Romansei HB15

Romansei Pet Tracker for Cat - User Manual

Brand: Romansei | Model: HB15

INTRODUCTION

This manual provides instructions for the Romansei Pet Tracker, a smart location tracking device designed for cats. This device integrates with the Apple 'Find My' app on iOS systems, offering real-time location updates without requiring additional subscriptions. It is designed to be attached to a cat collar, providing a method for monitoring your pet's location.

SETUP

Package Contents

- 1 x Romansei Pet Tracker (HB15)
- 1 x Silicone Protector Case
- 1 x CR2032 Battery (pre-installed)

Installing the Tracker

1. Open the silicone protector case.
2. Insert the Romansei Pet Tracker into the silicone case, ensuring the button and speaker are correctly aligned with the case openings.
3. Securely close the silicone case around the tracker.
4. Thread your pet's collar through the loops on the silicone protector case. Ensure the tracker is positioned comfortably and securely on the collar. The case is designed to be compatible with most collar widths.

Compatible with Most Collar Widths

How To Install

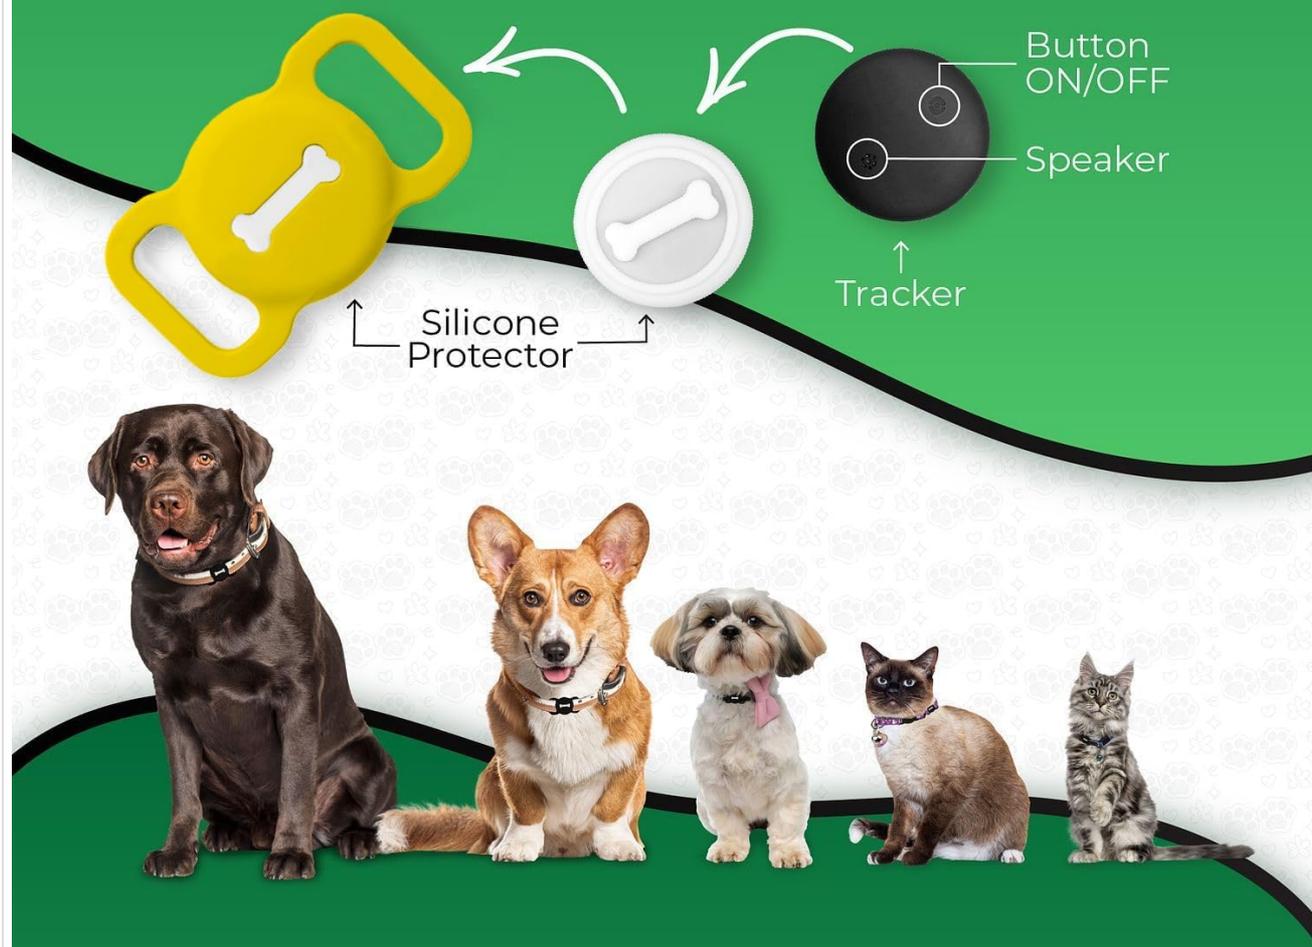

Image: Installation diagram for the Romansei Pet Tracker, showing the tracker, silicone protector, and how to attach it to a collar. Various pets are shown wearing the tracker.

Pairing with Apple Find My

1. Ensure your iOS device (iPhone, iPad, or iPod touch) is running the latest version of iOS.
2. Open the 'Find My' app on your iOS device.
3. Navigate to the 'Items' tab.
4. Tap the '+' icon and select 'Add Other Item'.
5. Follow the on-screen instructions to connect your Romansei Pet Tracker. You may need to press the button on the tracker to initiate pairing.
6. Once connected, you can name your tracker and assign an emoji.

OPERATING INSTRUCTIONS

Locating Your Pet

- Open the 'Find My' app on your iOS device.
- Select the 'Items' tab and choose your Romansei Pet Tracker from the list.
- The app will display the tracker's current or last known location on a map.
- Use the 'Directions' feature to navigate to your pet's location.
- If your pet is nearby, you can tap 'Play Sound' to make the tracker emit an audible alert, assisting in pinpointing its exact location.

Real-Time Tracking and Global Positioning

The Romansei Pet Tracker utilizes Apple's Find My network for global positioning, providing accurate location search capabilities. This allows for real-time tracking of your pet's whereabouts through compatible Apple devices. Please note that this device is designed exclusively for use with Apple devices and is not compatible with Android systems.

MAINTENANCE

Battery Replacement

- The Romansei Pet Tracker uses a standard CR2032 coin cell battery.
- The battery is designed to last approximately 365 days under normal usage conditions.
- To replace the battery, carefully open the tracker unit (usually by twisting or prying gently, refer to the tracker's specific design for exact method).
- Remove the old CR2032 battery and insert a new one, ensuring correct polarity (+ side up).
- Close the tracker unit securely.

Cleaning and Care

- The tracker and its silicone case are durable and waterproof.

- To clean, wipe with a damp cloth. For stubborn dirt, a mild soap solution can be used.
- Avoid using harsh chemicals or abrasive materials, as these may damage the device or its case.
- Ensure the tracker is completely dry before reassembling or reattaching to the collar.

TROUBLESHOOTING

- **Tracker Not Found in Find My App:**

Check if the tracker's battery is depleted. Replace the CR2032 battery if necessary. Ensure Bluetooth is enabled on your iOS device and the tracker is within range. Try resetting the tracker by removing and reinserting the battery.

- **Inaccurate Location:**

Location accuracy can be affected by environmental factors such as dense buildings, underground areas, or strong signal interference. Ensure your iOS device has a stable internet connection.

- **Battery Life Shorter Than Expected:**

Frequent use of the 'Play Sound' feature or constant tracking in areas with weak signal may reduce battery life. Ensure the battery is a fresh CR2032 from a reputable brand.

- **Tracker Not Responding:**

If the tracker becomes unresponsive, try removing the battery, waiting for 30 seconds, and then reinserting it. If the issue persists, contact customer support.

SPECIFICATIONS

Feature	Detail
Model Name	HB15
Item Weight	1.06 ounces
Item Package Dimensions L x W x H	3.35 x 2.56 x 0.59 inches
Batteries	1 CR2032 battery required (included)
