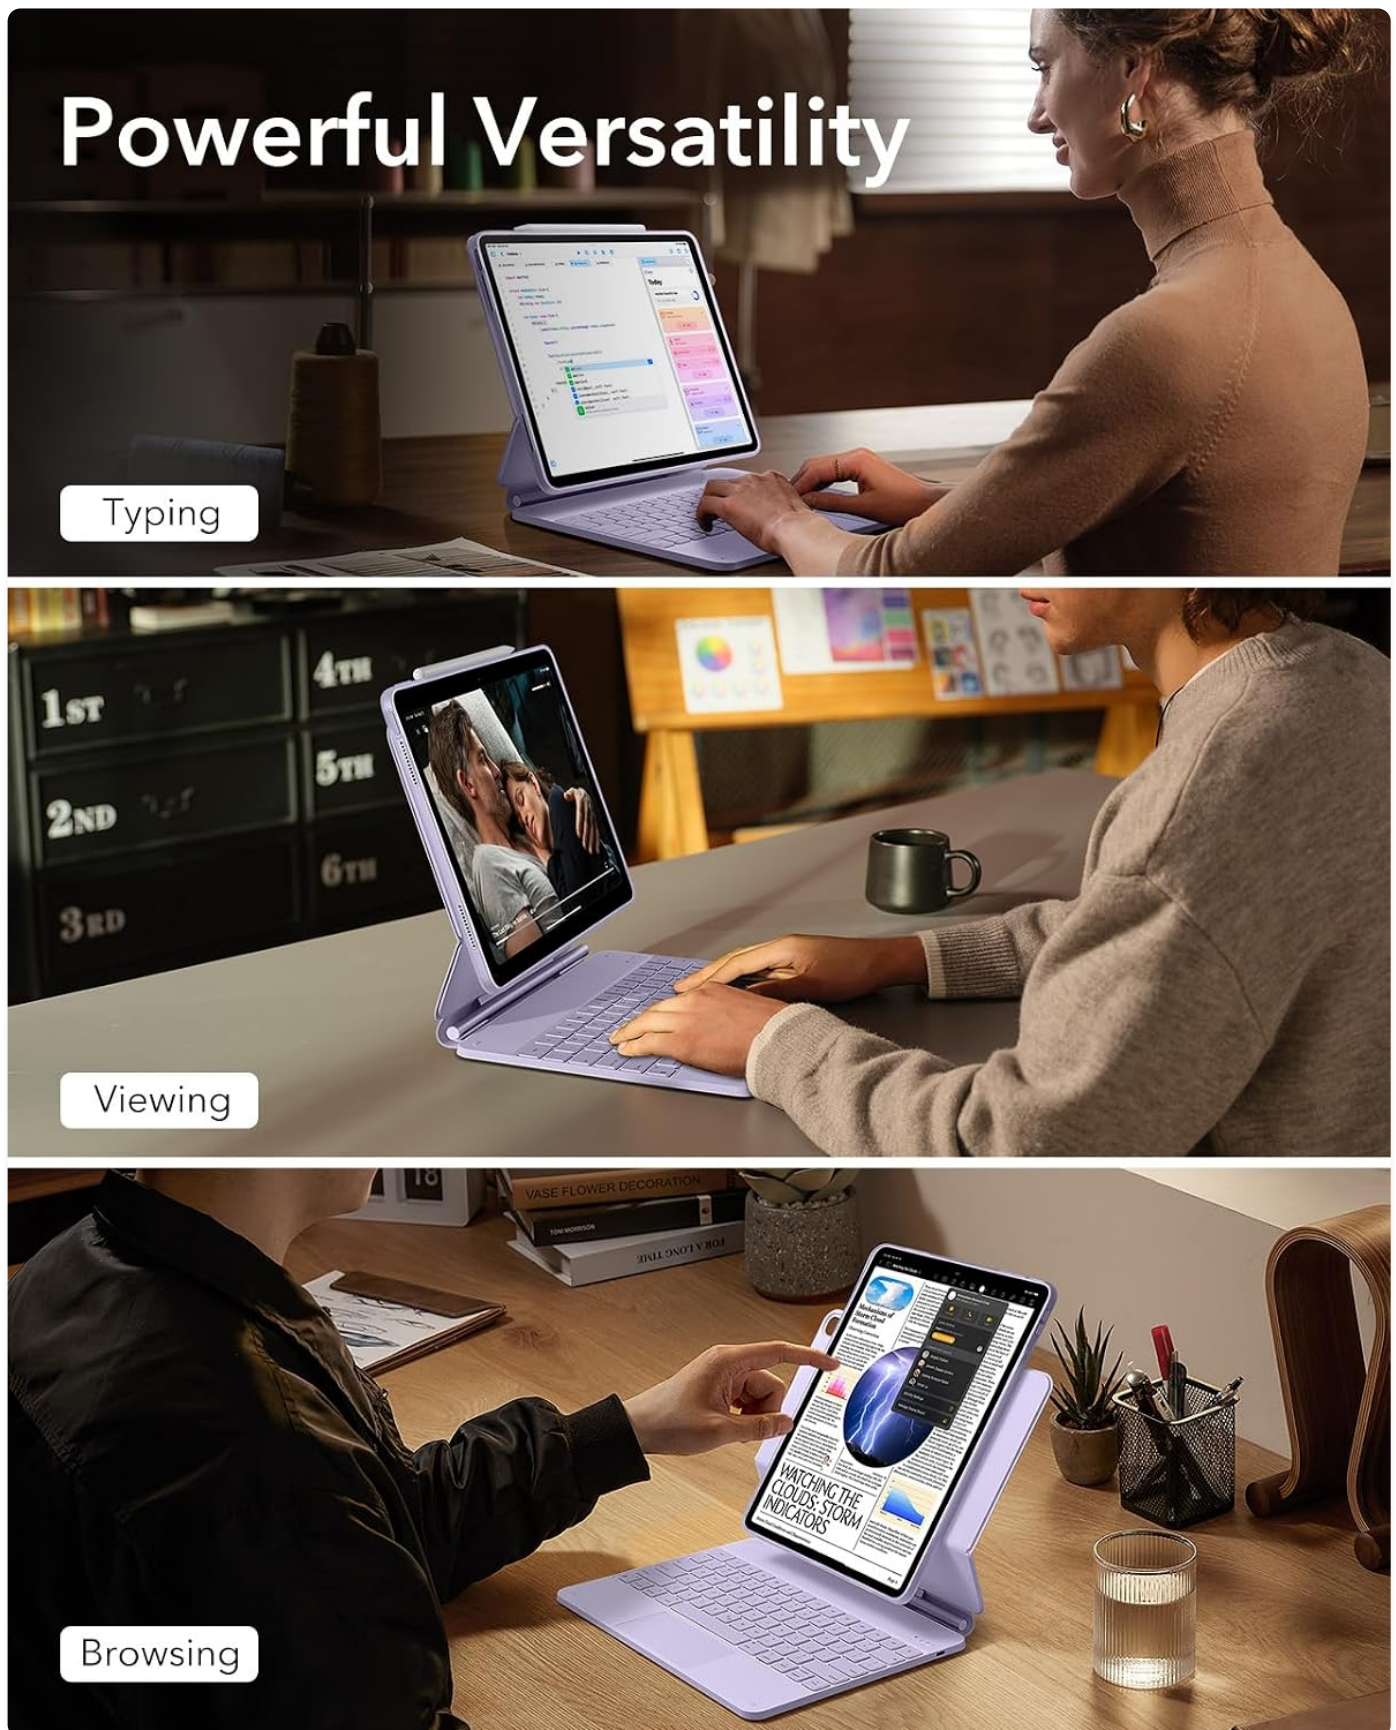

Image 5.2: Examples of the keyboard case's powerful versatility, demonstrating typing, viewing, and browsing modes.

5.4 Battery Life

The keyboard is designed for extended use on a single charge:

- **Standby:** Up to 1 year

- **Day Use:** Up to 3 months (based on 2 hours a day with backlit keys off)
- **Night Use:** Up to 1 week (based on 2 hours a day with backlit keys on)

Do More, Charge Less

Standby 1 year

Day use¹ 3 months

Night use² 1 weeks

¹2 hours a day with backlit keys off ²2 hours a day with backlit keys on

6. MAINTENANCE

6.1 Cleaning

To clean the case and keyboard, use a soft, damp cloth. Avoid harsh chemicals or abrasive materials that could damage the surface. Ensure the keyboard is powered off and disconnected from your iPad before cleaning.

6.2 Storage

When not in use, keep the keyboard case closed to protect both the iPad and the keyboard. The magnetic clasp helps keep the case closed and your Apple Pencil secure if stored within the case.

Image 6.1: The magnetic clasp ensures the case remains safely closed and secures your Apple Pencil.

7. TROUBLESHOOTING

If you encounter issues with your ESR iPad Air 13 Inch Case Keyboard, please refer to the common solutions below. Many issues can be quickly resolved by contacting customer service for model exchanges, technical support, or compatibility concerns.

7.1 Connectivity Issues

- Ensure the keyboard is charged and powered on.
- Verify Bluetooth is enabled on your iPad.
- Try unpairing and re-pairing the keyboard in your iPad's Bluetooth settings.
- Restart both your iPad and the keyboard.

7.2 Trackpad Glitches

- Ensure the trackpad surface is clean and free of debris.
- Check for any software updates for your iPad.
- If the trackpad becomes unresponsive after a period of inactivity, a slight movement or tap should re-activate it.

7.3 Incorrect Size/Fit Issues

If you have purchased the wrong size or are experiencing fit issues, please refer to the following video for guidance on contacting customer support:
